Preamble

The parties hereto have established the provisions contained herein for the purpose of promoting co-operation and understanding between Elizabeth Fry Society of Manitoba Inc. - (d) Term employee means a person who is hired to work in a position funded by a non-renewable grant, or for a defined period of time which is not expected to be extended upon completion. The terms of this Agreement shall not apply to Term employees employed by the Employer for less than six (6) months;

- (g) Employer means Elizabeth Fry Society of Manitoba Inc.;
- (h) Union means the Manitoba Government and General Employees' Union;

- (i) Non-renewable grant means a grant received from a third party which, at the time the grant is awarded, is not expected to be renewed upon the expiry of the grant.

Article 3 Union Business/Security

- 3:01** As a condition of employment, all new employees shall become members of the Union within thirty (30) calendar days of commencing employment. No employee shall be required to resign if expelled by the Union and the provisions of The Labour Relations Act of Manitoba shall apply in the case of “conscientious objectors”. Employees who were hired prior to January 31, 2003 and who have not become members of the Union shall not be required to join the Union as a condition of employment.
- 3:02** An elected Union Officer shall be allowed to meet with each newly hired employee for up to 15 minutes during working hours to provide him/her with a copy of the collective agreement and acquaint the employee with the general conditions and obligations as they relate to employees.
- 3:03** The Employer agrees to deduct from employees’ wages and forward to the Union an amount equal to the bi-weekly Union dues as determined by the Union, along with a list of names of employees for which dues have been deducted showing the amount of dues deducted for each employee. Such information shall be forwarded each pay period.
- 3:04** The Union shall notify the Employer in writing of any changes in the amount of dues at least one (1) month prior to the end of the pay period in which the deductions are to be made.
- 3:05** The Union agrees to indemnify and save the Employer harmless with respect to all Union dues so deducted and remitted and with respect to any liability which the Employer may incur as a result of such deductions, except for any claim or liability arising out of a failure by the Employer to remit to the Union the dues as required by Article 3.03.

- 3:06** For new employees, deductions become effective on the first day of the bi-weekly pay period following date of hire.
- 3:07** The Employer agrees to provide the Union the use of space on existing bulletin boards for the purpose of posting Union information. Before posting, material must be submitted to the Executive Director for approval which shall not be unreasonably denied.
- 3:08** At the Employer's discretion, the Union may conduct on-site membership meetings during non-work time.

This means that the employee shall continue to receive his/her regular wages from the Employer and the Union shall reimburse the Employer for the full amount of wages paid with respect to the time covered by the leave.
- 3:11** Union Staff Representative may meet with employees at the Employer's premises upon prior approval of the Executive Director. Such meetings shall occur during employee breaks.

Article 4 Management Rights

- 4:01** The Union acknowledges that it is the exclusive function of the Employer to:
- (a) Maintain order, discipline and efficiency;
 - (b) Hire, discharge, transfer, classify, promote, demote, lay-off, recall and discipline employees, provided that a claim of discriminatory promotion, demotion, lay-off or transfer, or a claim that a non-probationary employee has been discharged without just cause may be the subject of a grievance and dealt with as hereinafter provided; and

- (c) Generally to manage the Employer's operations and, without restricting the generality of the foregoing, to plan, direct and control operations, direct the work force, determine the nature and kind of business carried out by the Employer; determine the number of personnel required from time to time; determine the services to be performed and the methods, procedures and equipment in connection therewith; to schedule work and shifts and to assign work; to determine the job content and classification and to determine the number of employees in the classification; to set the volume levels and quality of work to be performed; and to designate the place of work, the curtailment or cessation of operations in whole or in part.

The foregoing enumeration of management's rights shall not be deemed to exclude other functions not specifically set forth. The Employer therefore retains all rights, power or authority in management not otherwise specifically covered in this Agreement.

The exercise of the foregoing rights is subject to the provisions of this Agreement.

- 4:02** In administering this Agreement and in administering its management rights, the Employer shall act reasonably, fairly, in good faith and in a manner consistent with the Agreement as a whole.

Article 5 Job Postings/Contract Renewal

- 5:01** Vacancies or newly created positions shall be posted internally for seven (7) working days. Concurrent external advertising may take place. The posting period may be shortened by mutual agreement of the parties hereto.
- 5:02** If the posting is for a position to be held by a term employee, and the duration of the position is twelve (12) months or less, a successful internal applicant has the right to return to a position within his/her former classification upon termination of the project, subject to availability. In the event such a position is not available, the provisions of Article 18 shall apply.

- 5:03** Vacancies shall be filled by the most qualified applicant. Where two or more applicants are equally qualified for the position the most senior applicant shall be awarded the position.
- 5:04** Upon written request, unsuccessful applicants shall be provided with the reasons for non-selection within ten (10) working days.
- 5:05** The parties recognize that employment of employees may be subject to the renewal of funding grants and contracts by outside bodies. Existing employees shall have their employment renewed where the contracts and funding for the programs in which they work are renewed and allow for continued employment. Where it is not possible to renew the employment of all existing employees, the provisions of Article 18 shall apply.
- 5:06** A copy of all job postings shall be forwarded to the Local President.

