This Agreement made this 28th day of September, 2023.

between

Assiniboine Community College
(hereinafter referred to as the “Employer”)

of the first part

and

Manitoba Government and General Employees’ Union
(hereinafter referred to as the “Union”)

of the second part.

- 1:01** Wherever the singular and the masculine are used in this Agreement, the same shall be construed as meaning the plural, or the feminine or the neuter where the context so admits or requires and the converse shall hold as applicable.

Inadvertent failure to provide such notice shall not result in a right to conversion if the other conditions in Section :04 are not met. A meeting may be held with the employee to discuss this matter. The employee has the option to have a Union representative present.

- 5:07** Section :06 and :10 do not apply where a term employee is replacing an employee who is absent for any reason.
- 5:08** Where a term employee is re-employed within one-hundred fifty (150) days from the last day for which they were paid, service as of the end of the previous term of employment will be credited to the employee as consecutive service. The forgoing does not apply to a term of employment where an employee has resigned.
- 5:09** The Employer and the Union will meet in the month of June, or as otherwise mutually agreed, in each year to review the status of all term employees with more than twenty-four (24) continuous months of service.
- 5:10** (a) Term employees who accumulate twenty-four (24) months of consecutive service in accordance with Article 5:08 shall be entitled, for a period of one-hundred fifty (150) days, to a right of first refusal to fill the same term position provided it is available and subject to the following conditions:
- (i) Service was accumulated in the same position performing the same function;

- 7:02** The Employer and the Union shall administer this Article consistent with the definition of harassment and discrimination set out in the Manitoba Human Rights Code, Workplace Safety and Health Act and Manitoba Labour Relations Act.
- 7:03** The Employer shall maintain policies in relation to discrimination, harassment and respectful workplace and shall provide copies to all employees.

Article 9 Pay

- 9:01** Employees shall be paid on the basis of the hourly rates for an employee's assigned step in the applicable classification as set out in the classification and salary schedule. The biweekly pay shall be calculated by multiplying the applicable hourly rate of pay by the number of hours worked in a biweekly pay period. An employee's pay may also include the applicable premiums, supplements, allowances, overtime and any leave with pay in that period for which the employee is eligible, rounded to the nearest cent.
- 9:02** Where an employee is promoted to another position, the employee shall be paid at a rate of pay set out for that position in the Salary Schedule that is, if possible, one (1) full increment more than the rate of pay the employee was being paid in the employee's former position.
- 9:03** Where, in special cases, the application of the general rules for placing an employee on a step of a pay range works an injustice or does not make adequate provision, the Employer shall consult with the Union, and may make such provisions as may be necessary to maintain equity and parity among salaries of incumbents of such positions within the pay range of the classification. Such provisions may take the form of salary rate assignment of

incumbents to a proper and equitable step of the pay range of the classification of the position or to such a step of the pay range of the incumbent in the event that the pay range of the incumbent is lower than the pay range of the classification of the position.

9:04 Where an employee is granted a special merit or additional remuneration by the Employer, the Employer shall notify the Union.

(b) Upon written request to the Employer, within sixty (60) days of the date of the signing of this Agreement, retroactive pay adjustments for the period between the expiration of the previous Agreement and the date

of the signing of this Agreement shall be made to employees who have voluntarily terminated their services (resigned).

Article 11 Recruitment, Selection and Appointment

- (g) A term employee is being hired into a term position within one-hundred fifty (150) days of the expiration of their previous term of employment in the same position performing the same function and where their

appointment for that position was made through a competitive process. The foregoing does not apply where an employee has resigned; or

(h) The parties have otherwise mutually agreed to waive the posting and competitive process.

