**GOVERNMENT EMPLOYEES' MASTER AGREEMENT
GOVERNMENT OF MANITOBA**

THIS AGREEMENT made this 28th day of February, 2024.

BETWEEN

HIS MAJESTY THE KING in Right of the Province of Manitoba, represented herein by the Honourable the Minister charged with the administration of The Manitoba Public Service Act (hereinafter referred to as the government),

OF THE FIRST PART

- and -

THE MANITOBA GOVERNMENT AND GENERAL EMPLOYEES' UNION,
(hereinafter referred to as the Union),

OF THE SECOND PART.

WITNESSETH: That for the purpose of promoting co-operation and understanding between the government and its employees affected hereby, and to recognize the mutual value of joint discussions and negotiations with respect to compensation for employees, including the establishment of pay ranges for new classes of employees and the adjustment from time to time of pay ranges for existing classes of employees and working conditions of employees, the parties hereto agree as follows:

INTERPRETATION

1:01 In this Agreement, unless the context otherwise requires, the expressions listed have the following meanings.

1:02 "**accumulated service**" means the equivalent length of service acquired by the employee in accordance with the following:

- (a) accumulated service is calculated based on all hours for which an employee has received regular pay. This includes regular hours worked and approved leaves of absence from the Government of Manitoba where regular pay is maintained;
- (b) accumulated service does not include overtime hours or any leaves of absence without pay or with partial pay including but not limited to suspensions without pay, worker's compensation and other leave situations;
- (c) accumulated service must be continuous service;
- (d) one (1) year of accumulated service for employees in eight (8) hour per day classifications equals 2080 hours of accumulated service. For seven and three-quarter hour day employees, one (1) year of accumulated service equals 2015 hours of accumulated service. For seven and one-quarter (7¼) hour day employees, one (1) year of accumulated service equals 1885 hours of accumulated service. The figures for seven and three-quarter (7¾) hours per day and seven and one-quarter (7¼) hour per day classifications are shown in brackets after the figures for the eight (8) hour per day classifications. Example: 2080 (2015) (1885) hours;
- (e) when an employee converts from a seven and three-quarter (7¾), or a seven and one-quarter (7¼) hour per day classification to an eight (8) hour per day classification or vice-versa, the employee's accumulated hours of service at the time of conversion will be converted to accumulated years of service. Example: a seven and one-quarter (7¼) hour per day employee works for six (6) months during the year and acquires 942.5 hours of accumulated service. The employee then moves into an eight (8) hour per day classification. The employee's hours are converted as follows:

$$942.5 \text{ hours} \div 1885 \text{ hours} = .50 \text{ years of accumulated service.}$$

The employee then accumulates service in the eight (8) hour per day classification for the remainder of the year;

- (f) an employee can only receive a maximum of one (1) year of accumulated service in any twelve (12) month period.

- 1:03 **"agency of the government"** means any board, commission, association, or other body, whether incorporated or unincorporated, all the members of which, or all the members of the board of management or board of directors of which are appointed by an act of the Legislature or by the Lieutenant Governor in Council.
- 1:04 **"Agreement"** means this agreement which may be referred to as The Government Employees' Master Agreement.
- 1:05 **"authorized overtime"** shall mean overtime authorized by the employing authority and where the term "overtime" is used in this Agreement, it shall mean "authorized overtime";

Notwithstanding the foregoing, casual employees may be employed for a short duration to replace employees who are absent for any reason.

4:05 During the term of the Collective Agreement, the Workforce Relations Division may request in writing that the Union agree that a position(s) be excluded from the bargaining unit. TERM EMPLOYEES

5:01 "**Term employee**" means an employee hired for a specific term of employment. The term of employment may be based on a specific period of time or the completion of a specific job or until the occurrence of a specified event.

5:02 Where the employment of a term employee terminates at the end of a specific term of employment, then:

- (a) the employing authority shall not be required to give any notice or payment in lieu thereof;
- (b) the employee shall not be required to give any notice of resignation.

5:03 Where a term employee is laid-off, then the following shall apply:

- (a) if the lay-off is at the end of a specific term of employment, no notice of lay-off is required;
- (b) if the lay-off is prior to the end of a specific term of employment, an employee will receive written notice prior to the lay-off or granted payment in lieu thereof based on the following:
 - (i) four (4) weeks' notice to an employee with one (1) or more years of seniority; or
 - (ii) two (2) weeks' notice to an employee with less than one (1) year of full-time seniority.

5:04 Where a term employee is employed in the same position performing the same function for a period of more than twenty-four (24) continuous months and where the need for the position is expected to continue, the department will convert the employee to regular civil service status.

5:05 An employee appointed to a term position shall be informed in writing as to the duration of the term. Where the term relates to the reasons set out in Section :07, the employee shall be so informed. Failure to comply with the foregoing shall not in itself negate the employee's status as a term employee.

5:06 Where the employee is not to be converted in accordance with Section :04, the employee shall be notified in writing of the reasons prior to the completion of twenty-four (24) continuous months of service. Inadvertent failure to provide such notice shall not result in a right to conversion if the other conditions in Section :04 are not met. A meeting may be held with the employee to discuss the matter. The employee has the option to have a union representative present.

5:07 Section :06 does not apply:

- (a) where a term employee is replacing an employee who is absent for any reason; or
- (b) to a term employee whose salary is cost shared under a Federal-Provincial cost sharing agreement which requires, as a condition of cost sharing, that employees are not regular (permanent) employees.

5:08 Government representatives will meet with the Union between April 15th and May 31st in each year

to review the status of all term employees with more than twenty-four (24) continuous months of service.

LAY-OFF SEASONAL DEPARTMENTAL EMPLOYEES

- 6:01 This Article applies to the lay-off and recall of seasonal-departmental employees. Non-seasonal departmental employees are covered by Article 24 - Lay-off.
- 6:02 Where by reason of a shortage of work or funds, or the abolition of a position or material changes in duties or organization, an employing authority determines that a lay-off(s) is necessary within a department, the employing authority shall determine the classification(s) from which the lay-off(s) are to take place.
- 6:03 The employing authority shall determine the group of employees concerned within each classification from which employees are to be laid-off.
- 6:04 In determining the order of lay-off within the group of employees concerned, seniority shall be the determining factor provided the qualifications of the employees are relatively equal. This Section is subject to the requirement that the employees who are retained must have the qualifications and ability to perform the duties which the remaining employees will be required to perform.
- 6:05 Where an employee alleges that the employee's lay-off has not been in accordance with this Agreement, the grievance procedure set forth in this Agreement shall apply except that the grievance shall be initiated at the second step of the procedure.
- 6:06 Where an employee is being laid-off at the end of a specific term of employment or after the completion of a job for which the employee was specifically employed, no notice of lay-off is required. Otherwise, where an employing authority is laying off an employee the following shall apply:
- (a) to an employee with one (1) or more years of seniority - four (4) weeks written notice or pay in lieu thereof.
 - (b) to an employee with less than one (1) year of seniority - two (2) weeks written notice or pay in lieu thereof.
- 6:07 Employees who are laid-off shall be placed on a re-employment list for a period of up to twenty-four (24) months from the effective date of the lay-off. Each department concerned shall maintain its own re-employment list(s) for its laid-off employees. The Union shall be provided a copy of such list(s), upon request.
- 6:08 Employees placed on a re-employment list shall be called back to their positions in reverse order of lay-off.
- 6:09 An employee who is on a re-employment list must:
- (a) report any change of address to the department without delay;
 - (b) if called back or provided a reasonable re-employment opportunity, respond to the call back or reasonable re-employment opportunity within seven (7) days of receipt of notification of call back or reasonable re-employment opportunity. An employee accepting a reasonable re-employment opportunity at a lower rate of pay shall retain their recall rights under Section :08 for the duration of the time they would have remained on the re-employment list;
 - (c) return to work within fourteen (14) days of receipt of notification of call back or reasonable re-employment opportunity or such other date as may be agreed upon between the employee and the department;
 - (d) except for good and sufficient reasons, accept a call back or reasonable re-employment opportunity in accordance with this Section or be deemed to have resigned.
- 6:10 A "**reasonable re-employment opportunity**" is a position which the employee is reasonably qualified for and able to perform and which is in a location which would not require a change of residence by the employee.

- 6:11 Employees whose classification varies between Labourer and Operator shall be categorized as "Labourer/Operator" for purposes of this Article.
- 6:12 For purposes of this Article, "**qualifications**" refer to education, knowledge, training, skills, experience, aptitude, and competence. "**Ability**" refers to mental, and physical capability. The employing authority, in making a decision with respect to determining which employees are to be retained and which employees are to be laid-off, shall determine qualifications, and the ability of employees to perform the duties which the remaining employees will be required to perform in a fair, reasonable, and non-discriminatory manner. The onus of proof rests with the employing authority in any dispute over the application of qualifications and ability to perform the duties which the remaining employees will be required to perform.
- 6:13 Seasonal departmental employees shall be entitled to permanent lay-off severance payment under Article 25 (Severance) where twenty-four (24) months have elapsed on the re-employment list.

