Preamble

WHEREAS it is the desire of both parties to this Agreement to maintain harmonious relations between the Employer and its employees, to recognize the mutual value of joint discussion and negotiations in matters pertaining to working conditions, hours of work and scales of wages paid, to encourage efficiency of operations and to promote the morale, well-being, security and efficiency of all the employees covered by the terms of this Agreement,

AND WHEREAS it is the desire of both parties that these matters be drawn up in an agreement,

NOW THEREFORE, this Agreement witnesseth that the parties hereto in consideration of mutual covenants hereinafter contained, agree each with the other as follows:

Article 1 Scope of Recognition

1:01 The Employer recognizes the Union as the sole and exclusive bargaining agent for employees in classifications included in the bargaining unit as certified by the Manitoba Labour Board, MLB Certificate No. 6392, or as may be granted voluntary recognition by the Employer and identified in Schedule "A".

1:02 Persons whose jobs are not classified within the bargaining unit shall not work on jobs on a regular and recurring basis which have been determined as being within the bargaining unit except where it has been mutually agreed upon by both parties or in the case of training or emergency.

Article 2 Management Rights

2:01 Except as expressly provided in this Agreement, the Employer has the authority and responsibility to manage, operate and generally regulate its workplace, affairs and functions.

2:02 In administering the Collective Agreement, the Employer agrees to acknowledge employee's rights, act reasonably, fairly, in good faith and in a manner consistent with the terms and conditions of the Collective Agreement as a whole.

2:03 Emergency, Disaster and Fire Plans

(a) In any emergency or disaster declared by the Director or designate, employees are required to perform duties as assigned notwithstanding any contrary provision in this Agreement.

Compensation for unusual working conditions related to such emergency will be determined by later discussion, between the Employer and the Union, and/or by means of the grievance procedure if necessary, except that the provisions of Article 15 shall apply to overtime hours worked.

(b) Where overtime is worked by reason of a disaster plan exercise or fire drill, overtime will be paid in accordance with Article 15.

(c) The importance of disaster plan exercises and fire drills is mutually acknowledged by the Employer and the Union and, to this end, participation of all employees is encouraged.

Article 3 Definitions

3:01 An employee is a person employed by the Employer and covered by this Agreement.

3:02 A "full-time" employee is one who regularly works the hours specified in Article 14.

3:03 A "part-time" employee is one who regularly works less than full-time hours, as per Article 14:01, on a regular and recurring basis.

3:04 A “term position” shall be for a specific time period or until completion of a particular project within a specific department, of a minimum duration of three (3) months and a maximum duration of one (1) year. This period may be extended if the Employer so requests and the Union agrees.

When the Employer determines that a term position, as described above exists, the position shall be posted in accordance with Article 9 and filled in accordance with Article 8. All employees may apply for the term position. The parties agree to two (2) additional term postings resulting from the original term posting as referenced above. Any additional hours occurring as a result of filling of the last position posted, shall be offered to part-time employees in accordance with Article 22:01. Upon completion of the original term position, the employees shall be returned to their former positions.

The parties agree that if a unique situation arises due to the additional two (2) postings as provided above, the Employer and the Union will meet and attempt to reach a mutually agreeable resolution. Should such a resolution not be reached, the wording above shall apply and the Employer shall be limited to the two additional postings.

For situations related to Workers Compensation and/or illness and/or accident or where a definitive expiry date cannot be specified, the Employer shall state on the job posting that the said term position will expire subject to a minimum of forty-eight (48) hours notice of return of the current incumbent to her position. The employee occupying the said term position shall receive notice equivalent to the amount of notice the employee returning from leave provides the Employer, as referenced above.

Where the Employer determines that staff are to be replaced during periods of less than three (3) months, Article 22:01 (re Part Time) and 19:04 (re Temporary Assignment) shall apply, wherever possible.

An employee in a term position may be required to complete the term before being considered for other term positions within the bargaining unit.

In case an employee on maternity or parental leave wants to exercise her right to return from such leave earlier than anticipated, having given appropriate notice as per Article 11, the Employer shall state on the job posting that the said term position is a “maternity or parental leave of absence term” which may expire sooner than indicated, subject to minimum notice of two (2) weeks or one (1) pay period, whichever is longer. Any term positions directly resulting from the filling of such a term position will be posted in the same manner.

