Preamble

WITNESSETH THAT WHEREAS it is the desire of both parties to this Agreement to maintain harmonious relations, to promote cooperation and understanding between the Employer and its employees, to recognize the value of joint discussions and negotiations in all matters pertaining to working conditions, hours of work, and scale of wages, to promote the well-being of all the employees of the Employer, and to promote the efficient operation of the Centre.

NOW, THEREFORE, the Employer and the Union mutually covenant and agree as follows:

Article 1 Scope of Recognition

1:01 The Employer recognizes the “Manitoba Government and General Employees Union” as the sole bargaining agent for all employees of the Employer as defined in the Manitoba Labour Board Certificate No.MLB-5819 issued on **July 31, 2001**.

For clarification, bargaining unit scope is limited to those employed in classifications outlined in Schedule “A” attached to and forming part of this Agreement.

1:02 Classifications may be added to or deleted from Article 1:01 above by written agreement between the Employer and the Union. In case of failure to reach agreement on wages and/or conditions of a new classification, the matter shall be decided by the grievance and arbitration provisions of this Agreement. In case of a dispute as to whether a classification should or should not come under the Collective Agreement, the matter shall be referred to the Manitoba Labour Board for a ruling.

1:03 (a) It is agreed that there shall be no discrimination against any employee by the Employer or the Union because of race, creed, colour, political beliefs, age, sex, nationality, ancestry, place of origin, physical or emotional handicap, sexual orientation, family status, conviction for an offense for which a pardon has been received or union activity. The Employer and the Union further agree that there shall be no

discrimination against any blood donor, recipient and/or other Canadian Blood Services volunteers.

- (b) In accordance with the Canadian Blood Services Harassment Policy as amended from time to time, the Employer shall:
- (i) Provide a work environment free of harassment; and
 - (ii) Inform all employees of this policy, including their rights and responsibilities; and
 - (iii) Establish a procedure for receiving and investigating complaints of harassment based on the principles of confidentiality and natural justice.

1:04 The Employer and the Union agree to reasonably accommodate the special needs of individuals where these needs stem from the group factors specified in the Manitoba Human Rights Code.

1:05 The Employer recognizes that every employee within the scope of this Agreement shall have the right to be admitted as a member of the Union and to participate in the lawful activities thereof.

Article 2 Management Rights

2:01 The parties hereto agree that the operations of the Employer entail working methods, hours and processes which are peculiar to it. The parties hereto further recognize that the function of the Employer is that of a public service with a humanitarian purpose.

2:02 The Union further acknowledges that it is the exclusive function of the Employer to manage and control the Canadian Blood Services operations, subject to the express provisions of this Agreement, and without limiting the generality of the foregoing to:

- (a) Maintain order, discipline and efficiency;
- (b) Hire, discharge, transfer, promote, classify, demote, discipline, suspend, layoff, transfer and assign work to employees, and introduce new

methods or facilities, provided that a claim that an employee has been discharged or disciplined without just cause may be the subject of a grievance and dealt with as hereinafter provided;

- (c) Manage, control, continue, discontinue in whole or in part the Employer's operations, and without restricting the generality of the foregoing, to determine the number of employees, schedules of production, kinds and locations of machines and processes to be used and the scheduling and conducting of clinics and deliveries and the determination of their locations, in accordance with the function of the Employer as a humanitarian service.

2:03 The Union further recognizes that all employees who form part of a clinic team must help each other.

2:04 In administering this Agreement, the Employer shall act reasonably, fairly, in good faith, and in a manner consistent with the Agreement as a whole.

Article 3 Representation

3:01 The parties to this Agreement hereby agree to notify each other in writing of their respective representatives authorized to function on any committee or proceeding covered by the terms of this Agreement.

3:02 Union representatives shall be granted necessary time off with regular pay to meet with the Employer for the purpose of processing grievances, conducting negotiations, and while serving on any joint committee established by this Agreement, subject to a maximum cost to the Employer of maintaining regular salaries for up to four (4) employees so engaged. Operational requirements permitting one (1) additional employee may be granted necessary time off without pay, in accordance with Article 5:08, for the purpose of conducting negotiations only.

Union activities other than those provided for in this article shall not be conducted during the hours of duty of any employee without prior

authorization by the employee's supervisor, and such authorization shall not be unreasonably withheld.

- 3:03** The Employer agrees to provide space on the employees' notice board, for the Union to post thereon notices relating to Union affairs which bear the signature of an authorized Union representative. The Employer reserves the right to remove posted material if considered damaging to the Employer.
- 3:04** The Local President and the Union Representative shall be ex-officio members of any committee within the scope of this Agreement.
- 3:05** One copy of this Agreement shall be provided by the Union to each Union member. On request, the Union will provide free of charge to the Employer a copy of this Agreement for each supervisor and designate.

Article 4 Duration

- 4:01** This Agreement, shall take effect, except as otherwise specifically indicated hereunder, from April 1, **2014** and shall remain in full force until March 31, **2017**. All changes in the Collective Agreement as a result of negotiations are effective the date of signing of this renewal Agreement, unless otherwise stated herein.
- 4:02** Should either party to this Agreement desire to amend or terminate this Agreement, or to negotiate a new Agreement, such party shall notify the other party in writing of its intention, not less than ninety (90) days prior to the expiration date hereof. Proposed amendments to the Collective Agreement shall be submitted, in writing, at a meeting between the parties within thirty (30) days following such notice.
- 4:03** If notice is given under Article 4:02, negotiations shall commence not earlier than thirty (30) calendar days prior to the expiration date hereof, unless otherwise mutually agreed upon by the parties to this Agreement.
- 4:04** If notice is not given under Article 4:02, this Agreement shall be renewed without change for a further period of one (1) year.

4:05 The provisions of this Agreement shall continue in effect following the expiry date until replaced by a new Agreement or until the declaration of a strike or lockout, whichever occurs first.

Article 5 Union Security and Dues Check-Off

5:01 The Employer shall deduct from each employee in the bargaining unit the current dues as directed in writing by the Union.