NO DISCRIMINATION

- 7:01 The parties hereto agree that there shall be no discrimination, harassment, coercion or interference exercised or practiced with respect to any employee by reason of age, sex, marital status, sexual orientation, race, creed, colour, ethnic or national origin, physical disability, political or religious affiliation or membership in the Union or activities in the Union or any other applicable characteristic as set out in the Manitoba Human Rights Code.

Further as set out in the Code, the Parties agree that there shall be no discrimination with respect to any aspect of an employment or occupation, unless the discrimination is based upon bona fide and reasonable requirements or qualifications for the employment or occupation.

- 7:02 All pay and benefit provisions in the Agreement have been negotiated with the specific understanding that the provisions are not discriminatory.

MANAGEMENT RIGHTS

- 8:01 All the functions, rights, personnel pay practices, powers and authority which the government has not specifically abridged, delegated or modified by this Agreement are recognized by the Union as being retained by the government.
- 8:02 In administering this Agreement, the government shall act reasonably, fairly, in good faith, and in a manner consistent with the Agreement as a whole.

PAY

- 9:01 An employee, other than an employee paid on an hourly or daily basis who does not work every working day in a bi-weekly pay period and by reason thereof is not entitled to be paid an amount equal to a bi-weekly salary is entitled to be paid an amount equal to the daily rate of pay for the employee's position at the employee's step multiplied by a number comprising the number of days actually worked in that period plus any leaves with pay in that period for which the employee is eligible. The daily rate of pay shall be calculated by multiplying the hourly rate of pay by the number of hours in a normal working day as indicated in the applicable Component and rounding the result to the nearest cent. The bi-weekly salary shall be calculated by multiplying the hourly rate of pay by the normal number of hours in a bi-weekly pay period as indicated in the applicable Component and rounding to the nearest cent.
- 9:02 Where an employee is promoted to another position, the employee shall be paid at a rate of pay set out for that position in the salary schedule that is, if possible, one (1) full increment more than the rate of pay the employee was being paid in the employee's former position.
- 9:03 Where an employee receives a benefit arising out of the employee's position, unless the salary schedule provides that such benefit shall be in addition to the salary provided for the position, a fair

and reasonable charge as recommended by Joint Council and approved by the Lieutenant Governor in Council may be made for the benefit.

- 9:04 Where, in special cases, the application of the general rules for placing an employee on a step of a pay range works an injustice or does not make adequate provision, Treasury Board Secretariat shall consult with the Union, and may, following the personal recommendation of the minister of the department concerned, make such provisions as may be necessary to maintain equity and parity among salaries of incumbents of such positions within the pay range of the classification. Such provisions may take the form of salary rate assignment of incumbents to a proper and equitable step of the pay range of the classification of the position or to such a step of the pay range of the incumbent in the event that the pay range of the incumbent is lower than the pay range of the classification of the position.

- 11:08 Where an employee is moved from one (1) department to another, or within a department, the Commission shall inform the departments or the department concerned of the move. The department from which the employee is moved, or within which the employee is moved, shall release the employee from the position within thirty (30) days of being so informed, or within one (1) week of obtaining a replacement for the employee, whichever is the earlier.

In the event of a lengthy absence due to illness or injury during the probation period, the employer may extend the probation period for longer than twelve (12) consecutive months, subject to the agreement of the Union. The total time spent on probation while at work, however, shall in no instance exceed twelve (12) months.

An employee shall, upon request, receive a copy of the assessment.

MERIT INCREASES

- 16:01 **"Merit increase"** means an increase in the rate of pay of an employee within the employee's pay range which may be granted in recognition of satisfactory service on the employee's anniversary date.
- 16:02 Subject to Section :03, anniversary dates for employees will be as follows:

- 16:03 The anniversary date for an employee receiving a promotion or a transfer resulting in a pay increase equivalent to two or more merit increases shall become the first day of the month that falls on or after the effective date of the promotion or transfer of the employee and the employee shall be eligible for the employee's next merit increase twelve (12) months from the anniversary date established in accordance with this Section.
- 16:04 Where the pay range for an employee's classification permits, an employee shall be eligible for a merit increase twelve (12) months from the employee's anniversary date established in accordance with this Article provided the employee has accumulated 1,008 regular hours of work during that twelve (12) month period. If an employee has not accumulated 1,008 regular hours during that twelve (12) month period and as a result has not received a merit increase, the employee is eligible for a merit increase at the employee's next subsequent anniversary date twelve (12) months hence provided the employee has accumulated 1,008 regular hours during the preceding twenty-four (24) month period. In a similar manner, an employee who has not accumulated 1,008 regular hours over the preceding twenty-four (24) month period is eligible for a merit increase at the employee's next anniversary date following the accumulation of 1,008 regular hours.

- 16:05 Where an employee has been on maternity leave and/or parental leave and as a result of such leave(s) fails to be eligible for a merit increase under Section :04, the employee will be eligible for a merit increase on the first of the month following the date on which the employee accumulates the necessary regular hours of work. The effective date of the increase shall be the first day of the bi-weekly pay period which includes the first of the month.
- 16:06 Notwithstanding that an employee is appointed to a position at a salary rate higher than the minimum salary applicable to the position, the employee is eligible for a merit increase on the employee's anniversary date.
- 16:07 The effective date for an employee's merit increase shall be the first day of the bi-weekly pay period which includes the employee's anniversary date. An employee must be in the classification on the employee's anniversary date in order that the merit increase shall take effect at the beginning of the bi-weekly period that includes the said anniversary date.
- 16:08 Where a merit increase is not granted to an employee on the employee's anniversary date:

 - (d) the employee is eligible for a merit increase at the employee's next anniversary date notwithstanding that the employee was granted a merit increase under Subsection :08(b).
- 16:09 Employees who qualify for a merit increase under Article 16 or Section 5:12 of Appendix "C" and who meet the following criteria shall be eligible for the Long Service Step identified in the pay plan for each classification:

 - (b) the employee has been at the maximum step of their pay range for a minimum of 12 consecutive months.
- 16:10 Effective March 23, 2024, employees who meet the following criteria shall be eligible for the 25-year Long Service Step identified in the pay plan for each classification:
- a) Twenty-five (25) or more years of calendar service; and

- 16:11 Employees who do not meet the above criteria in Article 16:10 on March 23, 2024 shall be eligible for the 25-year Long Service Step on the employee's anniversary date in which the employee meets both conditions (a) and (b) outlined in 16:10 above.

It is the employee's responsibility to arrange attendance by a representative of the Union.
- 17:03 Where a meeting is scheduled by the Employer to impose disciplinary action, the employee shall

The employee shall be advised that he/she has the right to have a Union representative at the meeting. It is the employee's responsibility to arrange attendance by a representative of the Union.

17:04 Where the Employer issues disciplinary action in writing, the Employer shall normally meet with the employee to communicate the areas of concern and the remedial action expected. Where the written disciplinary action is provided to the employee in a meeting, the employee shall sign a copy of the document only to confirm receipt of the disciplinary action. All disciplinary actions which are confirmed in writing shall be placed on the employee's file. A copy of the disciplinary action shall also be provided to the employee.

17:05 An employee may grieve any disciplinary action according to the grievance procedure.

Grievances concerning demotion, suspension or dismissal shall be initiated at Step 2 of the grievance procedure.

17:06 The person or board to whom a grievance is made may:

(a) uphold the disciplinary action; or

(b) vary the disciplinary action; or

(c) determine that no disciplinary action is warranted and remove any document pertaining to the disciplinary action from the employee's file(s).

17:07 No notice or payment in lieu thereof is required where an employee is dismissed.

RESIGNATIONS

18:01 An employee wishing to resign shall provide the employing authority with a written notice of resignation which shall specify the last day upon which the employee will perform the employee's regular duties.

18:02 The effective date of a resignation shall be the last day upon which an employee is present at work and performs the employee's regular duties.

18:03 Notwithstanding 18:01 and 18:02, an employee who is retiring in accordance with the provisions of the Civil Service Superannuation Act, may, with the approval of the Employing Authority, be permitted to utilize paid leave in the form of vacation or banked time to be taken immediately prior to the employee's retirement date. In this circumstance, the effective date of resignation shall be deemed to be the last day of the employee's paid leave.

18:04 Subject to Sections :05, :06 and :07, where the last day on which an employee who has submitted a notice of resignation performs the employee's regular duties precedes a Friday which, but for the fact that a holiday falls thereon would be a regular working day, the employee shall be deemed to have voluntarily terminated the employee's service on that Friday and shall be eligible for holiday pay for that Friday.

18:05 Subject to Section :07 employees shall give written notice of resignation at least two (2) weeks prior to the date on which the resignation is to be effective. Notice of resignation shorter than the required two (2) weeks may only be given with the approval of the employing authority.

18:06 An employee may, with the approval of the employing authority, withdraw the notice of resignation at any time before the resignation becomes effective.

18:07 Where the employment of an employee terminates at the end of a specific term of employment, or on the completion of a job for which the employee was specifically employed, no notice of resignation is required.

18:08 Employees are required to return all materials, equipment, keys etc. belonging to the Employer at or prior to the date of resignation.