- 11:03** Where a competitive process is used, a competition bulletin shall be posted for a minimum of ten (10) working days unless mutually agreed otherwise, and shall state the closing date for applications, the location of the position, the classification and salary range (if available), duties and qualifications. The Union will be provided with a copy of all bulletins as they are issued. All internal applicants who meet the screening criteria established pursuant to the competition bulletin shall be interviewed for the position.
- 11:04** The selection of employees for vacant or new positions shall be on the basis of ability, prior work performance, relevant qualifications and seniority. Where ability and prior work performance, and relevant qualifications are relatively equal, seniority shall be the determining factor.
- 11:05** Notwithstanding the provisions of Section :04, first consideration for filling vacancies or new positions shall be given to persons on the college re-employment list.
- 11:06** Nothing in this article shall prevent the Employer from advertising outside the college for a position, nor from selecting a person from outside the college to a position subject to Section :04.
- 11:07** An employee who is notified that they are an unsuccessful applicant for a position shall be supplied with the reasons for non-acceptance within ten (10) days of making a written request to Human Resources. Article 12 Probationary Period

- 12:01** Subject to Section :07, every person appointed to a position shall be on probation for a period of six (6) months or for such longer period as may be established by the Employer. The Employer has established a probation period of twelve (12) months for appointments to the following positions:
- (a) Instructor;
 - (b) Curriculum Consultant.
- 12:02** Where an employee's probation period has been established for a period of less than twelve (12) months the Employer may extend the employee's probation period. Such extension when combined with the initial probation period shall not exceed twelve (12) months duration and the total shall be deemed to be the initial probation period.
- 12:03** An employee shall be notified in writing of any extension of the probation period under Section :02 prior to the expiry of the probation period. A meeting may be held with the employee to discuss the extension. The employee has the option to have a representative present.
- 12:04** After consultation with the Union, the Employer may extend the probationary period for an Instructor up to an additional twelve (12) months.
- 12:05** An employee who is rejected during the initial probation period may grieve the rejection at Step 2 of the grievance procedure within fifteen (15) working days from the date the employee received notice of the rejection. The college president or designate shall hold a hearing to discuss the grievance with the employee and the employee's representative. The decision at Step 2 shall be final for such grievances.

- 12:06** Where an employee has been rejected during probation following a promotion, upon such rejection the Employer will relocate the employee to their former position or to a position comparable to the former position.
- 12:07** An employee shall not be required to serve a further probation period when:
- (a) The employee is promoted without competition as a result of reclassification of the employee's position;
 - (b) The employee initiates a transfer to a position in the same classification involving similar duties and responsibilities;
 - (c) The Employer initiates the transfer or demotion of an employee from one position to another for any reason.
- 12:08** The rejection of an employee on probation is not arbitrable.
- 12:09** An employee who is being rejected during the employee's probation period shall be provided with two (2) weeks' notice or payment in lieu thereof.
- 12:10** An employee who is temporarily appointed to another position on an acting basis is not considered to be on probation. If the employee is subsequently promoted to that position, the period during which the employee was in acting status does not count towards the employee's probation period.

Article 13 Conduct of Employees

- 13:01** Each employee shall observe standards of behaviour consistent with the employee's function and role as a college employee and in compliance with the terms of this Agreement.
- 13:02** Where an employee is absent without leave for a period of two (2) weeks, the employee shall be considered to have abandoned their position and shall be deemed to have been terminated on the last day on which the employee was present at work and performed their regular duties.

Article 14 Performance Assessment

- 14:01** Where a formal assessment of an employee's performance is made, the employee concerned shall be given an opportunity to sign the assessment form upon its completion to indicate that its contents have been read. Employees shall have the right to place their own comments on the form where such space is provided or to append their comments to the form where no space is provided. An employee shall, upon request, receive a copy of the assessment.
- 14:02** An employee's performance shall be assessed against the duties of their official position description. The assessment process may also include other objective criteria which have been jointly developed between the employee and their supervisor for the purpose of performance assessment.

