

Our dealership 4L Communications has been chosen to support pre-orders for the Galaxy Note20 Series that is set to launch in Canada on August 21<sup>st</sup>.

The attachment doesn't feature the Note20 as I haven't yet received a marketing communication from TELUS, but I will have the device and pricing added to our ordering portal today.

There are 2 Gift-with-Purchase options with the pre-order (available now until Aug. 20<sup>th</sup>) which will be sent directly from Samsung.

- Note20 5G
  - Samsung Buds+ (Black, valued at \$199.99) or –
  - Microsoft Xbox Game Pass Bundle which includes: MOGA XP5-X+ Controller; (value: \$129.99) AND a 3-month Xbox Game Pass Ultimate membership (value: \$50.97) AND a Wireless Charger (value: \$79.99).
- Note20 Ultra 5G
  - Samsung Buds Live (Black, valued at \$249.99) or –
  - Microsoft Xbox Game Pass Bundle which includes: MOGA XP5-X+ Controller; (value: \$129.99) AND a 3-month Xbox Game Pass Ultimate membership (value: \$50.97) AND a Wireless Charger Duo (value: \$139.99).

For a limited time and while supplies last, we will be offering a free Gift-with-Purchase on the Galaxy S20, S20+, and S20 Ultra.

- Either an LED View Cover, or Protective Standing Cover, or Clear View Cover.
- This offer is only available for online orders who select a shipping option, or for pick up at 2-1439 Henderson Hwy in Winnipeg MB.

Another thing to highlight is the limited-time offer Bring-Your-Own-Device (BYOD) rate plans from last month will continue to be offered in August.

The BYOD special plan in MB/SK/QC is Peace of Mind™ 15GB for \$55.25/month.

In BC/AB/ON/ATL there are 2 BYOD specials, Peace of Mind™ 10GB for \$60/month, or Peace of Mind™ 20GB Connect Plus for \$68/month.

You may have seen in the news or online that TELUS has recently acquired ADT Security Services Canada.

We are very excited for ADT to join the TELUS family!

ADT offers Smarthome Security plans that start from \$28/month when bundled with TELUS wireless service.