CONTRACTING OUT

- 19:01 Where work is to be contracted out which would result in the redundancy of employees in the bargaining unit, then the government will provide the Union with four (4) months' notice.
- 19:02 During the notice period, the Joint Labour Management Consultation Committee in the department shall meet to discuss the reasons and possible alternatives to the proposed contracting out as well as to facilitate potential retraining and/or redeployment opportunities.
- 19:03 Where the contracting out initiative affects more than one department, a central Labour Management Consultation Committee will be created with representatives of departments affected, the Labour Relations Division and the Union.
- 19:04 At the request of either party, the matter shall be discussed at Joint Council.

- 20:01 In the event of the devolution and transfer of government services provided by employees covered by this Agreement to a Crown Corporation, Board, Agency, Commission or other entity established by government, the Union shall be notified no less than four (4) months prior to the transfer of employees. The parties will establish a joint committee to facilitate the orderly transfer of employees who are impacted.
- 20:02 Where the successorship provisions of The Labour Relations Act have been determined to apply, the provisions of the Master Agreement continue in effect for the affected employees until the expiry of the Agreement.
- 20:03 The government and the Union will work together with the successor employer to negotiate a transition agreement respecting the administration and interpretation of the Master Agreement during the period required to negotiate a new collective agreement.
- 20:04 The government will make reasonable efforts and give priority consideration to obtaining employment opportunities:
- (a) with the new employer for employees who are not being transferred; and
 - (b) within government for employees who do not wish to transfer to the new employer.
- 20:05 Sections :02 and :03 do not apply to devolution and transfers to other levels of governments.
- 20:06 The provisions of this Article do not apply to secondment of employees.

TECHNOLOGICAL CHANGE

- 21:01 The government and the Union recognize that technological change can offer significant improvements in the quality and quantity of government services provided to the public.
- 21:02 For purposes of this Article, "**technological change**" means the introduction of equipment or material into government operations which is likely to affect the security of employment of regular employees or departmental employees who are employed on a full-time, year-round basis.
- 21:03 The government agrees that it will endeavour to introduce technological change in a manner which, as much as is practicable, will minimize the disruptive effects on services to the public and employees.
- 21:04 Where the government intends to introduce technological change, the following procedure will be followed:
- (a) the government will provide the Union with six (6) months notice prior to the date the change is to be effective;
 - (b) during this period, the parties will meet to discuss the steps to be taken to assist the employees who could be affected;

- (c) where retraining is to be provided, it shall be provided during the employees' normal working hours except where the retraining is not available during the employee's normal working hours;
- (d) at the request of either party, an on-site technological change implementation committee shall be established at the work location(s) affected. The Committee will consist of two (2) worker representatives and two (2) management representatives. The role of the Committee will be to facilitate the implementation of the technological change in a manner consistent with this Article.

21:05 The provisions of this Article are intended to assist employees affected by technological change and Sections 83, 84 and 85 of The Labour Relations Act do not apply during the term of this Agreement.

WORK AT HOME

- 22:01 Work at home arrangements shall be voluntary and may be terminated by either party with thirty (30) days notice. Such notice is not required by the employer if the employer has just cause to terminate based on disciplinary concerns.
- 22:02 Government shall supply the necessary equipment and supplies to employees working at home and shall be responsible for the insurance and maintenance costs of such equipment.
- 22:03 Working at home shall not affect the employment status of any employee. A person who would not otherwise be an employee will not become one because they are performing work from an off-site location. Similarly, it will not prevent a person from remaining or becoming an employee if they otherwise would be an employee.
- 22:04 All provisions of the Agreement apply to work at home arrangements except as otherwise agreed by the parties.
- 22:05 Work at home arrangements refers to work performed at an employee's home during regular work hours. The provisions of this Article refer to long term arrangements only.
- 22:06 Government reserves the right to attend at the employee's home/alternate work location with reasonable notice including but not limited to: inspecting and repairing its equipment as necessary.

CHANGE OF WORK HEADQUARTERS

- 23:01 Where, as a result of a reorganization of a department or part of a department an employee's work headquarters is moved from one (1) city or town to another city or town requiring a change of residence by the employee, the employee shall be given notice of the move three (3) months in advance of the date upon which the move of the employee is to be effected. Such notice shall be provided in writing to the employee by the employing authority.
- 23:02 An employee must accept or reject relocation within four (4) weeks. Where an employee has accepted relocation, the employee may request that the effective date of the relocation be deferred by up to one (1) month for personal reasons such as the impact on school-age children.
- 23:03 The parties recognize that it may be necessary to relocate specific employees based on operational needs and the qualifications required at both locations. Where this is not a factor, the department will seek qualified volunteers at the transferring location. Where there are insufficient volunteers, the notice shall be provided to the most junior qualified employee within the classification and work location from which the relocation is to occur. Notwithstanding this process, the original relocation date as established in Section :01 remains unchanged.
- 23:04 Where such notice has been given to an employee and the employee is unable to relocate, every reasonable effort will be made to place the employee in another suitable position within the civil service.
- 23:05 Where an employee with one (1) or more years of continuous service is unable to relocate, the employee shall be subject to lay-off. If the employee has not been offered another suitable position within one (1) year from the date of lay-off the employee shall be permanently laid-off and shall be

eligible for severance pay in accordance with Article 25 - Severance Pay.

- 23:06 For purposes of interpretation of this Article, where the term "**suitable position**" is used it means a position which the employee is reasonably qualified for and able to perform and which is in a location that would not require a change of residence by the employee.
- 23:07 Where an employee has accepted relocation involving a change in residence by the employee, the employee shall be reimbursed for expenses incurred due to the relocation in accordance with existing policy respecting "Expenses of Removal on Transfer".
- 23:08 Articles 23:01 to 23:07 inclusive apply to Resources Officers except in situations involving compulsory transfers. In these situations the provisions of the letter of intent "Resource Officers Compulsory Transfers" shall apply.

LAY-OFF

- 24:01 Where by reason of a shortage of work or funds, or the abolition of a position or material changes in duties or organization, an employing authority determines that a lay-off(s) is necessary within a department, the employing authority shall determine the classification(s) from which the lay-off(s) are to take place.
- 24:02 Subject to this Article, the employing authority shall determine the group of employees concerned within each classification from which employees are to be laid-off.
- 24:03 The group of employees concerned shall then be divided, where applicable, into three (3) subgroups as follows:
 subgroup (1) - term employees with two (2) or more years of seniority;
 subgroup (2) - regular employees and non-seasonal departmental employees, with less than four (4) years of seniority;
 subgroup (3) - regular employees and non-seasonal departmental employees, with four (4) or more years of seniority.
- 24:04 Within the group of employees concerned, lay-off of subgroup (1) and (2) employees shall take place in ascending subgroup order. In determining the order of lay-off within a subgroup, seniority shall be the determining factor provided the qualifications of the employees are relatively equal. This Section is subject to the requirement that the employees who are retained must have the qualifications and ability to perform the duties which the remaining employees will be required to perform.
- 24:05 A subgroup (3) employee who is to be laid-off and who elects to exercise the employee's displacement option may displace the most junior employee in the employee's current class and department subject to the following:
 (a) the employee must have the qualifications and ability to perform the duties which the remaining employees will be required to perform;
 (b) the employee may only decline the displacement opportunity under Subsection (a) if the position is in a location which would require a change of residence of the employee;
 (c) If the employee cannot displace the most junior employee under Subsection (a) or declines the displacement opportunity under Subsection (b), the employee may then elect to displace the next most junior employee in the class and department;
 (d) the process will continue in this manner until the employee is able to displace an employee in the class or there are no displacement opportunities;
 (e) a subgroup 3 employee who is displaced and is to be laid-off and who elects to exercise the employee's displacement option may displace the most junior employee in the employee's current class and department in accordance with the process in this Section.
- 24:06 A subgroup (3) employee who is to be laid-off and who has no displacement option within the employee's class in the department as a result of Subsection :05(a) or (b) may elect to displace the most junior employee in the department in another class which has the same or lower maximum rate of pay. For this purpose, the rate of pay will be based on the bi-weekly rate of pay in the pay

plan. The displacement process in that class will follow the provisions of Section :05.