5:02 Dues shall be deducted from all employees in the bargaining unit who are receiving remuneration from the Employer. The Union shall save the Employer harmless from any claims or demands from employees covered by this Agreement as a result of dues having been collected under and by virtue of this Article.

5:03 The Employer will remit to the Manitoba Government Employees Union, 601-275 Broadway, on or before the fifteenth (15) day of the month following that in which deductions were made, the amount of dues deducted, accompanied by a list showing the name of each employee from whom deductions have been made.

5:04 The Union shall notify the Manager, Human Resources in writing of any change in the amount of dues at least one (1) month prior to the effective date of such change.

5:05 The Employer agrees to advise the Union of all newly hired employees (showing employee name, date of hire, home address), terminated employees and employee status change.

5:06 Employees will be required to submit to the Employer written notification within three (3) days of any change of address and/or telephone number. The Employer will forward such changes in address to the Union.

5:07 All employees hired subsequent to January 1, 1978, shall, on the date of hire, apply for membership in the Union.

- 5:08** (a) Upon written request at least fourteen (14) calendar days in advance where possible, employees appointed or elected to attend to Union affairs shall be granted leave of absence subject to the staffing requirements of the Employer. Such leave shall not be unreasonably withheld.

Such leave shall be without loss of salary provided that the Union will reimburse the Employer for the cost of salary and benefits.

- (b) Employees on extended leave of absence for Union business, of up to one (1) year will be retained on the Employer's payroll and the Union will reimburse the Employer on a cost-plus basis for the wages and benefits involved. This provision will not apply to employees who are employed by the Union on a permanent basis.
- 5:09** Every employee within the scope of this Agreement who is a voluntary member of the Union or who hereafter becomes a member of the Union shall maintain her membership in the Union as a condition of her employment.
- 5:10** The Employer agrees to a new employee having a fifteen (15) minute orientation to the Union and its officers during the first month of employment.

Article 6 Definitions

- 6:01** The word "employee" shall mean a person covered by this Agreement.
- 6:02** A "full-time employee" is one who regularly works the full prescribed biweekly hours as specified in Article 13.
- 6:03** A "regular part-time employee" shall mean a person who regularly works less than the full prescribed biweekly hours as specified in Article 13.
- 6:04** (a) A "casual employee" shall mean a person who is called on an occasional or intermittent basis. The terms of this Agreement shall not apply to a casual employee, unless otherwise specified. The Employer agrees to pay

a casual employee no less than the starting rate of the classification to which she is assigned.

- (b) (i) The Employer and the Union agree that a casual employee will have the right to appeal her status to the Manager, Human Resources, based on her number and schedule of hours.
- (ii) The Manager, Human Resources will have the right to change her status from casual to part-time and the Union agrees for those situations to waive the job posting provisions of the Agreement.
- (iii) It is understood that the Manager, Human Resources' decision is final.
- (iv) It is further agreed that casual employees are limited to two (2) appeals in any calendar year.

- 6:05** A “temporary/term employee” shall mean a person who is employed to fill a full-time or regular part-time position which is vacant due to the absence of an employee(s) through illness, accident, vacation, maternity leave or approved leave of absence.
- 6:06** The words “probationary employee” shall mean any person who has not completed the probationary period as defined by Article 12.
- 6:07** A “regular workday” shall mean a shift of seven and one-half (7½) or eight (8) hours as applicable, excluding meal periods, but including rest periods.
- 6:08** A “biweekly” period shall mean two (2) consecutive weeks constituting the regular pay period.
- 6:09** Where the context so requires, feminine and masculine genders and singular and plural numbers shall be interchangeable.
- 6:10** A “grievance” shall mean any dispute between an employee, group of employees, the Employer and the Union, regarding the interpretation, application or alleged violation of this Agreement.

6:11 **Continuous Service**

- (a) Continuous service for full-time employees shall be defined as the length of continuous uninterrupted service with the Employer.
- (b) Continuous service for part-time employees shall be defined as the total accumulated regular paid hours, exclusive of overtime, calculated from the last date of hire with the Employer.

When a part-time employee changes status to full-time, continuous service shall be calculated as the total accumulated paid regular hours of service, divided by 1,950 or 2,080 as applicable to the classification, to equate to years of service. The employee's employment shall be adjusted to reflect this calculation.

Article 7 Grievance Procedure

- 7:01** The parties to this Agreement are agreed that it is of the utmost importance to adjust complaints and grievances as quickly as possible. It is understood, however, that the interested parties will attempt to verbally resolve their differences before proceeding to the grievance procedure, as hereinafter outlined.
- 7:02** No grievance shall be considered where the circumstances giving rise to it occurred or originated more than seven (7) full working days before the filing of the grievance.
- 7:03** Subject to Article 7:02 above, where a difference arises between the parties relative to the interpretation, application or administration of this Agreement, or where an allegation is made that this Agreement has been violated, the following grievance procedure will be adhered to.

Step 1

The aggrieved employee or her union representative shall present her grievance in writing to her Supervisor or, in the latter's absence, to the duly authorized designate. The aggrieved employee shall have the assistance of her union representative if she so desires. If a settlement satisfactory to the

employee concerned is not reached within five (5) working days (or any longer period which may mutually be agreed upon), the grievance may be presented as follows at any time within five (5) working days thereafter.

Step 2

The aggrieved employee may, with or without her representative, present her written grievance to the Manager, Human Resources, or in the absence of said Manager, Human Resources to his designated representative, who shall consider the grievance and render his decision in writing within five (5) working days. If a final settlement of the grievance is not reached within the said five (5) working days (or any longer period which may be mutually agreed upon), the grievance may be referred in writing by either party to a Board of Arbitration as provided in Article 8 below, at any time within ten (10) working days thereafter, but not later.

Article 8 Arbitration Procedure

- 8:01** (a) Within five (5) working days after receipt of written notice of intention to refer a matter to arbitration, each party shall notify the other of its nominee to an Arbitration Board (herein called the Board).
- (b) By mutual agreement between the Union and the Employer, the parties may proceed with a single arbitrator rather than an Arbitration Board as described above. If there is failure to agree on a sole arbitrator within ten (10) working days after the decision to proceed to arbitration, the Minister of Labour for the Province of Manitoba shall appoint an arbitrator.
- 8:02** Within ten (10) working days following their nomination, the nominees to the Board shall select a mutually acceptable appointee as chairperson.
- 8:03** If either party fails to name its nominee to the Board, or if the nominees cannot agree on a chairperson, the Minister of Labour for the Province of Manitoba shall be requested to make the necessary appointment(s).