Article 15 Merit Increases

- 15:01** "Merit increase" means an increase in the rate of pay of an employee within the employee's pay range which may be granted on the employee's anniversary date in recognition of satisfactory service.
- 15:02** Subject to Section :03, the anniversary date of an employee is the first of the month which follows the date on which the employee is employed.
- 15:03** The anniversary date for an employee who as a result of promotion or transfer received an increase in rate of pay equivalent to two or more merit increases shall become the first day of the month that falls on or after the effective date of the promotion or transfer and the employee shall be eligible for their next merit increase twelve (12) months from the anniversary date established in accordance with this section.
- 15:04** Where the pay range for an employee's classification permits, an employee shall be eligible for a merit increase twelve (12) months from the employee's anniversary date established in accordance with this article provided the employee has accumulated 1,008 regular hours of work during that twelve (12) month period. If an employee has not accumulated 1,008 regular hours

during that twelve (12) month period and as a result has not received a merit increase, the employee is eligible for a merit increase at the employee's next subsequent anniversary date twelve (12) months hence provided the employee has accumulated 1,008 regular hours during the preceding twenty-four (24) month period. Appendix “B” - Remoteness Allowance

The parties agree to increase the remoteness allowance by the negotiated General Pay Increase in each year of the new Collective Agreement.

- 1:01** Remoteness Allowances shall be paid to employees subject to the eligibility criteria and conditions laid down in this Article.
- 1:02** Eligibility Claim: A notarized eligibility claim, in a standard format to be determined by the Employer in accordance with the provisions of the Article for the payment of dependent’s or single rate of allowances shall be submitted to the Employer when first requesting the allowance, and renewed not less frequently than annually thereafter, normally prior to the fiscal year or where any change in dependents claimed arises.
- 1:03** Single or Dependent’s Allowance: Subject to Section :05, the single allowance will be paid to employees that have established a residence and maintain a home in a location designated as a remote location and who are eligible for the payment of a remoteness allowance. Claims for dependent’s allowance will be subject to Sections :04 and :05 and to the following criteria and conditions:
- The employee shall be supporting one or more dependents where a dependent includes:
 - A marital partner living with and dependent on the employee for main and continuing support;
 - An unmarried child under 18 years of age;
 - An unmarried child over 18 years but under 21 years if in full time attendance at school or university or similar educational institution;
 - An unmarried child of any age if physically incapable or mentally disturbed provided such a child is dependent on the employee for support.
- 1:04** There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement between the marital

partners must have been in existence for at least one year prior to the application for dependent's rate.

- 1:05** Where both marital partners are employees of the college to which remoteness allowances apply, but subject to Section :06 that follows, the dependent rate shall be paid to one partner only and the other partner will not receive either the dependent or single rate of remoteness allowance. Such remoteness allowance will be pro-rated as per Section :08 for part-time employees.
- 1:06** Where both marital partners are employees of the college to which remoteness allowances apply, the dependent rate will be paid to the permanent employee, if the other partner is temporary or departmental, or the first employee to be hired on a permanent basis, otherwise to the first employee hired. Where specially requested by both employees in writing, the dependent's rate may be divided and equal amounts (to the nearest cent) paid to each employee. Such remoteness allowance will be pro-rated as per Section :08 for part-time employees.
- 1:07** Locations and Residence
The remoteness allowance applicable to the location at which the employee has established their residence and maintains a family home is normally that which prevails; since the residence would be within normal daily travel distance to the employee's headquarters. Where there is doubt as to whether the employee's residence is established in relation to their headquarters the location for remoteness allowance shall be determined by the Employer. Where there is no community in relation to which the employee has a residence, for which an allowance can be established, the nearest community to the designated employee's workplace shall be considered to be the location for the allowance.
- 1:08** Payment of remoteness Allowances
Remoteness allowances are to be determined separately from hourly wage rates.

For part-time employees, remoteness allowances are to be considered on a daily basis, i.e. one-tenth ($1/10$) of the bi-weekly rate, up to the maximum amount for the bi-weekly period, for the following conditions:

- (a) For each day the employee is at work, provided the employee worked one-half ($1/2$) or greater of the normal working hours, i.e. seven and one-quarter ($7\frac{1}{4}$) or eight (8) hours in any one day; or
- (b) For each day that the employee is recognized as being on standby.

Section 1:08(a) and (b) will apply to part-time employees on staff as of the date of signing this Agreement. For all other part-time employees, remoteness allowances will be pro-rated based on the number of hours an employee works. Example: if an employee works fifty percent (50%) of the hours of a full-time employee, the employee will receive fifty percent (50%) of the remoteness allowance.

