TPP**Bargaining
bulletin**

Technical Professional Paramedical - Locals 76, 77, 78, 79, 306

Employer / Union to meet on June 20th

For almost a year now, Technical Professional Paramedical (TPP) negotiations have been ongoing. When bargaining began, your TPP committee looked over all of the proposals put forward by the membership and set out a number of goals we felt we needed to accomplish in this round of negotiations. This included a fair wage increase for all, market and special wage adjustments, and wage parity for rural EMS personnel with their Winnipeg counterparts.

While we've dealt with nearly all of our primary goals, **the employer is still unable to address the key issue of EMS wage parity to our satisfaction.**

With that in mind, the employer has requested one more meeting with us on **Monday, June 20**, and we hope they'll address this key issue. Next week, we'll update you on the outcome of that meeting and the direction the committee plans to take.

Thank you for your continued support. If you have any questions, please contact any member of the TPP bargaining committee through the MGEU Resource Centre at 1-866-982-6438.

In Solidarity,

The TPP Bargaining Committee:

Wayne Chacun, TPP Component Director, Local 306 Assiniboine Tech/Prof

Lorie Hebert, Local 76 Central Tech/Prof

Kathleen Freiheit, Local 77 Parkland Tech/Prof

Shayne Orr, Local 78 Interlake Tech/Prof

Bob Stonebridge, Local 79 North Eastman Tech/Prof

Greg Mendro, MGEU Staff Representative

Shelley Neel, MGEU Staff Representative

Russ Tychonick, MGEU Research Officer