Article 6 Probation

- 6:01** Newly hired full-time and part-time employees shall be on probation for the first nine hundred and ten (910) hours of actual work.
- 6:02** A probationary employee shall be evaluated by the Executive Director or designate prior to the end of the probationary period.
- 6:03** The probationary period of a full-time or part-time employee may be extended for a further four hundred and fifty-five (455) hours at the discretion of the Employer. Where the probationary period is to be extended, the Employer shall identify performance expectations to be met and, where feasible, provide additional formal training, mentoring or other further support to assist the employee to meet objectives.
- 6:04** An employee whose employment is terminated during the initial or extended probationary period shall have the right to appeal to the Board in writing. The Board will consider any written material presented to it by the employee and any other information it sees fit, and decide whether the termination should be upheld, whether the employee should be reinstated on terms or

otherwise, or any other remedy it deems appropriate. The decision of the Board shall be final and not subject to grievance or arbitration.

Article 7 Hours of Work

- 7:01** Standard hours of work are seven (7) hours per day, thirty five (35) hours per week, exclusive of meal breaks.
- Office staff will usually work Monday-Friday, 8:30 a.m. to 4:00 p.m.
- Any variation of the above hours, other than as are set out in Article 7:02 and 7:03, shall only be instituted with the mutual consent of the parties hereto.
- 7:02** Staff may alter their scheduled hours in order to accommodate client demand, subject to management approval.
- 7:03** The hours of work set out in Article 7:01 do not apply in the event an emergency situation arises.
- 7:04** The Union and Employer recognize that new programs and positions may from time to time arise which require hours of work outside of the standard hours set out in Article 7:01. In such circumstances, the Union and Employer agree to enter into negotiations with a view to entering into a Letter of Understanding with respect to the hours of work required for such positions.
- 7:05** Full-time employees are entitled to a one-half hour unpaid meal break and two 15-minute paid rest periods during their work day. Subject to management approval a full-time employee may choose to combine his/her paid rest periods with the meal break in order to have a one hour meal break, half of which would be paid time.
- 7:06** Part-time employees who work more than five (5) consecutive hours in a day shall be entitled to a one-half hour unpaid meal break.

Article 8 Overtime

8:01 Time worked in excess of eight (8) hours per day, forty (40) hours per week shall be accrued at the rate of one and one-half hours for each hour of overtime worked.

Hours worked in excess of the standard hours of work, but equal to or less than eight (8) hours per day, forty (40) hours per week shall be compensated at straight time.

8:02 Prior approval of the Executive Director or designate is required for any overtime or hours in excess of the standard hours set out in 7:01 hereof are worked.

8:03 Overtime shall be compensated on a compensatory leave basis. Compensatory leave shall be taken at times mutually agreed between the employee and the Executive Director. At the discretion of the Executive Director overtime may be paid out. Where mutual agreement to schedule compensatory leave has not been reached within ninety (90) days of the overtime being worked, in the event that the parties are unable to identify a mutually agreeable time for compensatory time off, the Employer may assign days off with pay at its sole discretion. The Employer reserves the right to provide payment in lieu of time off.

Article 9 Holidays

9:01 The following holidays will be observed as days off with regular pay:

New Year's Day	Civic Holiday
Louis Riel Day	Labour Day
Good Friday	Thanksgiving Day
Easter Monday	Remembrance Day
Victoria Day	Christmas Day
Canada Day (July 1)	Boxing Day
Aboriginal Day (June 1)	International Women's Day (Mar 8)

Any other holiday proclaimed by Federal or Provincial Statute.

- 9:02** Employees are entitled to paid time off for the above noted holidays provided the employee actually works on the scheduled working days immediately preceding and following the holiday and if scheduled to work on the holiday in question is not absent on the holiday in question (unless absent due to illness or other authorized leave). Part-time employees who meet the requirements of this section shall receive holiday pay calculated at five percent (5%) of an employee's total wages in the four (4) week period immediately before the holiday excluding overtime.
- 9:03** An employee who is required to work on a holiday recognized as a general holiday under The Employment Standards Code shall be compensated at the rate of time and a half for all hours worked. In addition to holiday pay the employee may choose to receive either pay or compensatory leave for working on the holiday.
- An employee who is required to work on a day recognized as a holiday under this Agreement but not recognized as a general holiday under The Employment Standards Code shall be entitled to take another day off with pay for working on the holiday. This day shall be taken within thirty (30) days of the holiday, unless the employee and Employer agree otherwise.
- 9:04** When a holiday falls on an employee's regularly scheduled day off, the employee will be granted a day off with pay in lieu, to be taken at a time mutually agreed between the employee and the Executive Director.
- 9:05** The Employer agrees to consider each year the granting of time off to employees or groups of employees over the winter holiday season.
- 9:06** Holidays shall not be counted as vacation time if they occur during employee's scheduled vacation period.
- 9:07** An employee who observes holidays not set out in Article 9:01 above, may substitute vacation time or banked time in order to take leave on those holidays. Such arrangements must be approved in advance by the Employer

and will be subject to operational need. Such approval shall not be unreasonably withheld.