For full-time employees, remoteness allowances are to be determined separately from hourly wage rates. Remoteness allowances are to be considered on a daily basis, i.e. $1/10$ of the biweekly rate, up to the maximum amount for the biweekly period, for the following conditions:

- For each day the employee is at work irrespective of the number of hours worked; or
- For each day the employee is recognized as being on standby.

1:09 Limitations

The remoteness allowances for the various communities, for single or dependents as indicated, represent a maximum bi-weekly allowance relative to paid employment. They are payable during paid holidays and vacations taken during continued employment, during authorized paid sickness leave during continued employment, and as limited in Section :08 above for hourly-rated employees. They are not payable during periods of absence without pay. They are not included as part of regular earnings.

1:10 Rates

The biweekly remoteness allowances relative to each location at single and dependent's rate are shown in Section :15 hereto. Communities in an eligible area for which no allowance has been established may be added to the list by mutual agreement of the parties.

1:11 Geographic Eligibility

No location will be included for remoteness allowance that is 250 kilometres or less from the centre of the metropolitan area of the City of Winnipeg or the City of Brandon, unless that location is a distance of 65 kilometres or more by the most direct road to a provincial trunk highway or paved provincial road, and the aggregate distance to the highway or paved road and thence to Winnipeg or Brandon totals 200 or more kilometres. No location having road access and situated south of the 53rd parallel of latitude will be included unless the criterion concerning off-highway access was met.

1:12 Bunk-houses or Similar Accommodations

In lieu of the twenty-five percent (25%) of the remoteness allowance, employees in the listed locations will receive the following:

Norway House	\$52.31	\$53.36

The parties agree to increase bunkhouse rates by the negotiated General Pay Increase in each year of a new Collective Agreement.

- (b) Where such employees are to be stationed under such conditions in a remote location on a semi-permanent basis (i.e. for a period of three [3] months or more), they shall receive in addition twenty-five percent (25%) of the remoteness allowance applicable to that community.
- (c) The rates shall be based on the community closest to the location where accommodation is supplied.
- (d) Employees stationed in a remote area who are provided with room and board shall not receive any form of living or remoteness Allowance.

1:13 No Duplication of Allowance by Reason of Retroactivity

Any person hitherto entitled to receive an allowance under provisions replaced hereby, in respect of the period during which those provisions were in force and effect, shall be entitled to receive hereunder only the difference, if any, between what the employee was entitled to receive under those provisions and what the employee is entitled to receive hereunder.

Appendix “C” - Application of Benefits to Part-time Employees

Definitions

- 1:01** “Part-time employee” means an employee who normally works less than the full normal daily, weekly or monthly hours of work, as the case may be, and whose work follows an ongoing, predetermined schedule of work on a regular and recurring basis.
- 1:02** “Casual employee” means an employee who normally works less than the full normal daily, weekly or monthly hours of work, as the case may be, and whose work is irregular, or non-recurring or does not follow an ongoing predetermined schedule of work on a regular and recurring basis.
- 1:03** “Accumulated service” means the equivalent length of service acquired by an employee by virtue of their employment; eg. for an employee in an eight (8) hour per day classification: (The figures for seven and one-quarter [$7\frac{1}{4}$] hour per day classifications are shown in brackets.)
- 8 ($7\frac{1}{4}$) hours work equals one day of accumulated service;
 - 40 ($36\frac{1}{4}$) hours work equals one week of accumulated service;
 - 80 ($72\frac{1}{2}$) hours work equals one biweekly pay period of accumulated service;
 - 168 ($152\frac{1}{4}$) hours work equals one month of accumulated service;
 - 2016 (1827) hours work equals one year of accumulated service.
- (a) For purposes of accumulated service, overtime hours are not included.
- (b) Accumulated service must be continuous service, i.e. there must have been no break in service involving termination of the employee.
- 1:04** “Calendar service” is based on continuous service with the Employer. eg. one (1) year of continuous employment equals one (1) year of calendar service.