- 3:05** All new full-time employees shall be on probation for six (6) calendar months with provision for an extension of the probationary period for another three (3) months, and all new part-time employees shall be on probation for six (6) calendar months from the day of their employment. During such period the employee shall not have recourse to the grievance procedure for reasons of termination of employment for unsuitability or unsatisfactory performance. A written appraisal of employee progress will be conducted after the first two (2) calendar months for full-time employees and after the first four (4) calendar months for part-time employees and discussed with the affected employee.
- 3:06** A “casual employee” **means an employee who is** called in occasionally by the Employer to replace a **full-time or part-time** employee or to supplement regular staff coverage **in situations of staff shortages.**
- 3:07** Where the context so requires, masculine and feminine genders and singular and plural numbers shall be considered interchangeable.
- 3:08** The term “Employer” shall mean the Medical Transportation Coordination Centre.
- 3:09** The term “Union” shall mean the Manitoba Government and General Employees’ Union as per Manitoba Labour Board Certificate No. MLB-6392.

- 3:10** The word “promotion” shall mean a change from one (1) grade to another grade with a higher maximum rate of pay.
- 3:11** The word “demotion” shall mean a change from one (1) grade to another grade with a lower maximum rate of pay.
- 3:12** The word “transfer” shall mean a change by an employee from one (1) position in a grade to another position within the same grade in Schedule “A”.
- 3:13** "**Continuous Service/Length of Employment**" shall mean the period of time since an employee last became a full-time or part-time employee **in a permanent or term position** for purposes of calculating all entitlements pursuant to this Agreement including, but not limited to, vacation, bonus vacation and pre-retirement leave and "Length of Service" shall have a similar meaning. Conversion from full-time or part-time status to casual status shall be considered a break in service and no period of casual employment or prior full-time or part-time employment **in a permanent or term position** shall be included in an employee's length of employment or length of service even when a casual employee subsequently becomes a full-time or part-time employee.
- 3:14** Basic Pay, Rate or Salary means the amount indicated in Schedule “A”.
- 3:15** “Authorized overtime” shall mean overtime authorized by the Employer and where the term overtime is used in this Agreement, it shall mean authorized overtime.

Article 4 Casual Employees

- (g) In the event that no payment is made during the pay period, the Employer shall have no responsibility to deduct and submit dues for that period.
- (h) Seniority shall accumulate on the basis of all regular hours worked for the sole purpose of attaining a permanent position or term position, subject to Article 9:02. Such casual seniority will not take priority over full-time or part-time employee seniority.
- (i) Articles 7 and 8 herein apply only with respect to the terms of this Article.
- (j) Casual employees will be paid four point six two percent (4.62%) of their basic pay in lieu of time off on recognized holidays. Such holiday pay shall be calculated on all paid hours (excluding overtime hours as defined in Article 15) and shall be included in each regular pay cheque.
- (k) When a term position is posted and a casual employee is awarded the position, at the completion of the term, the casual employee shall retain

such term hours, as well as previous casual hours as a combined total for the sole purposes of application as per **4:01(h)**.

5:06 All new employees shall, as a condition of employment, become and remain members in good standing in the Union as of the date of hire.

The Union will provide the Employer with Union membership application forms. The Employer shall distribute said application forms within its employment process and advise new employees that they must be a member of the Union to work in the site. The new employee will be directed to fill out the form and give it to the Union's designated officer at the workplace.

- (c) If the Union and the Employer fail to agree upon measures to protect the employees from any adverse effects, the matter may be referred by either party to arbitration as provided for under the terms of this Agreement.

6:02 An employee who is displaced from her job as a result of technological change shall be given the opportunity to fill any vacancy within the workplace comprising the Medical Transportation Coordination Centre for which she has seniority and for which she has the qualifications and ability to perform. If there is no suitable vacancy, she shall have the right to displace any employee with less seniority in accordance within the layoff procedures specified in this Agreement.

- 6:03**
- (a) Where new or greater skills are required than are already possessed by affected employees under the present methods of operations as a result of the technological change, the Employer agrees that employees shall be trained on the new equipment or new methods of operation, and said training shall be provided and paid for by the Employer during normal working hours if possible. In addition, at the option of the Employer, the employee may be trained in a new area in respect of which there is a demand within the facility for individuals possessing such skills. A reasonable training period (not to exceed twelve [12] months) will be provided by the Employer. During the above training periods the employees shall be paid at their current rate of pay.
 - (b) The Employer agrees that where two (2) or more employees require training in (a) above, first consideration shall be given to the employee with the most seniority.

