

Info sessions begin August 15, electronic ratification vote opens August 12

Your Bargaining Committee reached a tentative agreement with the employer late in the day on July 28. An electronic ratification vote will open on August 12, 2022.

We will be holding in-person information meetings during the week of August 15, 2022. There will be a brief presentation on the highlights of the agreement and then you'll be able to ask any questions you might have.

Please see below for the schedule of dates and locations for in-person meetings, as well as a virtual info session on Tuesday, August 16 at 7 pm.

Please see the highlights sheet we've included in this mailing. Of particular note, we wish to clarify that **all members on staff at the time of ratification will be entitled to retro pay for the period they worked during the retro period.** Retro pay will be paid by separate deposit. Former members will have 90 days to apply in writing to the employer for their retro pay.

All members will have an opportunity to vote on the agreement through electronic ballot. Voting will be available by phone or online from August 12 (after 8 am) until August 22 (before noon).

Your voting credentials (Elector ID and Password) from Data On The Spot (DOTS) are included in this package and contain instructions on how to vote.

If you have questions about the voting process or require assistance with voting, please contact DOTS directly via email credentials@dataonthespot.com or toll-free via phone at 1-833-368-7123.

In solidarity,

Your Bargaining Committee