Application

- 2:01** The Agreement applies to part-time employees effective the first of the biweekly pay period following the attainment of 336 (304½) hours of accumulated service.
- 2:02** This appendix does not apply to casual employees.
- 2:03** The Employer will determine whether an employee is part-time or casual in accordance with Sections :01 and :02. The parties agree to meet in an effort to resolve any problems which may occur as to whether an employee is part-time or casual. The matter may be referred to Labour/Management Committee for resolution.

Conversions

- 3:01** A part-time employee who is converted to casual is no longer covered by this appendix effective the date of the employee's conversion.
- 3:02** A casual employee who is converted to part-time status must complete the service requirement set out in Section 2:01 of this Appendix but receives no credit for calendar or accumulated service as a casual employee.
- 3:03** Where a part-time employee who has been covered by the collective agreement has been converted to casual employment and is subsequently reconverted to part-time employment with no break in service, the period of casual employment shall be treated as a period of leave of absence. While this does not affect the continuity of employment, the period of casual employment does not count as calendar or accumulated service for purposes of benefit determination.

General Principles

- 4:01** Where a benefit is to be pro-rated for a part-time employee it will be calculated so that if two (2) part-time employees were sharing a full time position the total cost to the Employer of that benefit is no greater than the cost of having the position filled by a full-time employee.

4:02 The factor used in pro-rating a benefit shall be determined by totalling the number of regularly scheduled hours the employee has worked in the preceding eight (8) weeks and dividing by 320 (290); i.e. 8 hours x 8 weeks x 5 days.

$$\text{Prorating factor} = \frac{\text{Number of regular scheduled hours the employee worked in the preceding eight weeks}}{320 (290)}$$

Benefits

5:01 Part-time employees will only be eligible for the benefits specifically identified in this section.

5:02 Holidays

- (a) An employee will be eligible for pay for a holiday on which the employee does not work provided the employee:
- (i) Did not fail to report for work after having been scheduled to work on the day of the holiday; and
 - (ii) Has not absented themselves from work without the consent of the Employer on their regular working day immediately preceding or following the holiday unless the employee's absence is by reason of established illness.
- (b) Where an employee is eligible for holiday pay or time in lieu the employee shall receive an amount calculated by multiplying the regular daily working hours for the employee's classification times the prorating factor.
- (c) Where the Employer requires an employee to work a full shift (i.e. seven and one-quarter [7¹/₄] or eight [8] hours) as a regular work day on December 24 when that day falls on Monday through Friday inclusive, such employee shall be entitled to one-half (1/2) day of compensatory leave with pay to a maximum of four (4) hours.

5:03 Vacation

- (a) **Employees shall earn vacation leave credits at the appropriate hourly pro-rated amount, as outlined in Article 25.**

- (a) **Employees shall earn sick leave credits at the appropriate hourly pro-rated amount, as outlined in Article 27:02.**
- (b) An employee starts accumulating service on **their first hour of work.**

- (d) Part-time employees are not eligible for additional sick leave extensions as provided under Article 27:06 – Sick Leave of the Agreement.

5:05 Compassionate Leave, Paternity Leave, Adoptive Leave, Family Related Leave, Court Leave

5:06 Maternity Leave

- (a) Part-time employees are eligible for Maternity Leave Plans A and B as set out in the Agreement.
- (b) To qualify for maternity leave, calendar service is used, i.e. seven (7) months.

- (c) An employee who qualifies is eligible for the full calendar time leave provided under the Agreement, i.e. twenty (20) weeks.
- (d) The application of ten (10) days' sick leave towards the EI waiting period will be calculated by multiplying the number of days accumulated sick leave the employee has (up to ten [10] days) by the prorating factor.

5:07 Workers' Compensation

An employee who is eligible for workers' compensation may use accumulated sick leave to supplement workers' compensation in accordance with Article 28 - Workers' Compensation.

5:08 Bridging of Service

Calendar service shall be the basis for determining eligibility for this benefit, i.e. four (4) years.

