[Link to Delegate Book](#)

The MGEU has language in its governing documents to help ensure part-time, seasonal, and shift workers are not financially penalized for participating in bargaining. Existing policy provides avenues for compensatory union leave or union-paid time off where members lose hours or are required to attend negotiations and caucus sessions on scheduled days off, while also directing efforts to work with employers to minimize these impacts wherever possible. MGEU will apply these policies in a manner that respects the intent of this resolution.