- 8:04** It is mutually agreed by both parties to this Agreement that the majority decision of the Board shall be final and binding upon the Employer, the Union and the grievor.
- 8:05** The Board shall not be empowered to modify this Agreement, or to impose any settlement which is inconsistent with the provisions hereof.
- 8:06** Any costs incurred by either party relative to an arbitration procedure shall be borne by that party, except that the costs of the Chairperson of the Board shall be shared equally by the Employer and the Union.
- 8:07** Nothing in this Agreement shall preclude settlement of a grievance by mutual agreement between the Employer and the Union, in any manner whatsoever, or voluntary written extension of stipulated time limits.

Article 9 Continuance of Operations

- 9:01** It is agreed that while this Agreement is in force, there shall be no strikes, stoppages of work, slowdowns or lockouts and that all disputes and grievances shall be settled in accordance with the procedures set forth in Articles 7 and 8 hereof.

Article 10 Seniority

- 10:01** Seniority shall be defined as the total accumulated regular hours of service (paid time) calculated from the last date of hire.
- 10:02** Seniority shall continue to accrue while an employee is on short term paid union leave, paid vacation, on paid leave due to personal illness or injury, **on maternity leave, on paternity leave, on adoption leave**, while receiving Workers Compensation to a maximum of **two (2)** calendar years, **while receiving Manitoba Public Insurance replacement income benefits to a maximum of two (2) calendar years** or while on unpaid leave of absence of less than thirty (30) days.
- 10:03** Seniority will govern the order of layoffs and recalls provided those who remain at work possess the required qualifications.

- 10:04** Seniority and employment will terminate if an employee:
- (a) Resigns;
 - (b) Is discharged and not reinstated under the grievance or arbitration procedure;
 - (c) Is laid off for more than twelve (12) consecutive months;
 - (d) Is laid off and within twelve (12) consecutive months' period after layoff fails to report for duty within fourteen (14) calendar days after notification to do so, where the fourteen (14) days are necessary as notice to terminate the alternate employment that the employee has engaged in during the period of layoff;
 - (e) Fails to report for work as scheduled at the end of a leave of absence, vacation or suspension, without a reasonable explanation to the Employer;
 - (f) Retires.
- 10:05** Should an employee be temporarily promoted or transferred to a position outside of the bargaining unit and she is returned to the bargaining unit within six (6) months from the date of promotion or transfer, she will be credited with the seniority she would have earned upon re-entry to the bargaining unit.
- 10:06** Seniority will be retained but will not accrue if an employee is laid off for less than twelve (12) consecutive months.
- 10:07** The Employer shall furnish to the Union in January and July, a seniority list showing in each classification and pay grade, the name, seniority, date of current employment and adjusted date of current employment (if any) of each employee.

Article 11 Job Posting

- 11:01** Should a vacancy occur or a new position be created within the scope of the bargaining unit, the vacancy and/or new position shall be posted on the

Canadian Blood Service intranet for a minimum of seven (7) working days. The job posting shall state the date of posting, job description of the classification, qualifications, rate of pay, and the pattern of the hours of work. All applications for posted positions shall be made electronically as determined by the Employer, and shall be kept on file for not less than six (6) calendar months. A copy of each job posting shall be furnished to the Local President if she so requests. The Union shall, on request, be informed in writing of the names and seniority of all bargaining unit applicants as well as the total number of non-bargaining unit applicants.

- 11:02** (a) An employee who is away from work (on official business for the Employer or on authorized leave) when a vacancy is posted within the bargaining unit shall be considered an applicant for such vacancy, provided;
- (i) Prior to her departure, she has submitted an application for such vacancy; or
 - (ii) During her absence, the employee notifies the Human Resources Department of her application for the vacancy, by telephone during normal business hours, and the employee provides an application within twenty-four (24) hours; or
 - (iii) On the first day of her return to work, she submits an application for such vacancy. Applications shall be considered at the discretion of the Employer if submitted later than ninety-six (96) hours following the cessation of posting period for such vacancy.
- (b) It is understood that applications occurring pursuant to 11:02(a)(i) and (ii) above must occur prior to the cessation of the posting period for such vacancy.
- 11:03** Article 11:01 shall not preclude the Employer from simultaneously advertising the job vacancy outside the Employer's premises.
- 11:04** Senior employees shall be given preference over junior employees in connection with promotions and transfers to positions within the bargaining

unit (to either newly established or already existing positions), if it is determined that applicants possess relatively equal experience, skill, qualifications and possess satisfactory records of employment with Canadian Blood Services. In the case of part-time employees applying for a full-time position, in the same classification - and they meet the qualifications - seniority shall be the deciding factor.

Article 12 Probation and Trial Periods

12:01 Probation Period

- (a) The probation period shall be the first nine hundred and seventy-five (975) hours worked following either an employee's initial employment, or employment following a break in service, with Canadian Blood Services.
- (b) Any approved absence from scheduled hours of work will extend the probation period by the amount of those same scheduled hours.
- (c) In the case of any other extension, the Employer shall notify the employee in writing of the reasons for the extension and a copy of the same shall be sent to the Union. In any event, the probationary period shall not exceed twelve (12) months.
- (d) During the probationary period, the Employer may dismiss, suspend, discipline or demote any probationary employee provided such action is not for reasons which are discriminatory, arbitrary or in bad faith.
- (e) A probationary employee shall not be required to receive or give notice of termination.

12:02 Trial Period

An employee who is selected to fill a posted position will be on a trial period of three (3) months in which to demonstrate her ability to perform the new tasks to the satisfaction of the Employer. If the employee is found to be unable to perform the duties of the position or if she wishes to revert voluntarily to her former position during the trial period, the employee shall

be returned to her former position, at the current rate of pay for that former position, and with no loss of seniority.