- 24:07 Notwithstanding the process required in Sections :05 and :06, the effective date of the lay-off will not change from that initially provided to the subgroup (3) employee. The parties agree to take any steps necessary to expedite the process to ensure that an employee who is to be laid-off as a result of the displacement process, receives as much notice as possible. As a result, employees who elect to exercise their displacement rights must participate in and cooperate fully with the process or forfeit their displacement right.
- 24:08 Where the lay-off(s) of employee(s) in subgroup (3) is necessary, the employing authority shall provide the Union with written notice not less than forty (40) days prior to the date of lay-off(s). The parties shall then meet to discuss the steps to be taken to assist the employees affected.
- 24:09 Except where specifically provided, this Article does not apply to the lay-off of:
- (a) term employees at the end of a specific term of employment;
 - (b) term employees with less than two (2) years of seniority.
- 24:10 Where an employing authority is laying off an employee, notice of lay-off or pay in lieu thereof will be given in accordance with the following:
- (a) where a term employee is being laid-off at the end of a specific term of employment or after completion of a job for which the employee was specifically employed, no notice of lay-off is required;
 - (b) four (4) weeks' notice will be provided to:
 - (i) regular employees;
 - (ii) non-seasonal departmental employees;
 - (iii) term employees with one (1) or more years of seniority;
 - (c) two (2) weeks' notice will be provided to term employees with less than one (1) year of seniority.
- 24:11 The Union will be provided a copy of lay-off notices issued to:
- (a) regular employees;
 - (b) non-seasonal departmental employees;
 - (c) term employees with two (2) or more years of seniority.
- 24:12 For purposes of this Article, "**regular employee(s)**" refers to full-time and part-time employee(s) and "**term employee(s)**" refers to full-time and part-time employee(s).
- 24:13 Term employees with less than two (2) years of continuous service shall be considered for lay-off prior to the lay-off of employees in the subgroups specified in Section :03.
- 24:14 Where employees have been laid-off, the department shall not use casual employees to do the work of the laid-off employees except:
- (a) where the laid-off employees are not available for work; or
 - (b) in emergency situations.
- 24:15 Where an employee, including a term employee, alleges that the employee's lay-off has not been in accordance with this Agreement, the grievance procedure set forth in this Agreement shall apply except that the grievance shall be initiated at the second step of the procedure.
- 24:16 For purposes of this Article, "**qualifications**" refers to education, knowledge, training, skills, experience, aptitude, and competence. "**Ability**" refers to mental, and physical capability. The employing authority, in making a decision with respect to determining which employees are to be retained and which employees are to be laid-off, shall determine qualifications, and the ability of employees to perform the duties which the remaining employees will be required to perform, in a fair, reasonable, and non-discriminatory manner. The onus of proof rests with the employing authority in any dispute over the application of qualifications and ability to perform the duties which the remaining employees will be required to perform.
- 24:17 An employee who is entitled to displace another employee in accordance with the provisions of this Article may have a familiarization period in the new position. The purpose of the familiarization

period is to allow the employee to become oriented to the specific duties of the position. The familiarization period is not intended to be a period during which an employee acquires the necessary qualifications and ability to enable the employee to displace another employee.

- 24:18 Where the temporary lay-off of an employee in subgroup (3) is necessary, Sections :05, :06 and :07 do not apply. For purposes of this Section a **"temporary lay-off"** is defined as less than three (3) months duration. Employees shall return to their positions upon expiry of such lay-off. This Section applies only to situations identified in separate Memoranda of Agreement between the parties.
- 24:19 Employees who are laid-off shall be placed on a re-employment list for a period of up to twenty-four (24) months from the effective date of the lay-off.
- 24:20 The Commission shall maintain a re-employment list for all employees covered by this Article who are laid-off on other than a temporary basis. A copy will be provided to the Union on request.
- 24:21 Employees who are placed on a re-employment list shall be called back to their positions in reverse order of lay-off in the classification from which the employee was laid-off.
- 24:22 An employee who is on the re-employment list must:
- (a) report any change of address to the department without delay;
 - (b) if called back or provided a reasonable re-employment opportunity, respond to the call-back or reasonable re-employment opportunity within seven (7) days of receipt of notification of call-back or reasonable re-employment opportunity. An employee accepting a reasonable re-employment opportunity at a lower rate of pay shall retain their recall rights under Section :21 for the duration of the time they would have remained on the re-employment list;
 - (c) return to work within fourteen (14) days of receipt of notification of call-back or reasonable re-employment opportunity or such other date as may be agreed upon between the employee and the department;
 - (d) except for good and sufficient reasons, accept a call-back or reasonable re-employment opportunity in accordance with this Section or be deemed to have resigned.
- 24:23 A **"reasonable re-employment opportunity"** is a position which the employee is reasonably qualified for and able to perform and which is in a location which would not require a change of residence by the employee.
- 24:24 A term employee who has been employed in the same position for one (1) or more years of continuous service and who is laid off or whose term expires shall be placed on an employment availability list by the department for a period of one (1) year. During this period, the employee shall be considered for re-employment to the position if it is to be refilled.
- 24:25 Employees on a re-employment list may be offered re-employment to other positions within the service.
- 24:26 An employee who accepts another position may be placed on a trial period of not more than six (6) months duration. The trial period is not intended to be a period during which an employee acquires the necessary qualifications and ability to meet the requirement of Article 24:23. An employee who is found to be unsuitable during this trial period will be returned to the appropriate re-employment list for the greater of six (6) months or the remainder of the employee's twenty-four (24) month period on the re-employment list. An employee found to be unsuitable may grieve the decision commencing at Step 2 of the grievance procedure.
- 24:27 If a regular employee accepts a term position as a result of re-employment, the employee's status as a regular employee shall be maintained. On the expiry of the term, the employee will be permanently laid-off, or remain on the re-employment list for the remainder of the twenty-four (24) month period if applicable.
- 24:28 For purposes of this Article, a **"non-seasonal"** departmental employee is an employee who has been employed by the department concerned for four (4) or more years of continuous service, on a full-time, year-round basis with no break in service involving involuntary lay-off of the employee.

SEVERANCE PAY

- 25:01 Employees with nine (9) or more years of accumulated service whose services are terminated as a result of retirement in accordance with the provisions of The Civil Service Superannuation Act, shall be paid severance pay in the amount of one (1) week's pay for each complete year of accumulated service or portion thereof, but the total amount of severance pay under this Section shall not exceed fifteen (15) weeks' pay. Example: ten (10) years, eight (8) complete months of accumulated service equals ten and eight-twelfths (10 8/12) years of accumulated service for purposes of calculation.
- 25:02 Where an employee in the employee's ninth (9th) year of accumulated service fails to complete nine (9) years' accumulated service as a result of retirement in accordance with the provisions of The Civil Service Superannuation Act, the employee shall be paid severance pay on the basis of nine (9) weeks' pay multiplied by the factor of the number of complete months service completed in the employee's ninth (9th) year divided by twelve (12) months.
- 25:03 In addition to the severance pay set out in Section :01, employees who retire in accordance with the provisions of The Civil Service Superannuation Act will also be eligible for the following severance pay:
- (a) for employees with twenty (20) or more years of accumulated service, an additional two (2) weeks' pay;
 - (b) for employees with twenty-five (25) or more years of accumulated service, two (2) weeks' pay in addition to the amount in Subsection (a);
 - (c) for employees with thirty (30) or more years of accumulated service, two (2) weeks' pay in addition to the amount in Subsections (a) and (b);
 - (d) for employees with thirty-five (35) or more years of accumulated service, two (2) weeks' pay in addition to the amounts in Subsections (a), (b) and (c).
- 25:04 In the case of employees with nine (9) or more years of accumulated service whose services are terminated as a result of death, the employee's estate shall be paid severance pay in the amount of one (1) week's pay for each complete year of continuous employment or portion thereof, but the total amount of severance pay shall not exceed fifteen (15) weeks' pay. Example: ten (10) years, eight (8) complete months of accumulated service equals ten and eight-twelfths (10 8/12) years of continuous service for purposes of calculation.
- 25:05 Where an employee in the employee's ninth (9th) year of accumulated service fails to complete nine (9) years' accumulated service as a result of death, the employee's estate shall be paid severance pay on the basis of nine (9) weeks' pay multiplied by the factor of the number of complete months service completed in the employee's ninth (9th) year divided by twelve (12) months.
- 25:06 Employees with one (1) or more years of accumulated service whose services are terminated as a result of permanent lay-off, shall be paid severance pay in the amount of one (1) week's pay for each complete year of continuous employment or portion thereof, but the total amount of severance pay shall not exceed twenty-six (26) weeks' pay.
- 25:07 Where an employee in the employee's first (1st) year of accumulated service fails to complete one (1) year's accumulated service as a result of permanent lay-off, the employee shall be paid severance pay on the basis of one (1) week's pay multiplied by the factor of the number of complete months service completed in the employee's first (1st) year divided by twelve (12) months.
- 25:08 An employee who is eligible to receive severance pay in accordance with this Article may elect to receive the severance pay in two payments provided both payments occur within the same fiscal year as the effective date of the retirement or permanent lay-off. In the case of severance payable on permanent lay-off, this provision only applies if the employee immediately elects permanent lay-off upon receiving notice of lay-off and waives the right to be placed on the re-employment list.
- 25:09 The rate of pay referred to in this Article shall be determined on the basis of the last regular bi-weekly rate of pay, excluding allowances, which was in effect for the employee at the time of retirement, permanent lay-off, or death. Subject to Section :11, the rate of pay for hourly rated

employees shall be determined on the basis of the applicable work week, either thirty-six and one-quarter (36¼), thirty-eight and three-quarters (38¾) or forty (40) hours per week.