5:09 Severance Pay

Accumulated service is the basis for meeting the minimum service requirement in accordance with Article 23 - Severance Pay of the Agreement, and for the calculation of severance pay, eg. Ten and one-half (10½) years accumulated service multiplied by one (1) weeks pay equals ten and one-half (10½) weeks of severance pay.

5:10 Remoteness Allowance

Refer to the Agreement Appendix B Section 1:08.

5:11 Notice of Layoff, Resignation or Termination

- (a) The period of notice required to be given by the employee or the Employer is the same as that applicable to full-time employees.
- (b) Pay in lieu of notice shall be calculated by multiplying the number of weeks' notice by the prorating factor.

5:12 Merit Increases

Eligibility for merit increases will be based on calendar service provided the employee has received pay for at least 416 (377) hours exclusive of overtime.

5:13 Overtime

- (a) Daily overtime is only payable when the employee has worked beyond the normal daily hours for that classification, i.e. 8 (or 7¹/₄) hours.
- (b) Overtime on a day of rest is only payable when an employee has worked at least five (5) days in a week, i.e. a part-time employee only has two (2) “days of rest” per week.
- (c) Certain shift configurations may require working more than five (5) days per week without payment of overtime.

5:14 Probation

- (a) The period of probation is based on calendar service.
- (b) Notwithstanding any provision of the Agreement, this period may be extended by the Employer for any reason provided twelve (12) months’ probation is not exceeded.

5:15 Seniority

Seniority is based on accumulated service.

5:16 Layoff

Accumulated service is used for purposes of layoff.

5:17 Dental Plan & Vision Care Plan

 - (ii) A term employee requires 2080 (1885) hours.
- (b) Part-time employees will be eligible for family coverage up to fifty percent (50%) of the maximum.

5:18 December Break

Where an employee is eligible for time off with pay during that period between Boxing Day and New Year's Day designated by the Employer as December Break, or time off in lieu, the employee shall receive an amount calculated by multiplying the regular daily working hours for the employee's classification times the prorating factor.

5:19 Additional Hours

Additional hours shall be offered on an equitable basis to part-time employees who are available to work and are capable of performing the duties.

Appendix “E” - Privately Owned Vehicles

Privately Owned Vehicles

1:01 Reimbursement Rates

An allowance for the use of a privately owned vehicle, for travel on college business, when authorized by the Employer, shall be paid in accordance with the location of the employee’s residence as follows:

	For Employees Resident	
	<u>South of 53</u>	<u>North of 53</u>
(a) Effective July 1, 2023:	\$0.64/km	\$0.72/km
(b) The use of a privately owned motorcycle, when authorized by the Employer:	\$0.34/km	\$0.37/km

No college employee is required to provide a personal vehicle as a condition of employment.

1:02 The above allowance covers all costs relative to the operation of the vehicle except bridge, ferry or highway tolls and parking, as authorized, which may be claimed as incurred.

1:03 Residence to Work Location

Transportation of an employee between their residence and headquarters may not be claimed except where the employee has been called back to return to work:

- (a) Outside of their normal hours on their regular working day or shift, or
- (b) On the employee’s day of rest.

1:04 Special Areas

(a) When authorized by the Employer, the use of a privately owned vehicle for travel on college business in the vicinity of towns which are in those areas covered by remoteness allowances and which also do not have

road access to a provincial trunk highway, will be paid for at the following rates:

Effective July 1, 2023: \$32.36/day plus \$0.41/km

- (b) Where this rate has been authorized, it will be in lieu of the normal rate for use of privately owned vehicles for travel on college business.

1:05 The official rates throughout this Appendix are those expressed in kilometres and cents per kilometre (¢/km). An employee converting mileage to kilometres for the purpose of filing a claim should multiply the total number of miles at the end of the month or expense claim period by 1.6. The resultant figure should be rounded to the nearest kilometre.

Privately Owned Vehicles - Business Insurance

2:01 Employees shall be reimbursed for the additional cost of business rate insurance above that required for the All Purpose rate, or Pleasure Use rate for a truck, when use of the vehicle will exceed 1,609 kilometres on the Employer's business in the insurance year.

