The seniority list shall be prepared as at the end of the final pay period in each calendar year and shall also include the following: name, classification, employment status (FT, PT, CAS), and date of employment. This list will be posted in all work locations, and a copy provided to the Union, no later than January 31st of each year. This list shall be open for correction for a period of forty-five (45) calendar days from the date of the initial posting. On presentation of proof of error, the Employer will correct any errors so found. By March 31st of each year, the corrected list shall be posted in all work locations, and a copy sent to the Union. This shall be considered the accurate list and shall not be subject to further changes until the next posting.

It is understood that the elimination period for the Long Term Disability Income Plan is the greater of one hundred and twenty (120) calendar days or the exhausting of the employee's Income Protection Bank to a maximum of two hundred and eight (208) working days.

Travel to and attendance at non-routine, emergent or critical medical appointments or treatments come within the meaning of providing care in the event of an illness.

16:10 An employee who is unable to work by reason of accident or illness which is not covered by income protection shall, upon providing an acceptable medical certificate attesting to her inability to perform the normal duties of her job, be granted an unpaid leave of absence for a period of one (1) month per year of service up to a maximum of twelve (12) months. An employee who is able to resume work following a period of absence which exceeds one (1) month shall notify the Employer of her ability to resume work at least five (5) calendar days prior to the date of her intended return.

If the employee is unable to resume her normal duties at the expiry of her leave of absence, her employment may, at the discretion of the Employer, be

considered terminated. An employee so terminated who applies for re-employment with the Employer immediately upon recovery from her illness, shall be given preference over new applications in hiring, subject to her providing an acceptable medical certificate.

16:11 Where an employee is injured on the job and is required to leave for medical treatment and/or is sent home by management due to the injury, the employee shall incur no loss in regular pay and benefits for the day on which the accident occurs.

- (b) An employee unable to work because of a work-related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the WCB. Workers Compensation payment(s) will be paid directly to the employee by WCB.

B. MPI

The employee shall be entitled to receive full income protection benefits for any period of time deemed to be a “waiting period” by MPI.

C. WCB/MPI Advance

Subject to (D), where an employee has applied for WCB/MPI benefits and where a loss of normal salary would result while awaiting the WCB/MPI decision, the employee may submit an application to the Employer requesting an advance subject to the following conditions:

- (a) Advance payment(s) shall not exceed the employee's basic salary as defined in Schedule A (exclusive of overtime), less the employee's usual income tax deductions, Canada Pension Plan (CPP) contributions, and Employment Insurance (EI) contributions.
- (b) The advance(s) will cover the period of time from the date of injury or illness until the date the final decision is rendered. In no case shall the total amount of the advance exceed the lesser of:
 - (i) The total net income protection which would otherwise be claimed by the employee in the one hundred and nineteen (119) calendar day elimination period, for former Civil Service employees - one hundred and twenty (120) calendar day elimination period, or
 - (ii) seventy percent (70%) of the value of the employee's accumulated income protection credits.
- (c) The employee shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the employee.
- (d) In the event that WCB/MPI disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.

- (e) Upon request, the Employer will provide a statement to the employee indicating the amount of advance payment made and repayment received by the Employer.

D. WCB/MPI Supplement

- (a) Subject to (C), an employee who accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments.
- (b) The amount of such supplement will equal ten percent (10%) of the employee's regular net salary not earned due to the time loss. Regular net salary will be based on the employee's basic salary as defined in Schedule A of the Collective Agreement (exclusive of overtime), less the employee's usual income tax deduction, CPP contributions and EI contributions.
- (c) The Employer's supplement shall be charged to the employee's accumulated income protection credits and such supplement shall be paid until:
- (i) For individuals enrolled in HEBP - the employee's accumulated income protection credits are exhausted, or until one hundred and nineteen (119) calendar days have elapsed since the first day of supplement, whichever is less.
- (ii) For former Civil Service employees:
- the employee's accumulated income protection credits are exhausted, or until one hundred and twenty (120) calendar days have elapsed since the first day of supplement, whichever is greater; or
 - the employee's accumulated income protection credits greater than one hundred and twenty (120) calendar days,

but less than two hundred and eight (208) working days since the first day of supplement, are exhausted; or

- the employee's accumulated income protection credits to a maximum of two hundred and eight (208) working days since the first day of the supplement are utilized.

(d) If at any time it is decided by WCB/MPI that any payment to be made to the employee by the Employer must be offset against benefits otherwise payable by WCB/MPI, then such payment shall not be payable.

16:13 Transportation to the nearest physician or hospital for employees requiring immediate medical care as a result of an on-the-job accident shall be provided by or at the expense of the Employer if it is not covered by a medical plan.