- 25:10 In the case of employees eligible for severance pay who are on stand-by or temporary lay-off at the time of retirement, permanent lay-off or death, the weekly hours shall be, subject to Section :11, the normal weekly hours of work in effect for the classification of the employees at the time of the retirement, permanent lay-off or death.
- 25:11 In the case of hourly paid employees whose total weekly hours of work vary between summer and winter, the severance pay to be paid shall be based on an average of the normal hours of work over the fiscal year.
- 25:12 There may be certain circumstances where it is reasonable to allow an employee to forego their right to be placed on the re-employment list and pay them Permanent Lay-Off Severance prior to 24 months on the re-employment list based on the factors set out in 25:12 (c). Should these circumstances arise, the Employer may unilaterally offer a permanent lay-off to an employee(s) that is being laid off or is already on the re-employment list.
- (a) Such an Offer by the Employer may be accepted or rejected by the affected employee. The Offer must identify the date, that, if accepted, the permanent lay-off shall be effective.
- (b) An Eligible Employee is defined as someone who has received layoff notice within the preceding four (4) week period. An Eligible Employee may request permanent lay-off from the Employer (a 'Request'). A Request must identify the date that, if accepted, the permanent lay-off shall be effective.
- (c) The Employer shall consider a Request reasonably and when doing so, shall consider some of the factors listed below, which are not exhaustive in nature:
- i) the Classification(s) from which layoff(s) have occurred or are to take place;
 - ii) the number of Requests received;
 - iii) the number of Eligible Employees in a location which would not require a change of residence by the Eligible Employee(s) to accept a reasonable reemployment opportunity;
 - iv) the reasonable reemployment opportunities the Employer anticipates during the 24 month period outlined in Article 24:19;
 - v) the Employer's potential obligations under the group termination provisions of *The Employment Standards Code*; and
 - vi) the date identified in the Request that if accepted the permanent lay-off shall be effective.
- (d) The Employer may require a reasonable amount of time to consider a Request. In the interim, an Eligible Employee may be obligated to make certain elections or decisions pursuant to Article 24. A Request made by an Eligible Employee does not suspend the Eligible Employee's obligations to make decisions on displacement, retirement or placement on the re-employment list or reasonable re-employment opportunities.
- (e) An Eligible Employee may request to withdraw their Request prior to the lay-off date for consideration by the Employer. If approved by the Employer, the employee has forfeited their displacement rights under Article 24, if eligible. If the Employer approves the withdrawal of the Request such decision will not impact the individual processes already completed as outlined in Article 24.
- (f) If a Request or Offer is accepted, the Eligible Employee's employment with the Employer will be terminated effective the date set forth in the Offer or Request and Permanent Lay-off Severance shall be paid.
- (g) Provisions under Article 24 and 25 continue to apply.

(h) Seasonal departmental and term employee(s) may not make a Request.

VACATION

- 27:01 For purposes of this Agreement, a vacation year is the period beginning on April 1 and ending on March 31 of the next year.
- 27:02 Vacation leave credits are calculated based on accumulated service. In addition, for purposes of calculation of vacation credits only, an employee shall be considered to have earned accumulated service in accordance with the following:
- (a) where an employee is absent due to injuries or disabilities for which compensation is paid under The Workers Compensation Act, vacation leave shall accumulate as if the employee were not absent, but the extent of such accumulation shall not continue beyond twelve (12) consecutive calendar months from the date the absence, related to the injury or disability, commenced;
 - (b) full-time employees will receive vacation credits during approved leaves of absence without pay up to a maximum of forty (40) hours (8-hour days); thirty-six and one-quarter (36.25) hours (7.25-hour days); or thirty-eight and three-quarter (38.75) hours (7.75-hour days) as applicable in a vacation year.
- 27:03 Under no circumstances can an employee earn more than the maximum vacation credits that can be accumulated in any vacation year; i.e. fifteen (15), twenty (20), twenty-five (25) or thirty (30) vacation credits per vacation year.
- 27:04 Employees shall earn vacation leave credits during each vacation year on the following basis:
- (a) employees who have completed less than two (2) calendar years of service, shall earn vacation credits at the rate of a maximum of fifteen (15) credits for 2,080 (2,015) (1,885) hours of accumulated service to be taken in the vacation year following the vacation year in which the vacation is earned;
 - (b) commencing from the beginning of the vacation year in which two (2) calendar years of service will be completed, employees shall earn vacation credits at the rate of a maximum of twenty (20) credits for 2,080 (2,015) (1,885) hours of accumulated service to be taken in the vacation

- year in which three (3) calendar years of service are completed and yearly thereafter;
- (c) commencing from the beginning of the vacation year in which nine (9) calendar years of service will be completed, employees shall earn vacation credits at the rate of a maximum of twenty-five (25) credits for 2,080 (2,015) (1,885) hours of accumulated service to be taken in the vacation year in which ten (10) calendar years of service are completed and yearly thereafter;
 - (d) commencing from the beginning of the vacation year in which nineteen (19) calendar years of service will be completed, employees shall earn vacation credits at the rate of a maximum of thirty (30) credits for 2,080 (2,015) (1,885) hours of accumulated service to be taken in the vacation year in which twenty (20) calendar years of service are completed and yearly thereafter;

Notwithstanding subsections (a), (b), (c) and (d), employees terminating in their second (2nd) calendar year of service shall have their vacation leave credits cashed out at the rate of a maximum of fifteen (15) credits for 2,080 (2,015) (1,885) hours of accumulated service. Employees terminating in their ninth (9th) calendar year of service shall have their vacation leave credits cashed out at the rate of a maximum of twenty (20) credits for 2,080 (2,015) (1,885) hours of accumulated service. Employees terminating in their nineteenth (19th) calendar year of service shall have their vacation leave credits cashed out at the rate of a maximum of twenty-five (25) credits for 2,080 (2,015) (1,885) hours of accumulated service.

- 27:05 To calculate the number of vacation hours an employee has earned in a vacation year:
- (a) determine the number of hours of accumulated service as determined in Section :02 that the employee has earned in a vacation year to a maximum of 2,080 (2,015) (1,885) hours;
 - (b) divide by 2,080 (2,015) (1,885);
 - (c) multiply by the employee's vacation leave credit accrual rate, i.e. fifteen (15), twenty (20), twenty-five (25), or thirty (30);
 - (d) multiply by the daily hours for the employee's classification, i.e. eight (8) or seven and three-quarters (7³/₄) or seven and one-quarter (7¹/₄) and round down to the nearest quarter (1/4) hour.

Example: An employee has 1,920 hours of accumulated service in the vacation year, the employee's credit rate is fifteen (15) and the employee's classification is an eight (8) hour day classification. $1,920 \div 2,080 \times 15 = 13.846 \times 8 = 110.768$ rounded down to 110.75 vacation hours eligible to be taken in the following vacation year.

- 27:06 Vacation credits do not accrue when an employee receives a vacation pay cash out in lieu of vacation time taken.
- 27:07 An employee shall accumulate vacation credits from the date of commencement of employment.
- 27:08
- (a) Subject to Section :08(e) vacation leave shall be taken in the vacation year following the vacation year in which it is earned. However, with the approval of the employing authority, vacation that has been earned in a vacation year may be taken in that vacation year;
 - (b) under no circumstances shall vacation leave be taken in advance of when it was earned;
 - (c) where operational requirements permit, vacation leave may be taken subject to the approval of the employing authority;
 - (d) the employing authority may authorize vacation to commence on any day;
 - (e) the employing authority may authorize that vacation leave be carried forward to the next following year to supplement the vacation period in that year, but in no case will a vacation carry-over be allowed which comprises more than one (1) previous year's vacation entitlement;
 - (f) the employing authority may authorize an employee to take vacation leave in two (2) or more periods;
 - (g) an employing authority, if it finds it necessary, may require an employee to take vacation leave in two (2) or more periods. Normally any such periods shall not be less than one (1) week in length.

27:09 Where an employee dies, the employee's estate shall receive the employee's accumulated vacation credits.

27:10 Where an employee is moved from one (1) department to another, the employee's accumulated

vacation leave is a charge against the department to which the employee is moved unless the department to which the employee is moved requires the employee to take the accumulated vacation leave before the date of the move.

- 27:11 The following vacation provisions shall apply only to those designated departmental employees of the Department of Infrastructure and Transportation who have regularly been assigned by the department to work a work week of forty-five (45), fifty/forty (50/40) or fifty-four (54) hours as set out in Subsections 2:02 (a), (b) and (c) of the Trades, Operations and Services Component:
- (a) eligible employees shall accrue vacation credits based on their accumulated service in the vacation year.  - (i) 2,528 hours for fifty-four (54) hour week employees
 - (ii) 2,240 hours for forty-five (45) and fifty/forty (50/40) hour week employees;
 - (b) when taking vacation, these employees shall have their vacation credits reduced by their actual scheduled hours for the day/week of vacation, i.e. based on an eight (8), nine (9), ten (10), or eleven (11) hour day.
- 27:12 The rate of pay for vacation time for daily and hourly paid departmental employees shall be, in general, the current rate for that type of work which the employee would have been doing had the employee not been on vacation, as determined by the supervisor. Where the type of work and/or rate of pay could be expected to vary during the period of vacation, the rate or rates of pay for vacation may also vary, with their distribution during the period being according to the judgement of the supervisor, having in mind the employee's immediately preceding similar period of employment and/or the rate distribution of the substitute employee during the employee's vacation, etc.
- 27:13 Where an employing authority has been unable to schedule part or all of an employee's vacation within the vacation year and as a result finds it necessary to restrict the whole or part of the vacation leave of an employee, the employing authority may authorize payment in lieu of vacation. Such pay shall not be subject to deduction of pension fund contributions or life insurance contributions. An employee whose vacation leave has been restricted may, in lieu of receiving such pay, elect to carry over such vacation leave to the following year.
- 27:14 Subject to the requirements of personnel in a branch of a department, vacation leave shall be rotated regardless of seniority of employment.