- 7:01** A grievance shall be defined as any dispute arising out of interpretation, application, or alleged violation of the Agreement.

At the expiration of the twenty (20) days, the above seniority list, as corrected within such twenty (20) days, shall be considered to be the accurate list and shall not be subject to further changes until the next posting.
- (b) A seniority list shall be distributed, upon written request, to the local Union Representative on a semi-annual basis.

Article 10 Vacancies, Promotions and Transfers

- 10:01** (a) Vacant positions which fall within the scope of this Agreement shall be posted in the workplace for a period of at least seven (7) calendar days. Such postings shall be numbered, state required qualifications, hours of work and wage rate. A copy of each posting shall be given to the Union site representative at the time of posting. The Union shall, upon request be informed in writing of the names and seniority of the applicants. When a position becomes vacant, and the Employer chooses not to fill the vacancy, the Employer shall notify the Union.

10:03 All promotions and voluntary transfers are subject to a three (3) month trial period (six [6] months for part-time employees) and if an employee is found by the Employer to be unsatisfactory in her new position during this trial period, she shall be returned to her former position without loss of seniority, as per Article **9:01**. All other employees so affected may be returned to their former positions as required without any notice requirement. In addition, the parties agree that the Employer may extend the above referenced trial period by up to three (3) months for full-time and up to six (6) months for part-time employees if it deems it appropriate.

10:04 When an employee is promoted, her new and future salary will be determined as follows:

The new salary will be the rate of her new job title, which is at least five percent (5%) higher to her rate on her former job title.

10:05 Where an employee is voluntarily demoted from a position in a higher grade to a position in a lower grade, she shall be placed on the same increment step of the lower graded position.

11:02 In the event of a reduction in the work force, employees will be laid off in reverse order of seniority within their occupational grade, and department/unit. When reducing staff, senior employees may exercise their

seniority to displace a less senior employee in an equivalent or lower grade provided the employee has a satisfactory work record, possesses the qualifications, and meets the physical requirements of the position in question.

- 11:03** No new employee shall be hired until those laid off have been given an opportunity to bid on vacated positions as per Article 9:02 of the Collective Agreement.
- 11:04** Employees laid off in accordance with Article 11:01 shall be recalled by order of seniority to available positions in equal or lower paid occupational grade/classification, provided they are qualified to perform the required work.

Manitoba Government and General Employees' Union**Re: "Me Too"**

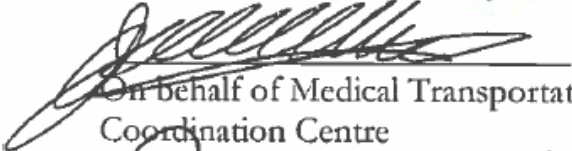

Should the "MAHCP Standardization Process" or the "Recruitment and Retention Commitment" negotiated in the MAHCP collective agreements with an expiry date of March 31, 2018, provide for a higher hourly wage rate for any classification that is the exact equivalent to MGEU Prof/Tech agreements (PMH, SS-SH, IERHA, Eden MH, DSM or MTCC) classifications, such higher salary will be applied to the same MGEU Prof/Tech classification effective the same date.

Should subsequent collective agreements covering Health Care Sector Professional/Technical employees as represented by another health care Union provide for a higher salary settlement for any classification than that negotiated for the same MGEU Prof/Tech classification, such higher salary will be applied to the same MGEU Prof/Tech classification effective the same date. In the event that another health care Union representing Professional/Technical employees achieves a general increase to its membership that is greater than that provided to the MGEU Prof/Tech membership that increase will be applied to the MGEU Prof/Tech members effective the same date as it is applied to the other Union. This applies to collective agreements with an expiry date of March 31, 2018.

NOTE: For clarity, any classification identified in the "MAHCP Standardization Process" will be subject to receive an adjustment up to the

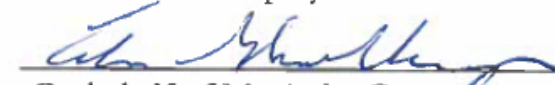

new standardized hourly rate if applicable but not an increase above that new standardized rate.