16:14 Income protection will continue to accrue during a paid leave of absence, or unpaid leave of absence of four (4) weeks or less. For unpaid leaves of absence that exceed four (4) weeks, income protection credits shall be retained but shall not accrue for that period of time that exceeds four (4) weeks.

16:15 An employee who is absent due to illness or injury which is not eligible for compensation by either the WCB subject to 16:12 A or by MPI as a result of a motor vehicle accident subject to 16:12 B, shall be paid her regular basic salary to the extent that she has accumulated income protection credits. The Employer reserves the right to verify that a claim for income protection is not made with respect to any injury for which lost earnings are compensated by MPI.

Bi-weekly Remoteness Allowances

I. Parkland Region

Remoteness Allowance shall be paid subject to the following eligibility:

A. Dependant Supporting or Non-dependant Supporting Status:

Non-dependent supporting status will be assumed for all employees eligible for Remoteness Allowances, and claims for dependant supporting status will be subject to the following criteria and conditions:

1. The employee shall be supporting one or more dependents where a dependent includes:
 - Spouse living with and dependent on the employee for main and continuing support; this is presumed to be the wife in a marriage whether or not gainfully employed, unless satisfactory evidence is produced to the contrary;
 - Unmarried dependent children under 18 years of age;
 - Unmarried dependent children over 18 but under 21 years if in full time attendance at a school or university or similar educational institution;
 - Unmarried children of any age if mentally or physically disturbed.
2. There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement must have been in existence for at least one year prior to the application for dependant's rate.
3. A claim, with appropriate attestation, notarized where considered necessary, for payment of dependant's or single rate of allowances, will be submitted to the Employer when first requesting the allowance, and renewed annually thereafter prior to the fiscal year.

4. Where both marital partners are employees of Diagnostic Services Of Manitoba, Inc. in any base location to which these regulations apply, the dependant supporting rate will be paid to the permanent employee or, if both are permanent, to one partner only. The other partner will not receive either dependant supporting or non-dependant supporting rate of Remoteness Allowance.

Where specially requested by both employees in writing, the dependant's rate may be divided and equal amounts (to the nearest cent) paid to each employee.

B. Hourly Rated Personnel:

- (a) Remoteness Allowances are to be determined separately from hourly wage rates. Except for employees hired on an "if, as and when" basis, Remoteness Allowances are to be considered on a daily basis i.e. 1/10th of the bi-weekly rate, up to a maximum amount for the bi-weekly period, for the following conditions:
1. For each day the employee is at work irrespective of the number of hours worked;
 2. For each day that the employee is recognized as being a stand-by";
or
 3. In order to qualify for the daily rate, an employee hired on an "if, as and when" basis, would be required to work one-half or greater of the normal working hours (i.e. 7.75 hours in any one day).
- (b) Above will apply to all part-time employees on staff as of the date of signing of this Agreement. For all other part-time employees, remoteness allowances will be pro-rated based on the number of hours an employee works. Example: if an employee works fifty percent (50%) of the hours of a full time employee, the employee will receive fifty percent (50%) of the remoteness allowance.

C. Location and Residence:

The Remoteness Allowance applicable to the location at which the employee has established his residence and maintains a family home is normally that which prevails, since the residence would be within normal daily travel distance to the employee's headquarters. Re: Guidelines for the Interpretation of Article 9:13 (Portability)

1. The onus is on the employee to advise her/his new Employer that there are benefits/seniority to port.
2. The provisions of Article 9.13 only apply where an employee terminates employment from one Employer and commences employment with another Employer. It does not apply to “merge” employment/benefits etc. from two or more Employers to one of those Employers.
3. In the instance where an employee is to commence casual employment with the sending Employer, the employee’s employment must be terminated (including a letter of resignation), following which the employee can be newly re-hired as a casual employee. Failure to terminate employment with the sending Employer shall eliminate the ability to port benefits.
4. Once notified of portability of benefits/seniority, the receiving Employer shall notify the sending Employer by forwarding a “Portability Form” to the sending Employer. That Employer will complete the form as soon as possible and forward to the receiving Employer.
5. Portability applies for employment into either a permanent or term position. In the case of a term position, all benefits/seniority, etc. are ported at the time of employment. Should the employee not obtain a permanent position in accordance with the new Employer’s collective agreement, all seniority and benefits shall terminate, unless she/he in turn obtains employment with another MGEU Employer where portability applies, and within the time lines specified.
6. Employment terminates with the sending Employer and commences with the receiving Employer, in order for portability to apply. Therefore, accrued vacation is paid out by the sending Employer; only the accrual rate is ported.