SICK LEAVE

- 28:01 It is agreed by both parties that earned sick leave entitlement shall be granted by Workforce Relations where an employee is unable to be at work and perform the employee's regular duties as a result of illness or injury.
- 28:02 The sick leave to which an employee is entitled shall accumulate:
- (a) during the first four (4) years of calendar service at the rate of 4.0 (3.875) (3.625) hours for each 80 (77.5) (72.5) hours of accumulated service; and
 - (b) after the first four (4) years of calendar service, at the rate of 8.0 (7.75) (7.25) hours for each 80 (77.5) (72.5) hours of accumulated service.
- 28:03 Sick leave with pay up to but not exceeding the net amount of entitlement will be paid to hourly paid employees based on the number of hours they normally would have been scheduled to work on the day they were absent on sick leave.
- 28:04 Subject to Sections :05 and :06, sick leave shall not accumulate beyond two hundred and eight (208) working days (1,664 (1,612) (1,508) hours).
- 28:05 An employee who has been absent on sick leave with pay, upon returning to work, shall continue to accumulate sick leave up to a maximum of two hundred and eight (208) working days (1,664 (1,612) (1,508) hours) in accordance with Section :02.

- 28:06 An employee shall accumulate sick leave credits from the date of commencement of employment.
- 28:07 Sick leave shall not be taken in advance of when it is earned.
- 28:08 Sick leave shall not accumulate during periods when an employee is absent on sick leave and/or absent on Workers Compensation for a period of more than ten (10) consecutive working days.
- 28:09 Where an employee is to be absent because of illness, the employee shall endeavour to notify the employee's immediate supervisor of the absence due to illness at least one hour (1) prior to and not more than thirty (30) minutes after the normal hour of beginning work, or as soon thereafter as the means of communication permit.
- 28:10 An employee who has been absent because of sickness for a period of more than three (3) consecutive working days shall furnish, when requested by Workforce Relations and/or the employer, at any time during or after this period of sickness, a medical certificate or sworn statutory declaration certifying that the employee is or was unable to be present at work because of the illness. - 28:11 An employee who has been absent because of sickness for a period of three (3) working days or less may be required to furnish, when requested by Workforce Relations and/or the employer, either a medical certificate or a sworn statutory declaration as required under Section :12. Failure to produce a certificate or statutory declaration acceptable to Workforce Relations and/or the employer will result in a loss of pay for the period of absence.
- 28:12 Where an employee becomes ill during the period of the employee's scheduled annual vacation, the employing authority may grant sick leave and credit the employee with alternate days vacation equivalent to the number of days approved sick leave providing the illness is over three (3) days and may require hospitalization. The employee will be responsible to provide proof of illness and/or hospitalization satisfactory to the employing authority. The application of this clause to employees subject to Article 9 - Vacation in the Social Sciences Component, shall be to a maximum of ten (10) working days.

GRIEVANCE PROCEDURE

- 49:01 The parties to this Agreement recognize the desirability for prompt resolution of grievances through an orderly process without stoppage of work or refusal to perform work.
- 49:02 A **"grievance"** is defined as a complaint in writing concerning:
- (a) the application, interpretation, or alleged violation of an Article of this Agreement or The Public Service Act or a signed Memorandum of Understanding or a signed Memorandum of Agreement between the parties;
 - (b) the dismissal, suspension, demotion, or written reprimand of an employee.

The above categories of grievances can be processed up to and including Step 3 of the grievance procedure.

- 49:03 Notwithstanding Section :02, an employee may complain or grieve on any unsatisfactory working condition up to and including Step 2 of the grievance procedure. The decision at Step 2 shall be final for such grievances.

- 49:04 Where a grievance has been initiated and the nature of the grievance is such that it has or potentially could have widespread application affecting a number of employees in more than one (1) department; and where as a result the Union deems it impractical that each affected employee grieve separately, the Union shall have the right to present a group grievance on those matters as defined in Subsection :02(a). A group grievance shall be presented directly to the assistant deputy minister of Labour Relations within twenty (20) working days following the date upon which the employee(s) were notified orally or in writing, or on which the employee(s) first became aware of the action giving rise to the grievance.
- 49:05 Where either party to this Agreement disputes the general application, interpretation or alleged violation of an Article of this Agreement or of The Public Service Act or a signed Memorandum of Understanding or a signed Memorandum of Agreement between the parties, either party may initiate a policy grievance. - 49:07 Notwithstanding Section :09, a grievance filed under Section :05 shall not require the signature of an employee.
- 49:08 If an employee or the Union fails to initiate or process a grievance within the prescribed time limits, the grievance will be deemed to be abandoned and all rights of recourse to the grievance procedure for that particular grievance shall be at an end. If Management fails to reply to a grievance within the prescribed time limits, the employee or the Union may process the grievance to the next step. Either party may request an extension of the time limits providing such extension is requested prior to the expiry of the time allowed. An extension, if requested, shall not be unreasonably withheld.
- 49:09 Wherever possible, the grievance shall be presented on the Official Grievance Form. A written description of the nature of the grievance and the redress requested shall be sufficiently clear and if the grievance relates to an Article of the Agreement, such Article shall be so stated in the grievance. The grievance shall be signed by the employee and may be clarified at any step providing its substance is not changed. A form authorizing the Union to act on the employee's behalf will accompany the grievance. Except for failure to meet the time limits, a grievance shall not be deemed to be invalid if it is not written on the Official Grievance Form or for failure to quote the Article in dispute.
- 49:10 It is mutually agreed that an effort shall be made to resolve complaints through discussion before a written grievance is initiated. The aggrieved employee shall have the right to have a representative present at such a discussion. When a grievance cannot be presented in person at any step, it may be transmitted by registered mail.
- 49:11 An employee has the right to representation by a Union representative at any step of the grievance procedure.
- 49:12 **Step 1:**

- (b) the director or designate shall sign for receipt of the grievance and if the nature of the grievance is such that the director or designate is authorized to deal with it, the director or designate shall issue a decision in writing to the employee and to the Union within fifteen (15) working days;
- (c) the director or designate may hold a hearing to discuss the grievance with the employee and the employee's representative before giving a decision on the grievance;
- (d) if the nature of the grievance is such that a decision cannot be given below a particular level of authority, the director or designate shall forward the grievance to the appropriate authority at the appropriate step of the grievance procedure and so inform the employee and the Union. The time limits and the procedures of the appropriate step shall then apply;
- (e) where the director or designate at Step 1 is a steward or officer of the Union, the grievance shall automatically be referred by the Director or designate to Step 2.

49:13 **Step 2:**

- (a) If the grievance is not resolved satisfactorily at Step 1, the employee shall submit the same grievance and the redress requested to the deputy minister or designate within fifteen (15) working days of the receipt of the decision at Step 1;

For those grievances concerning unsatisfactory working conditions as defined in Section :03, the deputy minister or designate shall hold a hearing to discuss the grievance with the employee and the employee's representative before giving a decision on the grievance.

49:14 **Step 3:**

A decision of the deputy minister or designate may be submitted to arbitration in accordance with Article 50 – Grievance Arbitration Procedure. The decision of the single arbitrator shall be final and binding for all such grievances. Union approval is required to submit any grievance to arbitration.

- 49:15 Grievances concerning demotion, suspension, dismissal or the selection of an employee for a position within the bargaining unit shall be initiated at Step 2 of the grievance procedure within twenty (20) working days of the date that the employee became aware of the action.
- 49:16 Subject to Section :07 of Article 13 – Probation and Assessment, the rejection of an employee on probation is not appealable or arbitrable.
- 49:17 Subject to Section :13 Step 2, an employee or the Union may withdraw a grievance at any step of the grievance/arbitration procedure by giving written notice to the department concerned. An employee may abandon a grievance by not processing it within the prescribed time limits.
- 49:18 Classification disputes shall not be channelled through Steps 1 and 2 of the grievance procedure.

- (c) a single arbitrator shall be considered to be an Arbitration Board for purposes of this Article.

50:05 By mutual agreement between the parties, the grievance matter may be referred to a mediator chosen by the parties or the parties may appoint the single arbitrator, chosen in accordance with 50:04 as a mediator/arbitrator.

If referred to a mediator, the arbitration hearing date shall be established independent of the mediation process. The mediation must be completed prior to the commencement of the arbitration.

If the single arbitrator is appointed as a mediator/arbitrator, the matter shall be heard as a mediation/arbitration.

50:06 Where the party initiating the arbitration proceedings wishes to request arbitration by a three (3) person board, the notice referred to in Section :04 shall contain the first party's appointee to the Arbitration Board. The following procedure will then apply:

50:07 Where the matter is submitted to the Arbitration Board, the Arbitration Board shall commence hearings within ten (10) working days of the matter being submitted to the Board and shall hear evidence and argument submitted by or on behalf of the parties relevant to the matter submitted and shall make a decision thereon in the form of an award of the Arbitration Board.

50:08 The Arbitration Board shall hear and determine the difference or allegations and shall issue a decision, which decision shall be final and binding and enforceable upon the parties and upon any employee or employees affected by it.

50:09 The Arbitration Board may summon before it any witnesses and require them to give evidence on oath, orally or in writing, and to produce such documents and evidence as the Arbitration Board deems requisite to the full investigation and consideration of the matters referred to it.

