### WITNESSETH:

That for the purpose of promoting co-operation and understanding between the Corporation and its employees affected hereby and to recognize the mutual value of joint discussions and negotiations with respect to compensation for employees, including the establishment of pay ranges for new classes of employees and the adjustment from time to time of pay ranges for existing classes of employees and working conditions of employees, the parties hereto agree as follows:

A term employee's position may be terminated by the Corporation prior to the end of a specific term of employment, for any reason, and not subject to grievance or arbitration except for the issue of notice or payment in lieu of notice. The extension of a term position or the rehiring of a term employee is based on management's sole discretion.

  - (b) The employee may file a grievance at Step 2 of the grievance procedure.

## Article 8 Personnel Selection

- 8:01** Subject to **Article** 11:05, the Corporation shall, wherever possible, fill vacant or new positions by competition from within its present employees. The selection of employees who apply shall be on the basis of ability, qualifications and prior work performance. Where, in the opinion of the Corporation ability, qualifications and prior work performance are considered equal, seniority shall be the determining factor.
- 8:02** When a vacancy occurs within the bargaining unit, the Corporation shall bulletin the position specifying a closing date at least five (5) working days after the date on which the position is bulletined and all employees of the

Corporation shall be eligible to apply. The closing date for a bulletin may be altered by mutual agreement of the parties.

- 8:03** Where response to a bulletin, in the opinion of the Corporation, fails to provide a suitably qualified candidate, the Corporation shall be at liberty to fill the vacancy in any manner it chooses.
- 8:04** Wherever possible, the Corporation shall endeavour to fill any vacancy within a reasonable period following the closing date of the bulletin.
- 8:05** Where an employee has submitted an application to a bulletined position, the Corporation shall issue a written reply to the employee, within ten (10) working days following the date of selection of the successful candidate, advising him of the outcome. Upon written request from the employee within ten (10) working days of the date of the receipt of the written reply, the Corporation agrees to discuss the reason(s) why he was not the successful candidate and at the employee's option, he shall have the right to have a representative present at such time.
- 8:06** Where an employee is promoted to a **higher** classification, he shall be paid at a rate of pay set out in the pay range for the classification that is at least one full increment more than the rate of pay he was being paid in his former classification, but in no case shall the new rate exceed the maximum rate of pay for the new classification.

### **Article 9 Temporary Appointment with Acting Status**

- 9:01** Where the Corporation certifies that a person employed in one position has temporarily taken over and has continued to perform for ten (10) or more consecutive working days, the duties and responsibilities of some other position having a higher grade of pay, he shall be appointed temporarily to that other position from the date of taking over the duties and responsibilities of that other position until the temporary appointment is revoked; and upon the temporary appointment being revoked he shall, unless he is appointed or promoted to some other position, revert to his original position and be paid

the rate of pay for his original position that he would be paid if he had never held the temporary appointment.

#### **Article 10 Probation**

- 10:01** Every person appointed to a position within the bargaining unit shall be on probation for a period of six (6) months.
- 10:02** An employee's probation period may be extended by the Chief Executive Officer or designate. Such extension may be for a maximum period of six (6) months. In the event of a lengthy absence due to illness or injury during the probation period, the employing authority may extend the probation period for longer than twelve (12) consecutive months, subject to agreement of the Union. The total time spent on probation while at work, however, shall in no circumstance exceed twelve (12) months.
- 10:03** An employee shall be notified in writing of any extension of the probation period under Article 10:02 prior to the expiry of the probation period. A meeting may be held with the employee to discuss the extension. The employee has the option to have a representative present.
- 10:04** An employee's probation period of six (6) months plus any extension shall be considered the initial probation period. This initial probation period shall not exceed twelve (12) months except as outlined in Article 10:02.
- 10:05** An employee who is rejected during the initial probation period may grieve the rejection at Step 2 of the grievance procedure within fifteen (15) working days from the date the employee received notice of the rejection. The **Chief Executive Officer or designate** shall hold a meeting to discuss the grievance with the employee and the employee's representative. The decision at Step 2 shall be final for such grievances.

**10:06** If an employee is rejected on probation after promotion or transfer, the Corporation shall relocate the employee to another position at his previous classification and salary.