Increases to Rates

3:01 The parties agree as follows:

The rates in this Appendix shall be increased effective July 1st each year in accordance with the following formula:

- An amount calculated by measuring the average percentage increase in the Private Transportation component of the Manitoba Consumer Price Index (Table 18-10-0004-07) from July 2019 to June 2020 as follows:

$$\begin{aligned} & \text{July 2019} + \text{August 2019} + \\ & \text{September 2019} \dots + \text{June 2020} = \text{Total percentage increase} \\ & \text{July 2018} + \text{August 2018} + \\ & \text{September 2018} \dots + \text{June 2019} \end{aligned}$$
- The total percentage increase divided by twelve (12) equals the average percentage increase. The average percentage increase rounded to one

(1) decimal place will be applied to each rate and rounded to one (1) decimal place and used to calculate new rates for the application sections.

- The College will calculate the total percentage increase after Statistics Canada publishes the June rate.
- The College will communicate to the Union the total percentage increase and the new rates that will be implemented including the data that supports the calculation.

Appendix “F” - Meals and Miscellaneous Expenses

Meals - Eligibility for Claims

1:01 Breakfast - an employee is expected to have had breakfast before the start of the day’s work, even though some travel may be necessary before the recognized starting time. Exceptions occur to this pattern and cost of breakfast may be claimed when:

- (a) The employee is in travel status; or
- (b) The employee has been travelling for more than one (1) hour on college business before the recognized time for the start of the employee’s day’s work.

1:02 Luncheon - an employee is expected to make arrangements to provide or purchase luncheon, or the mid-day or mid-shift meal. For many employees, either because of lack of facilities in the area of work or for general convenience or economy, luncheon is carried to work rather than purchased. Exceptions to this pattern, when cost of luncheon may be claimed, occur when:

- (a) The employee is in travel status; or
- (b) The employee is away from their normal place of work and outside the headquarter area which would cause the employee to disrupt their normal mid-day or mid-shift meal arrangements.

The inability of the employee to return to their home or residence does not constitute grounds for claim for the cost of a purchased meal.

1:03 Dinner - an employee may only claim for the cost of a dinner meal when:

- (a) The employee is in travel status; or

- (b) The employee has been travelling on college business and not expected to arrive back to the employee’s residence before 7:30 p.m. where a meal break not taken.

Any extension of working hours at the normal place of work is covered under Article 3 - Meal Allowances During Overtime Work. No other meal claims except as provided in this Article shall be paid.

Meal Expenses - Travel Within the Province

2:01 An employee who is eligible may claim the actual cost of purchased meals up to the following maximum amounts:

	<u>Individual Meals</u>			
	<u>Breakfast</u>	<u>Lunch</u>	<u>Supper</u>	<u>Per Diem</u>
(a) In areas covered by remoteness allowance:				
Effective July 1, 2023:	\$11.70	\$14.90	\$26.20	\$52.80
(b) In all other areas:				
Effective July 1, 2023:	\$11.00	\$14.00	\$25.00	\$50.00

2:02 For each full day in travel status an eligible employee may claim a per diem allowance in lieu of individual meal claims to cover the cost of purchased meals.

2:03 Where no overnight accommodation is involved only the appropriate individual expenses under Section 2:01 may be claimed.

2:04 Actual meal expenses exceeding the above maximum may be claimed if supported by a receipt up to a maximum of **\$74.60** per day including gratuities and taxes.

Meal Allowances During Overtime Work

3:01 Extension of Working Day

Where an employee's working day has been extended beyond the standard working day or shift at the normal place of work by either:

- (a) At least two (2) hours, exclusive of a dinner or supper break, a meal allowance shall be paid at **\$7.20** per day effective date of ratification;
- (b) At least three and one-half (3½) hours, exclusive of a dinner/supper break, an allowance equivalent to that payable for "Lunch" in the appropriate area as shown in Article 2- Meal Expenses - Travel Within the Province, shall be paid.