50:10 The Arbitration Board shall submit a report on the findings and the decision of the Board within fourteen (14) days following the completion of the hearing to the parties.

- 50:11 Any of the time limits referred to above may be extended by mutual agreement of the parties hereto.

- 50:14 The Arbitration Board shall expressly confine itself to the issue submitted to the Board, and shall have no authority to make a decision and/or recommendation on any other issue not so submitted to the Board.
- 50:15 Where the Arbitration Board determines that an employee has been dismissed or otherwise disciplined by an employing authority for cause, and provided the collective agreement does not provide a specific remedy or penalty for the cause of the dismissal or disciplinary action, the Arbitration Board may substitute such other penalty or remedy in lieu of dismissal or the disciplinary action as the Board deems just and reasonable under the circumstances.
- 50:16 The expenses incurred by and in respect of an Arbitration Board shall be paid as follows:

COURT LEAVE

- 63:01 An employee who is summoned for jury duty or who receives a summons or subpoena to appear as a witness in a court proceeding, other than a court proceeding occasioned by the employee's private affairs, shall be granted a leave of absence with pay for the required period of absence and all witness fees received by the employee shall be remitted to the government.
- 63:02 For employees in the Corrections and Health Components, should an employee be summoned or subpoenaed for matters occasioned by the employee's work during the employee's off duty hours, or while the employee is on vacation, the employee shall receive applicable overtime rates in accordance with the overtime provisions of the Component if applicable. An employee's lost vacation time will not be re-credited.

ACTING STATUS

- 64:01 Where an employing authority or designate directs an employee employed in one (1) position to temporarily take over the duties and responsibilities of some other position having a higher grade of pay, and provided the employee takes over and continues to perform for ten (10) or more consecutive working days the duties and responsibilities of that other position, the employee shall be appointed temporarily to that other position with acting status and shall be paid at the rate of pay for that other position from the date of taking over the duties and responsibilities of that other position until the temporary appointment is revoked; and upon the temporary appointment being revoked the employee shall, unless appointed or promoted to some other position, revert to the employee's original position and be paid at the rate of pay for the employee's original position that the employee would be paid if the employee had never held the temporary appointment.
- 64:02 For purposes of interpretation of this Article, "**duties and responsibilities**" means the duties and responsibilities that would have been performed by the incumbent during the period in which the incumbent had been replaced.

- 64:03 Where an acting status appointment to a position within the bargaining unit will exceed twelve (12) continuous months, the department will notify the Union of the reasons. A meeting may be held to discuss the matter at the request of the Union. The employee who is in acting status may attend at the request of either party.
- 64:04 Section :03 does not apply where an employee is replacing an employee who is absent for any reason.
- 64:05 In the application of 64:01 where the temporary appointment is to a position which normally has a modified work week consisting of more than eight (8) hours per day, the threshold for qualifying for Acting Status shall change from continuing to perform the duties for ten (10) consecutive working days to continue to perform the duties for the equivalent of eighty (80) consecutive working hours.

ACCOMMODATIONS

- 65:01 Employees requiring accommodation shall be advised of their right to have a union representative present by the employer. It is the employee's responsibility to arrange attendance by a representative of the Union. An accommodation refers to the protected characteristics identified within the Human Rights Code.

In witness whereof the Honourable Minister charged with the administration of *The Public Service Act* has hereunto set his hand for, and on behalf of, His Majesty the King in Right of the Province of Manitoba, and the President of the Manitoba Government and General Employees' Union has hereunto set his hand for, and on behalf of, the Manitoba Government and General Employees' Union.

APPENDIX "B"

REMOTENESS ALLOWANCE

- 1:01 Remoteness allowances shall be paid to employees subject to the eligibility criteria and conditions laid down in this Article.
- 1:02 **Eligibility claim:** a notarized eligibility claim, in a standard format to be determined by the government in accordance with the provisions of this Article for the payment of dependant's or single rate of allowances shall be submitted to the employing authority when first requesting the allowance, and renewed not less frequently than annually thereafter, normally prior to the fiscal year or where any change in dependents claimed arises.
- 1:03 **Single or dependant's allowance:** subject to Section :05, the single allowance will be paid to employees that have established a residence and maintain a home in a location designated as a remote location and who are eligible for the payment of a remoteness allowance. Claims for dependant's allowance will be subject to Sections :04 and :05 and to the following criteria and conditions:
- The employee shall be supporting one (1) or more dependents where a dependent includes:
- (a) marital partner living with and dependent on the employee for main and continuing support;
 - (b) an unmarried child under eighteen (18) years of age;
 - (c) an unmarried child over eighteen (18) years but under twenty-one (21) years if in full time attendance at school or university or similar educational institution;
 - (d) an unmarried child of any age who is infirm (i.e. has impairment in physical or mental function), provided such a child is dependent on the employee for support.
- 1:04 There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement between the marital partners must have been in existence for at least one (1) year prior to the application for dependant's rate.
- 1:05 Where both marital partners are employees of the Government of Manitoba in any department, board, agency or commission to which this Agreement applies, but subject to Section :06 that follows, the dependent rate shall be paid to one (1) partner only and the other partner will not receive either the dependent or single rate of remoteness allowance.
- 1:06 Where both marital partners are employees of the Government of Manitoba in any department, board, agency or commission to which this Agreement applies, the dependent rate will be paid to the permanent employee, if the other partner is temporary or departmental, or the first employee to be hired on a permanent basis, otherwise to the first employee hired. Where specially requested by both employees in writing, the dependant's rate may be divided and equal amounts (to the nearest cent) paid to each employee.
- 1:07 **Locations and Residence**

The remoteness allowance applicable to the location at which the employee has established the employee's residence and maintains a family home is normally that which prevails; since the residence would be within normal daily travel distance to the employee's headquarters. Where there is doubt as to whether the employee's residence is established in relation to the employee's headquarters the location for remoteness allowance shall be determined by the employing authority. Where there is no community in relation to which the employee has a residence, for which an allowance can be established, the nearest community to the designated employee's workplace shall be considered to be the location for the allowance.

1:08 **Hourly Rated Personnel & Employees Hired on an "If, As and When" Basis**

Remoteness allowances are to be determined separately from hourly wage rates. Except for employees hired on an "if, as and when" basis, remoteness allowances are to be considered on a daily basis, i.e. one-tenth (1/10th) of the bi-weekly rate, up to the maximum amount for the bi-weekly period, for the following conditions:

- (a) for each day the employee is at work irrespective of the number of hours worked; or
- (b) for each day that the employee is recognized as being on "stand by".

In order to qualify for the daily rate, an employee hired on an "if, as and when" basis is required to work one-half (1/2) or greater of the normal working hours, i.e. seven and one-quarter (7¼) or eight (8) hours in any one day.

1:09 Section :08 applies to all part-time employees on staff as of August 10, 2000. For all other part-time employees, remoteness allowances will be pro-rated based on the number of hours an employee works. Example: if an employee works fifty percent (50%) of the hours of a full time employee, the employee will receive fifty percent (50%) of the remoteness allowance.

1:10 **Limitations**

The remoteness allowances for the various communities, for single or dependant's as indicated, represent a maximum bi-weekly allowance relative to paid employment. They are payable during paid holidays and vacations taken during continued employment, during authorized paid sickness leave during continued employment, and as limited in Section :08 above for hourly-rated employees. They are not payable during periods of absence without pay. They are not included as part of regular earnings.

1:11 **Rates**

The bi-weekly remoteness allowances relative to each location at single and dependent rates are attached. Communities in an eligible area for which no allowance has been established may be added to the list in accordance with the government formula.

1:12 **Geographic Eligibility**

No location will be included for remoteness allowance that is two hundred and fifty (250) kilometres or less from the centre of the metropolitan area of the City of Winnipeg or the City of Brandon, unless that location is a distance of sixty-five (65) kilometres or more by the most direct road to a provincial trunk highway or paved provincial road, and the aggregate distance to the highway or paved road and then to Winnipeg or Brandon totals two hundred (200) or more kilometres. No location having road access and situated south of the fifty-third (53rd) parallel of latitude will be included unless the criterion concerning off-highway access was met.

1:13 **Bunk-houses or Similar Accommodations**

- (a) In areas where a remoteness allowance has been established, or can be established in relation to a specific community, where employees are provided with living quarters but are not provided board, such employees shall receive twenty-five percent (25%) of the remoteness allowance applicable to that community. In lieu of the twenty-five percent (25%) of the remoteness allowance, employees in the listed locations will receive the following:

- (b) where such employees are to be stationed under such conditions in a remote location on a semi-permanent basis, i.e. for a period of three (3) months or more, they shall receive in addition twenty-five percent (25%) of the remoteness allowance applicable to that community;
- (c) the rates shall be based on the community closest to the location where accommodation is supplied;
- (d) employees stationed in a remote area who are provided with room and board shall not receive any form of living or remoteness allowance;
- (e) this section does not apply to employees who are eligible for Remoteness Allowance.

1:14 A full time employee eligible for remoteness allowance as provided in this schedule shall be eligible, in each fiscal year (April 1 to March 31), to receive up to a maximum of two (2) days of Special Northern Leave without loss of regular pay.