Article 13 Hours of Work

- 13:01** Regular hours of work for all full-time employees will be:
- (a) Seven and one-half (7½) hours per day, excluding any meal period; or
 - (b) A total of seventy-five (75) hours averaged over a two (2) week period.
 - (c) In the case of Facilities Assistants, regular hours will be no more than eight (8) consecutive hours in a day or a total of eighty (80) hours averaged over a two (2) week period.
- 13:02** Regular hours of work shall be deemed to:
- (a) Include a rest period of fifteen (15) minutes away from the immediate work area to be scheduled by the Employer during each half of a regular workday; and
 - (b) Exclude an uninterrupted meal period of at least thirty (30) minutes and not more than ninety (90) minutes in duration to be scheduled by the Employer during each regular workday; and
 - (c) In the case of Facilities Assistants, where their presence at work is required over the meal and rest periods, they will get straight time for such periods, provided the resulting total hours is not in excess as those outlined in Article 14:01(b)(ii).
- 13:03** Should an employee work in excess of ten (10) consecutive hours (exclusive of unpaid meal breaks), such employee shall be entitled to an additional unpaid meal break of thirty (30) minutes to be scheduled by the Employer.
- 13:04** It is understood that if due to unavailability of work, any full-time employees should work less than seventy-five (75) scheduled hours during each two (2) week averaging period, said full-time employee shall be paid her full biweekly salary for the two (2) week averaging period. This guarantee should be

reduced by the hour(s) of any paid holiday(s) that occur during the seventy-five (75) hour two (2) week averaging period.

- 13:05** (a) Employees shall receive a scheduled rest period of at least ten (10) hours between the cessation of work on one workday and the commencement of work in the next workday.

In the case of Drivers, upon return from an overnight mobile every effort will be exercised to schedule a rest period of at least twelve (12) hours before commencement of work on the next workday.

- (b) Facilities Assistants shall receive a scheduled rest period of at least eight (8) hours between the cessation of work on one workday and the commencement of work on the next scheduled workday.

Failure to allow the required rest time, as noted above in Article 13:05(a) and (b) above, shall result in the payment of one and one half times (1½ x) the employee's regular hourly rate for all hours worked during the rest period.

- (c) There shall be no split shifts.

- 13:06** (a) (i) Workday schedules for a period of not less than six (6) weeks, first four (4) weeks confirmed, and the last two (2) weeks tentative, shall be posted. Except in cases of emergency where the operation would be jeopardized, the schedules shall not be changed without the consent of the employee concerned.
- (ii) Scheduling will include a minimum of four (4) days off every fourteen (14) days, two (2) of which shall be consecutive.
- (b) (i) Clerical employees will not be scheduled in excess of five (5) consecutive days, unless by mutual agreement between the Union and the Employer.
- (ii) All other employees will not be scheduled in excess of six (6) consecutive days, unless by mutual agreement between Union and the Employer.

Article 14 Overtime

- 14:01** An overtime premium of one and one-half times ($1\frac{1}{2}x$) her basic hourly rate will be paid when an employee, who is so authorized,
- (a) (i) Is an employee (excluding a Facilities Assistant) and works in excess of seventy-five (75) hours in a two (2) week pay period; or
 - (ii) Is a Facilities Assistant and works in excess of eighty (80) hours in a two (2) week pay period; or
 - (b) (i) Is an employee working a set shift (excluding a Facilities Assistant) and works in excess of seven and one-half ($7\frac{1}{2}$) hours in a day, whichever is greater; or
 - (ii) Is a Facilities Assistant working a set shift and works in excess of eight (8) hours in a day, whichever is greater.
 - (c) An overtime premium of double time ($2x$) her basic hourly rate will be paid when an employee, who is so authorized,
 - (i) Is full-time and works on any day of rest; or
 - (ii) Works in excess of three (3) hours beyond her posted and confirmed biweekly schedule.
- 14:02** (a) By mutual agreement between the Employer and the employee overtime may be compensated by time off calculated at overtime rates.
- (b) When overtime is worked, the employee shall have the option of banking up to a maximum of thirty-seven and one-half hours ($37\frac{1}{2}$) (calculated at the applicable overtime rates) or receiving pay. Any overtime work that would exceed this maximum accumulation shall be paid out at the applicable overtime rate. Note: Facilities Assistants may bank up to a maximum of forty (40) hours.
- 14:03** Operational requirements permitting an employee may be permitted to add compensating time off to her annual vacation.
- 14:04** Notwithstanding the above, compensating time off not approved/assigned by February 28 each year shall be paid to the employee.

- 14:05** There shall be no pyramiding of overtime or premiums for the same hours worked. Overtime or premium payments shall be calculated under one provision of this Agreement only, unless specifically provided otherwise. In the case of conflict, the highest overtime or premium shall apply.
- 14:06** Overtime is not payable where two (2) or more employees among them have agreed to exchange shifts for their convenience. Such exchanges must be approved by the employees' supervisor.

Article 15 Standby and Call-Back

15:01 **Standby**

- (a) Standby shall refer to any period of time duly authorized by the Employer during which an employee is required to be available to return to work without undue delay.
- (b) An employee may be required by the Employer to be available for duty for a period of not more than twelve (12) hours consecutively unless otherwise agreed to between the employee and the Employer. In the case of Facilities Assistants however, they will not be required to remain available for a period of time in excess of sixteen (16) hours.
- (c) Assignment of standby shall be distributed as equitably as possible amongst those qualified and available for the assignment.
- 15:02** (a) Employees designated by the Employer to be on standby shall be paid twelve and one-half percent (12½%), of the employees regular hourly rate, for each hour assigned as standby duty. The Employer shall continue with the present practice of providing a pager to any employee assigned to standby duty.
- (b) Employees designated for standby duty, who are unable to perform such duties because of illness, etc. shall immediately notify the Employer. Failure to immediately notify the Employer may disqualify the employee from receiving a standby allowance for the entire assignment.

- (c) Standby allowance shall not be paid for time in which an employee is actually called back to work or minimum three (3) hours whichever is greater.