The following example is provided to assist with the application of Article 21:03 2(d) and 21:05:

Calculations are based on the following values/assumptions:

Employee hourly rate - \$30.00

Weekly earnings - \$30.00 x 40 = \$1,200.00

Hours base – 2080 per annum

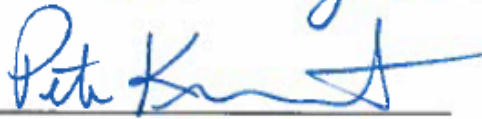

EI Maximum Amount - \$457.00 / week

Employee fulfills 50% of service requirement (total service requirement would be 2080 x .5 = 1040)

Re: Application of Overtime Rates for Call Back

The purpose of this Memorandum is to provide clarification on the interpretation and application of Article 13:05 for the payment of callback. Implementation of this memorandum to be effective the second full pay period following the final date of ratification (May 30, 2004).

For the purpose of this Memorandum, a calendar day is defined as the period of time between 0001 hours and the next succeeding 2400 hours. For the purpose of this Memorandum, a callback commencing before midnight and ending after midnight into the next calendar day shall be calculated as if the callback occurred entirely within the first calendar day.

1. FULL TIME EMPLOYEES

- (a) Multiple callbacks while on standby on a day other than a scheduled day off or a General Holiday - One and one-half times (1 ½ X) rate is payable. Two times (2X) rate is payable for time actually worked when an employee works in excess of three (3) hours while on standby within any one (1) calendar day.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works two (2) hours.

The employee is paid two (2) hours at one and one-half times (1 ½ X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works two (2) hours.

The employee is paid one (1) hour at one and one-half times (1 ½ X) rate for the first hour worked and two times (2X) rate for the second (2nd) hour worked. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 3rd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (b) Callbacks on a scheduled day off (except when such days off are a General Holiday) - Two times (2X) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two times (2X) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (c) Callbacks on a General Holiday - Two and one-half times ($2\frac{1}{2} X$) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

2. PART TIME EMPLOYEES

- (a) Multiple callbacks while on standby on a day other than a General Holiday - One and one-half times ($1\frac{1}{2} X$) rate is payable. Two times (2X) rate is payable for time actually worked when an employee works in

excess of three (3) hours while on standby within any one (1) calendar day.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works two (2) hours.

The employee is paid two (2) hours at one and one-half times (1 ½ X) rate. The employee is also paid one and one half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works two (2) hours.

The employee is paid one (1) hour at one and one-half times (1 ½ X) rate for the first hour worked and two times (2X) rate for the second (2nd) hour worked. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 3rd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (b) NOTE: This provision applies only to callback while on standby on a day where a part-time employee is not scheduled to work a regular shift, but has worked full-time hours within the bi-weekly pay period.

Two times (2X) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two times (2X) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (c) Callbacks on a General Holiday - Two and one-half times ($2\frac{1}{2} X$) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

3. CASUAL EMPLOYEES

- (a) Multiple callbacks while on standby on a day where the casual employee has worked the applicable full-time daily hours of work other than a General Holiday.

One and one-half times (1 ½ x) rate is payable. Two times (2X) rate is payable for time actually worked when an employee works in excess of three (3) hours while on standby within any one (1) calendar day.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works two (2) hours.

The employee is paid two (2) hours at one and one-half times (1 ½ X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works two (2) hours.

The employee is paid one (1) hour at one and one-half times (1 ½ X) rate for the first hour worked and two times (2X) rate for the second (2nd) hour worked. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 3rd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (b) NOTE: This provision applies only to callback while on standby on a day where a casual employee is not scheduled to work a regular shift, but

has worked the applicable full-time hours within the bi-weekly pay period.

Two times (2X) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two times (2X) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

(c) Callbacks on a General Holiday

The employee is paid one and one-half ($1\frac{1}{2}X$) rate until hours worked on the General Holiday reach the full-time daily hours of work.

- (i) Employee works a scheduled full shift on the General Holiday:

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two and one-half times ($2\frac{1}{2}X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times ($2 \frac{1}{2} X$) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two and one-half times ($2 \frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (ii) Employee has not worked a regular shift but is on standby:

For example, an employee is on standby and is called to report for duty five (5) times within the calendar day. Example based on full-time regular hours of eight (8) hours per day:

- 1st callback - Employee works one (1) hour.

The employee is paid one and one-half times ($1 \frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid one and one-half times ($1 \frac{1}{2} X$) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid one and one-half times ($1 \frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 4th callback - Employee works two (2) hours.

The employee is paid one and one-half times ($1 \frac{1}{2} X$) rate for one (1) hour. As the employee has now worked the full-time

daily hours, the employee is paid two and one-half times ($2\frac{1}{2} X$) rate for the remaining two (2) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 5th callback - Employee works one (1) hour.

The Employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (d) Multiple callbacks while on standby on a day where the employee has not worked the applicable full-time daily hours. - Straight time (1X) rate payable for not less than three (3) hours for each callback. Should the casual employee work in excess of the daily full-time hours of work, “a” above shall apply.