APPENDIX "C"

APPLICATION OF BENEFITS TO PART-TIME EMPLOYEES

DEFINITIONS

- 1:01 "part-time employee" means an employee who normally works less than the full normal daily, weekly or monthly hours of work, as the case may be, and whose work follows an ongoing, predetermined schedule of work on a regular and recurring basis.
- 1:02 "**casual employee**" means an employee who normally works less than the full normal daily, weekly or monthly hours of work, as the case may be, and whose work is irregular, or non-recurring or does not follow an ongoing predetermined schedule of work on a regular and recurring basis. Notwithstanding the foregoing, casual employees may be employed for a short duration to replace employees who are absent for any reason.
- 1:03 "**accumulated service**" means the equivalent length of service acquired by the employee in accordance with the following:
- (a) accumulated service is calculated based on all hours for which an employee has received regular pay. This includes regular hours worked and approved leaves of absence from the Government of Manitoba where regular pay is maintained;
 - (b) accumulated service does not include overtime hours or any leaves of absence without pay or with partial pay including but not limited to suspensions without pay, worker's compensation and other leave situations;
 - (c) accumulated service must be continuous service;
 - (d) one year of accumulated service for employees in eight (8) hour per day classifications equals 2080 hours of accumulated service. For seven and three-quarter (7¾) hour per day employees one (1) year of accumulated service equals 2015 hours of accumulated service. For seven and one-quarter (7¼) hour per day employees one year of accumulated service equals 1885 hours of accumulated service. The figures for seven and three-quarter (7¾) hour per day classifications and seven and one-quarter (7¼) hour per day classifications are shown in brackets after the figures for the eight (8) hour per day classifications (e.g. 2,080 (2,015) (1,885) hours);
 - (e) when an employee converts from a seven and three-quarter (7¾) hour per day classification or a seven and one-quarter (7¼) hour per day classification to an eight (8) hour per day classification or vice-versa, the employee's accumulated hours of service at the time of conversion will be converted to accumulated years of service. Example: A seven and one-quarter (7¼) hour per day employee works for six (6) months during the year and acquires 942.5 hours of accumulated service. The employee then moves into an eight (8) hour per day classification. The employee's hours are converted as follows:

$$942.5 \text{ hours} \div 1885 \text{ hours} = .50 \text{ years of accumulated service.}$$
 The employee then accumulates service in the eight (8) hour per day classification for the remainder of the year;
 - (f) an employee can only receive a maximum of one (1) year of accumulated service in any twelve (12) month period.
- 1:04 "**calendar service**" means the length of continuous service from the employee's most recent date of hire to the present. Periods of lay-off, while not affecting the continuity of service, are not included in the calculation of calendar service.

APPLICATION

- 2:01 The Master Agreement applies only to part-time and term employees who fall within the scope of this collective agreement as outlined in Article 4:01.
- 2:02 The Master Agreement applies to part-time employees effective the first of the bi-weekly pay period following the attainment of 336 (325½) (304) hours of accumulated service.

- 2:03 Management will determine whether an employee is part-time or casual in accordance with Sections :01 and :02. MEMORANDUM OF AGREEMENT #5**SUBJECT: RIOT, HOSTAGE TAKING, ASSAULT**

In the event of a riot, hostage taking or physical assault upon an employee by an inmate, which adversely affects those employees directly involved in the handling of the incident, the Employer shall take the following considerations into account if an employee advises that the employee is unable to return to work in the employee's previous position:

1. The degree of injury or trauma suffered by the employee as a direct result of involvement in the incident.
2. Whether the injury or trauma required hospitalization or extensive medical or psychiatric treatment as determined by a medical practitioner.
3. The availability of existing compensation provisions, i.e. Workers Compensation and long term disability, statutory benefits and assistance programs to address the period of injury or trauma affecting the employee's ability to return to the employee's former position.
4. The employee has the option to have a union representative present at any meeting with the Employer.

Based upon these considerations, the Employer, in consultation with the Union, shall make every reasonable effort to find a suitable alternate position with the Employer within a reasonable period of time. The parties agree to meet to discuss and review the impact of any major disturbance with a view to finding improved solutions, should such an incident occur during the life of the Agreement.

MEMORANDUM OF AGREEMENT #7

**SUBJECT: STANDARDIZED BENEFIT CALCULATIONS FOR HOURS OF WORK VARIATIONS
(I.E. 12 HOUR SHIFT PATTERNS)**

The parties agree to vary the terms and conditions of the Government Employees' Master Agreement (GEMA), and the Component Sub-Agreement for certain groups of employees who work shifts other than the standard eight (8) hour day and forty (40) hour week as per Hours of Work Articles contained in the applicable Component Sub-Agreement.

The purpose of this Memorandum is to provide standardized benefit administration for non-standard shifts.

Any term and condition not specifically mentioned in this Memorandum shall continue to be applied in accordance with the provisions of the GEMA and the applicable Component Sub-Agreement.

General Principle

Where a benefit is to be calculated for an employee working under the terms and conditions of a variation to the work day or work week, it shall be calculated in a manner such that:

- (a) there shall be no increased costs to the employer when compared to standard eight hour day employee.
- (b) the benefit shall be pro-rated in a manner that will provide an equivalent benefit to employees working a regular work day and work week.

1. Hours of Work

- (1) Employees shall work an average of eighty (80) hours bi-weekly based on the shift schedule.
- (2) Employees covered by the terms of this Memorandum may be scheduled to work more than eighty (80) regular hours of work in any bi-weekly pay period without incurring overtime.

2. Overtime

Daily overtime shall be paid after the normal scheduled daily hours (e.g. twelve hour shift - overtime paid after twelve hours). On an employee's days of rest, overtime shall be paid at the rate of double time (2x) for all time worked.

Employees categorized as regular part-time and part-time term who work twelve hour shifts in the Department of the Attorney-General Corrections Division shall be eligible for overtime as follows:

(a) Daily Overtime

Where a part-time employee is scheduled to work a twelve hour day the employee shall be eligible to receive overtime after completion of twelve hours.

(b) Bi-weekly Overtime

Where a part-time employee is scheduled to work twelve hour shifts that employee shall be eligible to receive overtime after the completion of eighty-four (84) hours in the bi-weekly pay period.

N.B.

Where a regular part-time or part-time term employee is temporarily appointed to a full-time position on a regular shift he shall be eligible for overtime in accordance with that regular shift schedule, i.e. consistent with overtime payment to regular full-time employees.

Part-time employees in the Department of Justice - Corrections Division are eligible for overtime only after (8) hours worked, unless the employee has been scheduled to work a shift which exceeds (8) hours.

3. Sick Leave

Where an employee is absent due to illness, his sick leave credits shall be reduced by a pro-rated amount (e.g. twelve hour shift - sick leave reduced by twelve hours).

4. Vacation

(1) Vacation leave shall be converted to hours in accordance with the following:

- (a) 3 weeks vacation = 3 x 40 = 120 hours
- (b) 4 weeks vacation = 4 x 40 = 160 hours
- (c) 5 weeks vacation = 5 x 40 = 200 hours
- (d) 6 weeks vacation = 6 x 40 = 240 hours

(2) An employee on vacation shall have his vacation entitlement reduced by the total number of hours that he would have been scheduled to work while on vacation.

5. Shift Premium

Where an employee works a shift, where half ($\frac{1}{2}$) or more of the hours are during shift premium hours (as per the applicable Component Sub-Agreement) the employee shall receive a shift premium in accordance with the following formula:

$$\frac{\text{hours worked}}{8} \times \text{applicable shift premium} = \text{shift premium}$$

6. Holidays

Employees shall be compensated for holidays as follows:

- (i) Where a holiday falls on an employee's day of rest and he is not required to work on that day he shall receive at his option eight (8) hours time off or eight (8) hours pay in lieu.
- (ii) Where a holiday falls on an employee's day of rest and he is required to work that day he shall receive at his option eight (8) hours time off or eight (8) hours pay in lieu, plus he shall be paid at the rate of double time (2x) for all time worked.
- (iii) Where a holiday falls on an employee's regular work day and he works, he shall receive his regular pay and an additional payment calculated at the rate of time and one-half ($1\frac{1}{2}x$) for all hours worked on that holiday.

7. Compassionate Leave

Compassionate Leave shall be converted to hours as follows:

- (a) Employee eligible for five days = 40 hours
- (b) Employee eligible for four days = 32 hours
- (c) Employee eligible for three days = 24 hours
- (d) Employee eligible for two days = 16 hours
- (e) Employee eligible for one day = 8 hours

8. Other Leaves

All authorized leaves with pay shall be converted to hours. Where an employee is eligible for one day leave with pay per the GEMA then the employee shall be eligible for eight (8) hours pay, e.g. employee eligible for one day paternity leave will receive eight hours leave with pay. Any additional time off required to provide the employee with a full shift off shall be at no cost to the employer (e.g. options to include leave without pay or charge to vacation leave or banked overtime).

This Memorandum of Agreement shall be effective from the date of signing up to and including September 30, 1994 and shall remain in force and effect from year to year thereafter unless written notice to negotiate a renewal is given by either party at least forty-five (45) days prior to the expiry date hereof.
