- (iii) In the event that the Employer determines a vacant shift will not or cannot be filled the House Manager/Supervisor shall, in consultation with the staff, evaluate and reorganize the workload if required, and provide direction to staff as to which activities take priority, and where appropriate, functions that they will not be able to complete.

The terms of this Article include those shifts assigned in the SIL program.

**16:13** The parties agree that as positions become vacant through attrition, prior to the posting of the vacancy, the Employer and the Union shall meet to discuss and distribute where possible, the available hours to other positions, in order to create as many full-time positions as possible.

It is understood that all costs associated with the client's vacation will be specifically identified separately on the Supported Individual Vacation Budget form and such costs shall not be incurred by the employee, but shall be incurred by the client(s) applying for the vacation.

### **Article 17 Seniority**

**17:01** (a) Seniority will mean the length of service in the employ of the Employer based on the total number of hours worked from the employee's last starting date and will be recognized on a bargaining unit wide basis. The maximum amount of seniority attainable is 2,080 hours per year.

  - (c) Layoffs within the bargaining unit will be determined by seniority with the person with the least seniority being laid off first, provided that the remaining employees have the necessary qualifications, skill and ability to perform the required work. If qualifications and ability are relatively equal, then seniority will be the deciding factor. Layoff notices will state the reason(s) for the layoff and the expected duration of the layoff.
- 18:03** An employee selected for lay-off may exercise an option to displace an employee with less seniority in the same or lower classification.

The employee exercising the displacement option must have the qualifications, ability and client compatibility to perform the work of the person they are seeking to replace. The employee will have a familiarization period of five hundred and twenty (520) hours.

above. This process shall continue in this manner until there are no displacement opportunities.

**18:04** For purposes of the Agreement, “qualifications” refers to education, knowledge, training, skills, experience, aptitude and competency; “ability” refers to mental and physical ability.