15:03 Call Back

- (a) A full-time employee called back to work after leaving the premises of the Employer and prior to the commencement of her next regularly scheduled workday shall be paid overtime rates for all hours worked with a minimum of three (3) hours at one and one-half times ($1\frac{1}{2}x$) her basic hourly rate for each call back. Should an employee be called back within three (3) hours prior to the commencement of her next regularly scheduled workday the minimum three (3) hours will not apply and the employee shall be paid overtime rates of one and one-half times ($1\frac{1}{2}x$) for hours actually worked. It is not the intent of this article that the starting time of a workday can be advanced by three (3) hours. This premium shall be paid over and above the employee's averaging period.
- (b) A part-time employee called back to work within eight (8) hours after leaving the premises of the Employer shall be paid at the rate of one and one-half times ($1\frac{1}{2}x$) her basic hourly rate for all hours worked which infringe on this eight (8) hour period and at straight time ($1x$) thereafter.
- (c) By mutual agreement between the Employer and the employee, call back worked may be compensated by time off.

Article 16 Transportation and Meal Allowance

- 16:01** An employee directed to report to duty on call-back shall be reimbursed return taxi fare to her residence within the city limits of Winnipeg/Brandon or shall receive a mileage allowance at the prevailing Corporate rate per kilometre subject to a minimum of five dollars and twenty cents (\$5.20) and a maximum of ten dollars and eighty cents (\$10.80), for the use of her personal motor vehicle.

16:02 The Employer shall provide taxi fare from the Centre to the residence of any employee, within the city limits of Winnipeg/Brandon, who does not have private transportation, under the following conditions:

- (a) An employee has worked any overnight mobile, or
- (b) An employee's assigned workday is extended past 21:30 hours.

16:03 Effective on the date of this Agreement, an employee shall be provided with a meal allowance at the following rates:

<u>Breakfast</u>	<u>Snack</u>	<u>Lunch</u>	<u>Dinner</u>
\$7.65	\$8.56	\$11.00	\$17.50

If an employee works five (5) hours beyond his/her meal break, while on extended mobile, the Employer agrees to pay the employee for a fourth meal allowance at the snack rate of eight dollars and fifty-six cents (\$8.56) and provide a fifteen (15) minutes paid break or pay in lieu of the break.

The breakfast allowance shall be paid to an employee who is traveling outside the city limits for a mobile clinic or a shuttle run and departs at or before 6:30 a.m.

16:04 The Employer agrees to continue the practice of providing shared accommodation with **employees**, of the same sex only, for the duration of a clinic involving overnight accommodation.

Single accommodation will be provided, where available, to those employees who request it at a shared cost fifty-fifty (50/50) between the Employer and the Employee. The Employer reserves the right to recover the amount associated with this article through payroll deduction.

16:05 The Employer agrees to compensate employees from Brandon who are required by the Employer to travel to Winnipeg. An employee shall be paid five (5) hours pay at their regular hourly rate for such travel for each week of training. It is recognized that this time is outside the hours of work and therefore is only paid at straight time (1x).

e.g. One (1) week of training equals thirty-seven and one-half (37 ½) hours, plus five (5) hours travel equals total pay for that week of forty-two and one-half (42½) hours at straight time rates.

In accordance with the Employer's past practice, traveling expenses shall be reimbursed at a rate equivalent to the current cost of bus travel.

16:06 In the event staff are required to remain on an out-of-town mobile due to weather conditions, the Employer agrees to pay a minimum of four (4) hours up to a maximum of seven and one-half (7½) hours waiting time. This payment will be based on a start time of 09:00, or earlier as designated.

It is agreed that this time will not be considered work time, and will, therefore, be paid at straight time and not be included in the biweekly averaging of hours, unless such waiting time is part of an employee's regularly scheduled hours and/or range of hours.

Employees shall not suffer any loss of pay and/or benefits as a result of missing any portion of scheduled shift(s) resulting from storm stay or vehicle breakdown. This provision shall be applicable except in the case where the employee derives a greater benefit pursuant to the above.

Article 17 Annual Vacation

17:01 Every employee who has completed less than one (1) year's continuous employment as of March 31 will be granted paid vacation calculated at one and one-quarter (1¼) days for each completed calendar month worked.

17:02 An employee who has completed one (1) year of continuous service will be granted paid vacation calculated at one and one-quarter (1¼) days for each completed calendar month worked.

17:03 An employee who has completed three (3) years of continuous service will be granted paid vacation calculated at one and two-thirds (1⅔) days for each completed calendar month worked.

17:04 (a) An employee who has completed ten (10) years of continuous service shall qualify for annual vacation of five (5) weeks.

- (b) An employee who has completed twenty (20) years of continuous service shall qualify for annual vacation of six (6) weeks.

N.B. Vacation entitlement will be established on a prorata basis for those employees whose anniversary occurs during the vacation year.

- (c) In recognition of length of service, each employee shall receive an additional five (5) days of vacation on completion of twenty (20) years of continuous service, and on each subsequent fifth anniversary of employment (i.e. 25, 30, 35, 40, etc.). Such days shall be provided and taken during the vacation year in which the twentieth or subsequent fifth anniversary occurs.

- 17:05**
- (a) Eligible employees may take vacation any time during the vacation year (April 1 to March 31).
 - (b) Any employee desiring to take annual vacation after May 31 of the vacation year (April 1 to March 31) shall submit her vacation application no later than April 1 of that year. The vacation schedule shall be posted by May 15. The allocation of vacation dates shall be decided by seniority within each classification at each permanent work site. Any changes in the vacation scheduled after posting shall require written consent of the Employer and all employees affected. Employees requesting to take vacation between April 1 and May 15 will submit such requests by February 1. Approval of such vacation will be given by February 15.
 - (c) Employees who have not requested vacation by October 1 of the current vacation year may have unused vacation scheduled or assigned within the current vacation year.
 - (d) Notwithstanding the April 1 submission date in Article 17:05(b) above, starting February 1 of each vacation year, the Employer may approach the most senior person in each classification and request that they submit their vacation request within seventy-two (72) hours. Once the vacation is submitted or the seventy-two (72) hours has elapsed, whichever occurs first, the Employer may approach the next senior person. An employee may submit her vacation preferences in writing in

advance of her selection window if she may not be available during such window.