### **Article 11 Layoff and Recall Procedure**

**11:01** Subject to consideration of their respective abilities, qualifications and records of performance, employees will be laid off in order of seniority from the classification in which the layoff is to take place, starting with the most junior in that classification and proceeding in ascending order to the most senior. Where there are part-time employees in the classification from which the layoff is to take place they shall be laid off prior to the layoff of any full-time employee. An employee with four (4) or more years of seniority who is to be laid off may be considered by the Employer to displace the most junior employee in the Corporation in another class which has the same or lower maximum rate of pay. For this purpose, the rate of pay will be based on the biweekly rate of pay in the pay plan. The decision as to whether a displacement will occur in these circumstances is subject to a consideration of the respective abilities, qualifications and records of performance of the two (2) employees by the Employer.

**11:02** a) A full time permanent employee who is being laid off shall receive written notice from the Corporation of the date on which he is to be laid off at least four (4) weeks prior to that date. A part time permanent employee will receive two (2) weeks' notice.

(b) Where the Corporation is unable to provide proper notice as in (a) above the employee shall receive pay in lieu of such notice.

**11:03** Continued overtime shall not be worked in any area of employment where a layoff of employees is in effect.

**11:04** An employee who is laid off shall have his name placed on a re-employment list and the Corporation shall provide the Union with a copy of such re-employment list and any alterations to it.

- 11:05** Employees whose names appear on the re-employment list shall be recalled to fill any vacant or new position in order of seniority starting with the most senior and descending in order to the most junior, provided they are able and qualified, in the opinion of the Corporation, to do the work of the vacant or new position.
- 11:06** An employee will be given notice of recall to work by registered letter sent to his last known address. If within seven (7) calendar days of the receipt of such notice, an employee fails to report for work, or fails to advise the Corporation that he will report for work within fourteen (14) calendar days, he shall be considered to have voluntarily resigned.
- 11:07** Where an employee whose name appears on the re-employment list has not been called back to work within two years from the date he was laid off or has resigned from the re-employment list, he shall have his name removed from the re-employment list and shall cease to be an employee.

## **Article 12 Resignations**

- 12:01** An employee who wishes to resign shall provide the Corporation with a written notice which specifies the date the resignation is to be effective in accordance with the following:
- (a) For employees with at least thirty (30) calendar days but less than one (1) year of employment, at least one (1) weeks' notice is required,
  - (b) For employees with at least one (1) year employment, at least two (2) weeks' notice is required.

Notice of resignation shorter than the required two (2) weeks may only be given with the approval of the Corporation.

- 12:02** The Corporation may deduct from any monies due or accruing to him, allowable deductions including but not limited to corrections of payroll errors, pay advances and over payments, compensation due and indebtedness

in accordance with Articles 20:06(c), 21:08, 22:05(b), 22:07(d) and other applicable articles.

- 12:03** An employee may, with the approval of the Corporation, withdraw his notice of resignation at any time before his resignation is to become effective.
- 12:04** Where an employee is absent without leave for a period of five (5) consecutive working days, without giving an explanation acceptable to the Corporation, he shall be considered to have abandoned his position and shall be deemed to have resigned effective the last date on which he was present at work and performed his regular duties.
- 12:05** The employee agrees to return all keys, equipment, uniforms, parking passes, training manuals, personal protective equipment, e.g. hard hats, harnesses and other materials belonging to the Employer prior to or at termination date.

### **Article 13 Disciplinary Action**

- 13:01** An employee shall only be disciplined for just cause.
- 13:02** Where the Employer schedules an investigatory meeting regarding an employee's conduct, the Employer shall advise the employee that his or her conduct is the subject of the investigation. The employee will be provided with reasonable notice of the meeting and advised of his or her right to have a Union representative attend the meeting. It is the employee's responsibility to arrange attendance by a representative of the Union.
- 13:03** Where a meeting is scheduled by the Employer to impose disciplinary action, the employee shall be advised that the meeting is a disciplinary meeting and shall be provided with reasonable notice of the meeting. The employee shall be advised that he/she has the right to have a Union representative at the meeting. It is the employee's responsibility to arrange attendance by a representative of the Union.

- 13:04 Where the Employer issues disciplinary action in writing, the Employer shall normally meet with the employee to communicate the areas of concern and the remedial action expected. Where the written disciplinary action is provided to the employee in a meeting, the employee shall sign a copy of the document only to confirm receipt of the disciplinary action. All disciplinary actions which are confirmed in writing shall be placed on the employee's file. A copy of the disciplinary action shall also be provided to the employee.
- 13:05 An employee may grieve any disciplinary action according to the grievance procedure.
- Grievances concerning demotion, suspension or dismissal shall be initiated at Step 2 of the grievance procedure.
- 13:06 The person or board to whom a grievance is made may:
- (a) Uphold the disciplinary action; or
  - (b) Vary the disciplinary action; or
  - (c) Determine that no disciplinary action is warranted and remove any document pertaining to the disciplinary action from the employee's file(s).
- 13:07 No notice or payment in lieu thereof is required where an employee is dismissed.