First example, an employee is on standby and is called to report for duty four (4) times within the day. Example based on full-time regular hours of eight (8) hours per day.

- 1st callback - Employee works four (4) hours.

The employee is paid four (4) hours at straight time (1X) rate.

- 2nd callback - Employee works for two (2) hours.

The employee is paid three (3) hours at straight time (1X) rate, which satisfies the minimum guarantee of three (3) hours pay.

- 3rd callback - Employee works three (3) hours.

The employee is paid two (2) hours at straight time (1X) rate and one (1) hour at one and one-half times ($1\frac{1}{2} X$) rate, as the employee has now worked the full-time daily hours.

- 4th callback - Employee works five (5) hours.

The employee is paid two (2) hours at one and one-half times (1 ½ X) rate and three (3) hours at two times (2X) rate.

Second example, an employee is on standby and is called to report for duty two (2) times within the day. Example based on full-time regular hours of eight (8) hours per day.

- 1st callback - Employee works twelve (12) hours.

The employee is paid eight (8) hours at straight time (1X) rate, three (3) hours at one and one-half times (1 ½ X) rate, and one (1) hour at two times (2X) rate.

- 2nd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate and one (1) hour at one and one-half times (1 ½ X) rate, which satisfies the minimum guarantee of three (3) hours at overtime rates.

Re: Me Too

Should the “MAHCP Standardization Process” or the “Recruitment and Retention Commitment” negotiated in the MAHCP collective agreements with an expiry date of March 31, 2018, provide for a higher hourly wage rate for any classification that is the exact equivalent to MGEU Prof/Tech agreements (PMH, SS-SH, IERHA, Eden MH, DSM or MTCC) classifications, such higher salary will be applied to the same MGEU Prof/Tech classification effective the same date.

Should subsequent collective agreements covering Health Care Sector Professional/Technical employees as represented by another health care Union provide for a higher salary settlement for any classification than that negotiated for the same MGEU Prof/Tech classification, such higher salary will be applied to the same MGEU Prof/Tech classification effective the same date. In the event that another health care Union representing Professional/Technical employees achieves a general increase to its membership that is greater than that provided to the MGEU Prof/Tech membership that increase will be applied to the MGEU Prof/Tech members effective the same date as it is applied to the other Union. This applies to collective agreements with an expiry date of March 31, 2018.

NOTE: For clarity, any classification identified in the “MAHCP Standardization Process” will be subject to receive an adjustment up to the new standardized hourly rate if applicable but not an increase above that new standardized rate.

Re: Workload Review Process

WHEREAS the Parties mutually recognize that resolving the employees' workplace issues, including workload concerns, supports the delivery of effective patient services, and contributes to a healthy work environment, the Parties therefore agree as follows:

- 1. Employees shall be entitled and encouraged to complete workload forms for workload issues. The forms must be completed in full and must specifically identify the workload concern.**

The forms shall be readily accessible at all sites. Forms that are not fully completed will be returned to the originator for completion.

- 2. The forms shall be produced by the Employer. Once the employee has completed the form, the following shall occur:**
 - (i) The employee shall retain a copy for their reference and must also forward a copy to MGEU.**
 - (ii) The original copy will be forwarded to Corporate HR who will follow up with the appropriate DSM Operations Director to complete and return (photocopies) to the Union and Employer Workload Committees.**

- (iii) The DSM Operations Director will retain a copy for review and trend analysis and will also forward a copy of the completed document to the Executive Director Operations.
3. The DSM Operations Director will respond to workload forms in a timely fashion.
 4. DSM will review any trends or issues that become apparent as a result of the completion of said forms.
 5. The MGEU may appoint two (2) employees and one (1) staff representative to review workload forms and communicate with affected employees, as required.
 6. The two (2) appointed employees shall be granted time off as required, but in any event, not more frequent than one (1) shift every three (3) months. The cost of said time off and other related costs will be borne by the MGEU.
 7. Up to two (2) workload management representatives and one (1) staff representative will review the completed forms and conduct quarterly meetings with the two (2) Union workload members to fully review. Such discussions will take place at the regularly scheduled Union/Management Advisory Committee meetings as described in Article 32.
 8. Mutually agreed upon recommendations on methods to handle workload concerns will be submitted to DSM Senior Management Team or designate.
 9. In the event the Union believes that there continues to be unresolved workload issues after two (2) months of the recommendation submission, an MGEU representative and the workload committee members will schedule a meeting with the DSM Senior Management Team or designate. Meetings are to be scheduled in a timely fashion.

10. The parties agree to work collaboratively on unresolved issues related to substantiated workload issues.
11. The above process will commence within thirty (30) days of ratification of the new Collective Agreement unless agreed otherwise.