- 17:06** No employee shall be required to take a split vacation.
- 17:07** It is understood that the Employer may defer vacation in situations where an employee is still on probation as of February 1 of the vacation year in which the employee was initially employed. Such deferred vacation must be used prior to June 30 of the following vacation year and may not be combined with other vacation entitlements.
- 17:08** Upon request, an employee shall be permitted to retain up to three (3) days of her regular vacation for the purpose of taking such time off for personal reasons such as religious observance or special occasion, as long as adequate notice is given in order to accommodate scheduling and such time is taken in the year earned.
- 17:09** Upon submission of a medical certificate, an employee may be granted sick leave where the employee was confined for a duration of more than three (3) days, while on vacation, due to accident or illness. If sick leave is granted, the displaced vacation may be re-credited to the employee.
- 17:10** An employee who is authorized by the Employer to work during her scheduled vacation shall have those scheduled vacation days worked reinstated.

Article 18 Recognized Holidays

- 18:01** The following shall be paid as recognized holidays for the purpose of this Agreement:

New Year's Day	Labour Day
Louis Riel Day	Thanksgiving Day
Good Friday	Remembrance Day
Easter Monday	½ Day for Christmas Eve
Victoria Day	Christmas Day
Canada Day	Boxing Day
August Civic Holiday	½ Day for New Year's Eve

and any other day or days proclaimed as a general holiday by the Federal or Provincial authorities.

The one-half ($\frac{1}{2}$) days of Christmas Eve and New Year's Eve may be combined by mutual agreement between the Employer and an employee.

- 18:02** (a) When an employee works on any of the holidays as defined in Article 18:01 above, she shall be paid in addition to the day (seven and one-half [$7\frac{1}{2}$] hours) or one-half ($\frac{1}{2}$) day (three and three quarter [$3\frac{3}{4}$] hours) he/she receives for such holiday a premium consisting of one and one-half ($1\frac{1}{2}$) times of her basic hourly rate multiplied by each hour worked, with a minimum guarantee of three (3) hours multiplied by one and one-half ($1\frac{1}{2}$) times of her basic hourly rate. On Good Friday, Christmas and New Year's Day, however, such premium will be two times (2x) her basic hourly rate.
- (b) The employee who works on any of the above-mentioned holidays may elect to receive compensatory time off with pay (at straight time [1x] rate) instead of the premium pay she is entitled to under the preceding paragraphs. Conversion to compensatory time off with pay (at straight time rate) shall be computed at time and one-half the number of hours worked during the holiday, unless the holiday worked is either Good Friday, Christmas Day, or New Year's Day, in which case the compensatory time off with pay shall be computed at two times (2x) the number of hours worked during any of such three (3) holidays. The minimum guaranteed three (3) hours of work shall apply in both cases, such that the compensatory time off with pay shall in no case be less

than four and one-half (4½) hours (or six [6] hours in case the holiday worked is either Good Friday, Christmas Day, or New Year's Day).

- 18:03** When a recognized holiday falls on an employee's day off or during an employee's vacation, she shall be granted the substitute day off in lieu of the holiday consecutively. By mutual agreement between the Employer and the employee, such a holiday falling on an employee's day off or during her vacation may be utilized as provided in Article 18:06.
- 18:04** If a recognized holiday falls on a day on which an employee is receiving sick leave benefits, she shall be paid for the holiday and such pay shall not be deducted from her sick leave credits.
- 18:05** In order to qualify for any of the above recognized holidays not worked, an employee must have been on a paid status the scheduled workday immediately preceding and the scheduled workday immediately following such holiday.
- 18:06** By mutual agreement between the Employer and the employee, up to five (5) days may be saved from recognized holidays worked (i.e. day off in lieu of recognized holiday worked) and, with the agreement of the Employer, be taken in conjunction with either regularly scheduled days off or vacations during the same year. The employee must indicate to the Employer prior to the working on a recognized holiday her intention to utilize the days as described above.
- 18:07** Notwithstanding the above, compensating time off not approved/assigned by February 28 of each year shall be paid to the employee.
- 18:08** Effective April 1, 2007 full-time employees shall also receive one (1) float holiday with pay per year which shall be taken, at the employee's written request, between April 1 and March 31 of the following year, subject to operational requirements and the following:
- (a) The float holiday can be attached to any other paid holiday noted above or their scheduled vacation;

- (b) Employees hired or transferred into a full-time position after September 30 shall not receive the float holiday until the next fiscal year;
- (c) Employees whose employment terminates and who have not taken the float holiday are not entitled to payment in lieu of this float holiday.

Article 19 Sick Leave

19:01 An employee having accumulated an entitlement to sick leave credits may claim basic pay or such income protection against such accumulation with respect to periods during which:

- (a) He/she was unable to work because of an incapacitation due to bona fide illness or accident; or
- (b) In the opinion of the Employer, his/her presence constituted a health hazard for donors, recipients and/or other employees and he/she was instructed by the Employer to leave his/her place of duty; or
- (c) He/she attends an appointment related to a medical/dental examination and/or treatment subject to Article 19:09.

19:02 Employees on staff as of February 1, 2004 will retain their accumulated sick leave for their future use and commence to accrue sick leave in accordance with the provisions listed below.

An employee hired on or after February 2, 2004 will be covered under the following Sick Leave Program:

(a) Eligibility

All employees shall be entitled to sick leave benefits based on their regular hourly rate of pay due to illness or accident in accordance with the plan as set forth herein. Benefits are paid based on the employee's regular scheduled hours of work excluding overtime.

(b) Sick Leave Accumulation

less any benefits that the employee has received in the previous five (5) year period.

Based on continuous service, sick leave credits will accrue to each employee as listed below:

(d) Less than Seventy-five (75) Working Days

Where an employee, who through earlier use of sick leave, has less than seventy-five (75) days of credits available, additional sick leave will be

made available if required due to illness in order to bring the total period of sick leave to seventy-five (75) days of sick leave at sixty-six and two-thirds percent ($66\frac{2}{3}\%$) pay.