#### Article 14 Grievance Procedure

- 14:01 The parties to this Agreement recognize the desirability for prompt resolution of grievances through an orderly process without stoppage of work or refusal to perform work.
- 14:02 A "grievance" is defined as a complaint in writing concerning:

- (a) The application, interpretation, or alleged violation of an Article of this Agreement or a signed Memorandum of Understanding or a signed Memorandum of Agreement between the parties;
- (b) The dismissal, suspension, demotion, or written reprimand of an employee.

The above categories of grievances can be processed up to and including Step 3 of the grievance procedure.

- 14:03 Notwithstanding Article 14:02, an employee may complain or grieve on any unsatisfactory working condition up to and including Step 2 of the grievance procedure. The decision at Step 2 shall be final for such grievances.
- 14:04 Where a grievance has been initiated and the nature of the grievance is such that it has or potentially could have widespread application affecting a number of employees in more than one (1) department; and where as a result the Union deems it impractical that each affected employee grieve separately, the Union shall have the right to present a group grievance on those matters as defined in Article 14:02(a). A group grievance shall be presented directly to the Chief Executive Officer within twenty (20) working days following the date upon which the employee(s) were notified orally or in writing, or on which the employee(s) first became aware of the action giving rise to the grievance.
- 14:05 Where either party to this Agreement disputes the general application, interpretation or alleged violation of an Article of this Agreement or a signed Memorandum of Understanding or a signed Memorandum of Agreement between the parties, either party may initiate a policy grievance. Where such a grievance is initiated by the Union and involves employees in more than one (1) department it shall be presented to the Chief Executive Officer. Where such a grievance is initiated by the Employer it shall be presented to the President of the

Manitoba Government and General Employees' Union. In all cases the grievance shall be presented within twenty (20) working days from the date of the action giving rise to the grievance.

- 14:06 Where the parties fail to resolve a grievance under Article 14:04 or 14:05, either party may refer the grievance to Step 3 of the grievance procedure. It is agreed and understood that grievances which have been submitted and dealt with as individual grievances may not subsequently be submitted as a policy grievance.
- 14:07 Notwithstanding Article 14:09, a grievance filed under Article 14:05 shall not require the signature of an employee.
- 14:08 If an employee or the Union fails to initiate or process a grievance within the prescribed time limits, the grievance will be deemed to be abandoned and all rights of recourse to the grievance procedure for that particular grievance shall be at an end. If Management fails to reply to a grievance within the prescribed time limits, the employee or the Union may process the grievance to the next step. Either party may request an extension of the time limits providing such extension is requested prior to the expiry of the time allowed. An extension, if requested, shall not be unreasonably withheld.
- 14:09 Wherever possible, the grievance shall be presented on the Official Grievance Form. A written description of the nature of the grievance and the redress requested shall be sufficiently clear and if the grievance relates to an Article of the Agreement, such Article shall be so stated in the grievance. The grievance shall be signed by the employee and may be clarified at any step providing its substance is not changed. A form authorizing the Union to act on the employee's behalf will accompany the grievance. Except for failure to meet the time limits, a grievance shall not be deemed to be invalid if it is not written on the Official Grievance Form or for failure to quote the Article in dispute.

- 14:10 It is mutually agreed that an effort shall be made to resolve complaints through discussion before a written grievance is initiated. The aggrieved employee shall have the right to have a representative present at such a discussion.
- 14:11 An employee has the right to representation by a Union representative at any step of the grievance procedure.
- 14:12 Step 1:
- (a) Within twenty (20) working days after the date upon which the employee was notified orally or in writing, or on which the employee first became aware of the action or circumstances giving rise to the grievance, the employee shall present the grievance with the redress requested to the department head or designate;
  - (b) The department head or designate shall sign for receipt of the grievance and if the nature of the grievance is such that the department head or designate is authorized to deal with it, the department head or designate shall issue a decision in writing to the employee and to the Union within fifteen (15) working days;
  - (c) The department head or designate may hold a hearing to discuss the grievance with the employee and the employee's representative before giving a decision on the grievance;
  - (d) If the nature of the grievance is such that a decision cannot be given below a particular level of authority, the department head or designate shall forward the grievance to the appropriate authority at the appropriate step of the grievance procedure and so inform the employee and the Union. The time limits and the procedures of the appropriate step shall then apply;
  - (e) Where the department head or designate at Step 1 is a steward or officer of the Union, the grievance shall automatically be referred by the department head or designate to Step 2.