3:02 To qualify for the above, employees in the category of office personnel and Instructors must have been at work for a total (exclusive of lunch or dinner/supper periods) of not less than:

- (a) Nine and one-quarter (9¼) hours; or
- (b) Ten and three-quarters (10¾) hours;

as applicable, on the day for which the allowance is claimed.

3:03 An employee in travel status is not entitled to either of the above allowances.

3:04 Special Emergencies

Where special circumstances arise (e.g. flood control, fire duties, etc.) and an employee is required to work extended hours in connection with that emergency, with the approval of the Employer, the employee may claim the cost of purchased meals appropriate to the period worked, as provided for under Article 2 - Meals Expenses - Travel Within the Province.

Incidentals Allowance

4:01 An employee who is in travel status may claim an incidentals allowance for each night of:

- (a) Commercial accommodation - effective August 1, 2022 **\$7.40**.

4:02 The incidentals allowance covers reimbursement for all incidental expenses except as provided in Article 5 - Miscellaneous Expenses During Travel.

Miscellaneous Expenses During Travel

5:01 Gratuities

No gratuities may be claimed. Allowance is made for these in either the individual meal allowances, the per diem allowances, or as part of the claim for meals during travel outside the province.

5:02 Laundry

- (a) Laundry charges must be supported by receipts and may only be claimed where the employee is travelling on college business and overnight away-from-home accommodation is involved for a period in excess of four consecutive nights.
- (b) No claim may be made where special reimbursement arrangements have been made, such as a weekly or monthly allowance for living costs.

5:03 Parking

- (a) An employee may claim parking expenses as follows:
 - (i) Short-term parking, when an employee is away from their workplace; and
 - (ii) Overnight parking where it is not provided with accommodation.

5:04 Telephone

- (a) Charges for telephone calls necessary for business purposes may only be claimed when they are supported by a listing of the person telephoned or telegraphed and the city or town involved.
- (b) An employee is entitled to claim the cost of long distance telephone calls up to a maximum of **six dollars and twenty cents (\$6.20)** for each period of three (3) consecutive nights that the employee is away from their residence on college business and overnight accommodation is involved.

Travel Status - Return Home Over A Weekend

- 6:01** Provided that work schedules permit, an employee in travel status may return home over a weekend and shall be reimbursed travel expenses in an amount not exceeding the cost of maintaining the employee in travel status over the weekend.
- 6:02** If travel is by college vehicle this cost should be evaluated at the per kilometre rate applicable for personal distance traveled for that class of vehicle.

Accommodations

- 7:01** Employees travelling on college business are entitled to standard hotel room accommodation with a bath when available.
- 7:02** The type, standard and cost of accommodation, and the period for which such costs may be allowed shall, in the opinion of the Employer, be reasonable considering all relevant circumstances.
- 7:03** No accommodation expenses are claimable when the college provides a caboose, trailer or other suitable accommodation.

Definitions

Absence of the employee from their headquarters area on college business involving travel and accommodation with the approval of the Employer.

8:02 “Headquarters Area”

A metropolitan or urban area of not less than twenty-four (24) kilometres (15 miles) in diameter;

Increases to Rates

9:01 The parties agree as follows:

With the exception of the private accommodation rate in Appendix F

7:04, the rates shall increase July 1st each year based on the following formula:

- An amount calculated by measuring the average percentage increase in the Food Purchased from Restaurants component of the Manitoba Consumer Price Index (Table 18-10-0004-01) from July 2019 to June 2020 as follows:

$$\begin{aligned} & \text{July 2019} + \text{August 2019} + \\ & \text{September 2019} \dots + \text{June 2020} = \text{Total percentage increase} \\ & \text{July 2018} + \text{August 2018} + \end{aligned}$$

September 2018... + June 2019

- The total percentage increase divided by twelve (12) equals the average percentage increase. The average percentage increase rounded to one (1) decimal place will be applied to each rate and rounded to one (1) decimal place will be applied to each rate and rounded to the nearest five (5) cents. Per diems represent the total of the individual meal rates.
- The College will calculate the total percentage increase after Statistics Canada publishes the June rate.
- The College will communicate to the Union the total percentage increase and the new rates that will be implemented including the data that supports the calculation.