- (e) When an employee returns to active employment (i.e. the employee assumes the full responsibilities of their regular position at their regular hours of work) following a period of sick leave, credit to a maximum of seventy-five (75) days at sixty-six and two-thirds percent ($66\frac{2}{3}\%$) pay will be reinstated after the following intervals:
- (i) One (1) month after return to full employment in the case of a new disability, and
 - (ii) Three (3) months after return to full employment in the case of a recurrence of the same disability.

19:03 Nothing in this Article shall be construed as providing in any instance anything less than the minimum benefit necessary to meet EI requirements, nor shall it be construed other than as outlined above as providing benefits in excess of EI basic requirements of a sick leave plan.

19:04 Upon termination of employment all sick leave shall be cancelled and no payment shall be due therefore.

19:05 An employee who will be absent from work shall inform her immediate Supervisor or in accordance with operational protocol, by telephone on the first day of absence as follows:

- | | <u>Workday to Commence</u> | <u>Notice to be received as soon as possible but</u> |
|-----|---|--|
| (a) | 00:30 – 10:29 hours | No later than one and one-half ($1\frac{1}{2}$) hours prior to commencement of the workday |
| (b) | 10:30 – 00:29 hours | No later than four (4) hours prior to commencement of the workday |
| (c) | Failure to give notice as specified in Article 19:05(a) or (b) without a reason satisfactory to the supervisor may result in the non-payment of | |

wages for the entire workday, and/or all other workdays until adequate notice is received.

19:06 An employee returning to work following one or more days of absence shall inform her immediate supervisor by telephone of her intent to return to work, or in accordance with operational protocol, as follows:

<u>Workday to Commence</u>	<u>Notice to be received as soon as possible but</u>
(a) 00:35 – 11:34 hours	No later than 16:00 hours the day prior return to work.

If no call has been received by the above specified times, and the employee shows for work, she may be sent home without pay and a replacement will remain at work.

- 19:07**
- (a) The Employer reserves the right to require a medical examination and/or medical certificate or report to determine an employee's eligibility for sick leave benefits and fitness to resume her normal duties. Failure to comply with such request may result in non-payment of sick leave benefits, and/or refusal to allow the employee to continue or resume her duties. Such request shall not be unreasonably made.
 - (b) The Employer agrees to pay for the cost of any medical forms as provided by the Employer specific to return to work situations requiring modified work/work restrictions or medical certifications as required before a return to work.
 - (i) For clarity, this does not cover short-term sick certificates.
 - (ii) Up to one hundred dollars (\$100) will be reimbursed to Drivers for the purpose of obtaining a medical certificate for the renewal of a required class two (2) driver's license. This reimbursement will be provided upon submission of a receipt.

- 19:08** Any employee who has given notice of termination of employment as specified in Article 22:02 shall not receive sick leave benefits during the period of notice, unless illness is the cause of such termination.
- 19:09** An employee who is unable to make the necessary arrangements for medical and dental examinations outside of scheduled work time shall be granted time off with pay. Such time will be deducted from the employee's sick leave accumulation and shall not exceed fifteen (15) working hours per year except in extenuating circumstances. Requests in writing for such time off shall be made at least two (2) weeks in advance, where possible. On request, employees will be required to show proof of such care.

19:10 **Occupational Accident**

If a full-time or regular part-time employee is prevented by injury or illness from performing his/her regular work with the Employer due to an occupational accident associated with his/her employment and such absence is recognized as compensable, under the Workers Compensation Act, the Employer shall supplement the award given the employee by the Workers Compensation Board as follows:

An employee who has accumulated sufficient sick leave credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB payments. The amount of such supplement will equal ten percent (10%) of the employee's regular net salary not earned due to the time loss. Regular net salary is defined as basic salary less the employee's usual income tax deductions, Canada Pension Plan contributions and Employment Insurance contributions. The Employer's supplement shall be charged to the employee's sick leave credits and shall be paid until such credits are exhausted.

An employee who has been on workers compensation and who is fit to return to work and who is capable of performing the duties of her/his former position, shall provide the Employer with twenty-four (24) hours written notice of readiness to return to work. The Employer shall return the employee to her/his former position.

An employee who is incapable of performing the duties of her/his former position but who, nonetheless, is deemed ready for work with medical restrictions, will provide the Employer with as much notice as possible and full particulars. The parties will then endeavour to make every reasonable accommodation to provide modified/alternative work within such medical restrictions.

Pending a settlement of the compensable claim, the employee shall continue to receive the full basic pay subject to available sick leave credits. The employee shall reimburse the Employer by assigning sufficient Workers Compensation Board payments to be paid directly to the Employer to offset the appropriate amount of sick leave credits.

Where the Workers Compensation Board recommends a work assessment or a modified return to work period, the Employer shall make every reasonable effort to arrange for such assessment/return subject to the Workers Compensation Board covering all related costs.

21:07 Maternity/Parental/Adoption Supplemental Employment Benefit (SEB)

The Employer will implement a Supplemental Employment Benefit Plan (SEB) effective date of ratification. Employees commencing maternity or

parental/adoption leave on or after date of ratification will receive the SEB if they meet eligibility requirements.

Maternity/Parental/Adoption SEB shall only apply to regular full-time and regular part-time/part-time employees.

Eligible employee shall mean an employee who has completed at least thirteen (13) weeks of employment prior to commencing her/his maternity and/or parental/adoption leave, and who is in receipt of Employment Insurance maternity or parental benefits.

Maternity Supplemental Employment Benefits

An employee, who is in receipt of Employment Insurance (EI) maternity benefits pursuant to the Employment Insurance Act, shall be paid a SEB that is equivalent to the difference between the gross weekly EI benefits the employee is eligible to receive and seventy-five percent (75%) of the employee's regular weekly rate of pay. This SEB payment shall commence following completion of the two (2) week EI waiting period and upon submitted proof of receipt of EI benefits. The SEB payment shall continue while the employee is in receipt of EI maternity benefits for a maximum of fifteen (15) weeks.