**14:13 Step 2:**

- (a) If the grievance is not resolved satisfactorily at Step 1, the employee shall submit the same grievance and the redress requested to the Chief Executive Officer or designate within fifteen (15) working days of the receipt of the decision at Step 1;**
- (b) The Chief Executive Officer or designate shall sign for receipt of the grievance and issue a decision in writing to the employee and to the Union within fifteen (15) working days of receipt of the grievance.**
- (c) For those grievances defined in accordance with Article 14:02, the Chief Executive Officer or designate may hold a hearing to discuss the grievance with the employee and the employee's representative before giving a decision on the grievance. For those grievances concerning unsatisfactory working conditions as defined in Article 14:03, the Chief Executive Officer or designate shall hold a hearing to discuss the grievance with the employee and the employee's representative before giving a decision on the grievance.**

**14:14 Step 3:**

#### DEFINITIONS

- 1:01** “Part-time Employee” means an employee who normally works less than the full normal daily, weekly or monthly hours of work, as the case may be, and whose work follows an ongoing, predetermined schedule of work on a regular and recurring basis.
- 1:02** “Casual Employee” means an employee who normally works on an “as, if and when” needed basis and who may work less than the full normal daily, weekly or monthly hours of work, as the case may be, and whose work may be irregular, or non-recurring or may not follow an ongoing predetermined schedule of work on a regular and recurring basis.
- 1:03** “Accumulated Service” means the equivalent length of service acquired by an employee by virtue of his employment.
- e.g.: For an employee in **an** 8 hour per day classification:
- 8 hours work equals one day of accumulated service;
- 40 hours work equals one week of accumulated service;
- 80 hours work equals one bi-weekly pay period of accumulated service;
- 173.33 hours work equals one month of accumulated service;
- 2080 hours work equals one year of accumulated service;
- (a) For purposes of accumulated service, overtime hours are not included.
- (b) Accumulated service must be continuous service. i.e. there must have been no break in service involving termination of the employee.
- 1:04** “Calendar Service” is based on continuous service with the Employer. e.g.: one year of continuous employment equals one year of calendar service.

## APPLICATION

- 2:01** The Agreement applies to part-time employees effective the first **day** of the biweekly pay period following the attainment of 336 hours of accumulated service.
- 2:02** The Agreement does not apply to casual employees except as provided for and limited to Appendix B – Casual Security Officers/Parking Lot Attendants and Building Service Workers.
- 2:03** The determination as to whether an employee is part-time or casual is the sole and exclusive right of management. The parties agree to meet in an effort to resolve any problems which may occur as to whether an employee is part-time or casual.

## CONVERSIONS

- 3:01** A part-time employee who is converted to casual is no longer covered by the Collective Agreement effective the date of his conversion except as provided for and limited to Appendix B – Casual Security Officers/Parking Lot Attendants and Building Service Workers.
- 3:02** A casual employee who is converted to part-time status must complete the service requirement set out in Article 2 but receives no credit for calendar or accumulated service as a casual employee.
- 3:03** Where a part-time employee who has been covered by the Collective Agreement has been converted to casual employment and is subsequently re-converted to part-time employment with no break in service, the period of casual employment shall be treated as a period of leave of absence. While this does not affect the continuity of his employment, the period of casual employment does not count as calendar or accumulated service for purposes of benefit determination.
- 3:04** While this does not affect the continuity of his employment, the period of casual employment does not count as calendar or accumulated service for purposes of benefit determination.

## GENERAL PROVISIONS

**4:01** Where a benefit is to be prorated for a part-time employee it will be calculated so that if two part-time employees were sharing a full-time position the total cost to the Corporation of that benefit is no greater than the cost of having the position filled by a full-time employee.

**4:02** In pro rating a benefit, the factor used shall be determined by totalling the number of regularly scheduled hours the employee has worked in the preceding eight weeks and dividing by 320, i.e. 8 hours x 8 weeks x 5 days..

i.e.: 8 hours x 8 weeks x 5 days

7 hours x 8 weeks x 5 days

Pro rating factor = number of regularly scheduled hours the employee worked in the preceding eight weeks.

320 (280)