CBS will pay seventy-five percent (75%) of the employee's regular weekly rate of pay for the two (2) week waiting period required for maternity benefits under the Employment Insurance Act.

Parental/Adoption Supplemental Employment Benefit

An employee, who is in receipt of Employment Insurance (EI) parental benefits pursuant to the Employment Insurance Act, shall be paid a SEB that is equivalent to the difference between the gross weekly EI benefit the employee is eligible to receive and seventy-five percent (75%) of the employee's regular weekly rate of pay. This SEB payment shall commence following completion of any required two (2) week EI waiting period and upon submitted proof of receipt of EI benefits. The SEB payment shall continue while the employee is in receipt of EI parental benefits for a maximum of ten (10) weeks.

If a two (2) week waiting period is required for parental benefits under the Employment Insurance Act, CBS will pay seventy-five percent (75%) of the employee's regular weekly rate of pay for this waiting period.

In instances where two (2) employees share the parental/adoption leave and both are in receipt of EI parental benefits, both employees shall be eligible for the SEB to a maximum of ten (10) weeks each.

SEB Payment Calculation

SEB payments will be based on the regular weekly rate of pay in the employee's home position.

The regular weekly rate of pay shall be determined by multiplying the employee's regular weekly work hours by the regular hourly rate on the last day worked prior to the commencement of the leave and excludes overtime, premiums and allowances.

Regular weekly work hours for regular part-time/part-time employees shall be determined by calculating the average regular hours paid per week over the twenty (20) weeks preceding the commencement of the leave.

Salary changes with an effective date during the leave will not result in an adjustment to the SEB payment.

21:08 An employee shall, on the last pay cheque issued prior to the commencement of a leave of absence under Articles 21:04, and 21:06, receive an amount equal to twenty-two and one-half (22½) hour's basic salary. Such amount is to be prorated for part-time employees. Such basic pay shall be deducted from the employees accumulated sick leave credits.

An employee may be granted education leave without pay to attend a recognized institution for studies provided that such a leave of absence without pay may only be granted subject to the availability of relief staff and three (3) months advance application in writing.

21:12 Except in emergency circumstances, all requests for leave of absence must be made in writing four (4) weeks in advance, unless otherwise specified, specifying the reason for the requested leave and the proposed dates of departure and return.

21:13 Contributions of the Employer and the Employee to the Canadian Blood Services Pension Plan will cease during any period of leave of absence without pay.

21:14 During any period of leave of absence without pay of more than one (1) month's duration, all benefit plans will be cancelled unless the employee makes prior arrangements with the Employer for the payment of the employee's and the Employer's share of premiums. Re: Twelve (12) Hour Shift - Facilities Assistants (Winnipeg)

The parties hereto agree to vary the terms and conditions of the Collective Agreement between the Manitoba Government and General Employees' Union (MGEU) and the Canadian Blood Services for full-time and part-time employees employed as Facilities Assistants as follows:

Shift Schedules and Hours of Work

Within a biweekly period of eighty (80) regular hours, a full-time employee will work a combination of twelve (12) and eight (8) hour shifts, based on operational requirements. A part-time employee will work either an eight (8) or twelve (12) hour shift, as required. The entire schedule will be rotated, as required, so that more undesirable shifts, such as Statutory Holiday Mondays, are shared by all employees.

When working twelve (12) hours shifts, the terms and conditions of this Letter of Understanding will apply.

Notwithstanding the above, shift schedule revisions reflecting different hours per shift and/or different combinations of days worked may only be implemented with mutual agreement of the parties.

Overtime

Daily overtime shall be earned after the normal scheduled daily hours (e.g. hours worked in excess of eight [8] or twelve [12] hours as per posted schedules). On an employee's days of rest, overtime shall be earned at the rate of two times (2x) for all time worked.

Vacation, Holiday and Sick Leave

Where an employee is absent, on Vacation, Paid Holiday, or Sick Leave, appropriate payment shall be based on the posted scheduled hours of work (i.e. eight [8] or twelve [12] hours).

Other Leaves

All other authorized leaves with pay shall be converted to hours and shall be paid according to the total number of hours they would have been scheduled to work (i.e. eight [8] hours pay or twelve [12] hours pay) depending upon hours scheduled to work. Where an employee is eligible for one (1) day leave with pay per the Agreement, then the employee shall be eligible for a minimum of eight (8) hours pay to a maximum of twelve (12) hours pay depending upon the hours scheduled to work. Any additional time off required to provide the employee with a full shift off, beyond the leave with pay entitlement shall be at no cost to the Employer (e.g. options to include leave without pay or charge to vacation leave or banked time).

Other

Any other term or condition not specifically mentioned in this Letter of Understanding shall continue to be applied in accordance with the provisions of the current Collective Agreement.

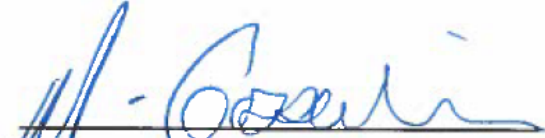

Termination Date

Either party may terminate this Letter of Understanding by serving the other party with written notice of termination at least six (6) weeks prior to the date on which the Letter is to be terminated. Furthermore, if safety is hampered, operational requirements is jeopardized in any way, or costs of operations become greater than costs for eight (8) hour shifts, a meeting will be held with the parties concerned to either resolve the issues or return to the eight (8) hour shift schedule with the required six (6) week notice.

Re: Pre-Authorized Payment for Pension and Benefits

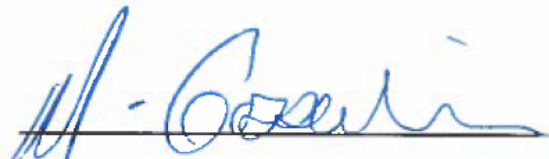

The parties agree that, notwithstanding the provisions set out in the Collective Agreement, the Employer may institute a system of automatic bank withdrawal for payment of the Employee's share of pension contributions and benefits premiums during an employee's leave of absence.

Should such a system be implemented, employees continuing benefits coverage or pension contributions during a leave of absence shall make payment by authorizing the Employer to make the required deductions from the employee's bank account.