Article 10 Vacations

10:01 Full-time employees shall receive paid vacations as follows:

After the first year of service 15 Days

After two years of service 20 Days

After five years of service and subsequent years 25 days

10:02 The vacation year shall run from April 1 to March 31.

10:03 An employee must complete his/her probationary period before taking any annual vacation time. New employees may take annual vacation on a pro-rata basis after completion of the probationary period. If any vacation time is advanced to an employee and employment is terminated prior to earning all of the vacation time advanced, the employee must reimburse the Employer. The deduction will be made from the employee's final pay cheque.

10:04 Vacations are not cumulative. They should be taken in the year in which they are due. Vacation is accrued from April 1 to March 31 and time accrued may be taken as it is accrued or in the following vacation year. Unused vacation time may be scheduled by the Employer. Employees may request permission for vacation time from one year to be forwarded to the next year up to a maximum of five (5) days. The decision whether to allow vacation time to be held over is in the sole discretion of the Executive Director.

10:05 Vacation time must be approved by the Executive Director, who, when scheduling employees' vacation time, will take into consideration the operational requirements of the organization and the employees' requests. When two or more employees request the same time, seniority will be the deciding factor.

- 10:06** No vacation shall be earned during any period of unpaid leave of absence which exceeds six (6) calendar months in a vacation year excepting periods of leave covered under WCB and MPI. Vacation leave credits shall continue to accumulate while an employee is absent on WCB or MPI for the first twelve (12) months.
- 10:07** A full-time employee who is ill during a period of vacation leave may be granted sick leave provided the employee notifies his/her immediate superior by telephone and submits a medical certificate indicating the period of illness. The vacation period may be extended by the number of days taken as sick leave provided approval has been granted by the Executive Director or his/her designate, or reinstated for use at a later day within the vacation year.
- 10:08** Part-time employees shall, in lieu of paid vacation time, receive vacation pay on each cheque based on:
- | | |
|---|----|
| In the first year of service | 4% |
| In the second and subsequent years of service | 6% |
| In the fifth year of service and subsequent years | 8% |
- Such part-time employees shall be entitled to the same number of weeks of vacation time as per the full-time employees' entitlement found in 10:01, but it is understood and agreed that payment in respect of the vacation time is satisfied completely by receipt of vacation pay on each cheque pursuant to this Article.
- 10:09** A term employee who completes a year of employment since his or her last date of hire shall be entitled to a vacation and vacation allowance as set out in this Article 10.

Article 11 Sick Leave

- 11:01** Full-time employees shall accumulate sick leave at the rate of 1.25 days per month of employment, up to a maximum accumulation of 15 days. Upon completion of two (2) years' service, employees shall be allowed to

accumulate up to a maximum of twenty (20) days. Part-time employees shall receive a pro-rated number of sick days calculated according to the following formula:

$$\frac{\text{Hours Work in Month}}{151.68} \times 1.25$$

- 11:02** (a) Employees absent due to illness for three (3) or more consecutive working days or absent in an amount which is considered excessive by management may be required to provide a medical certificate.
- (b) The Employer reserves the right to require a medical examination and/or medical certificate report as proof of the employee's illness, fitness to return to work, to determine the approximate length of illness. The Employer will not require a certificate for three (3) consecutive scheduled work days for that employee, or less except in cases where the pattern of absence or circumstances surrounding the absence would cause the Employer to question the validity of the claim. Failure to provide such a certificate when requested will disqualify an employee from sick leave benefits. An employee who is required to provide a certificate will be made aware of such requirement prior to the employee's return to duty. The Employer will cover any costs over twenty dollars (\$20.00) associated with medical notes or reports that it requires.
- 11:03** Sick leave shall not accumulate during periods when an employee is absent without leave or on leave of absence without pay greater than six (6) months excepting periods covered under WCB and MPI. Sick leave credits shall continue to accumulate while an employee is absent on WCB or MPI for the first twelve (12) months.
- 11:04** Employees who are to be absent due to illness shall endeavour to notify his/her Supervisor as soon as possible and in any event no less than one hour prior to the start of the employee's shift.

- 11:05** Accrued sick leave, as accrued pursuant to Article 11:01 hereof, up to 5 days per year, may be used in the event of illness of a dependent family member in need of personal care. Additional days may be used at the discretion of the Executive Director.
- 11:06** Employees are required to make medical or dental appointments during non-scheduled working hours. Where this is not possible due to specialist appointments or regularly scheduled day shifts the employee may access accumulated sick leave provided they inform the Executive Director, or designate immediately upon learning of the appointment.
- 11:07** Following successful completion of the probationary period, accrued sick leave, up to 2 days per year, may be used as compensatory time off.

Article 12 Personnel Files

- 12:01** Upon written request to the Executive Director, the personnel file of that employee shall be made available for the employee's full examination. The employee, at the employee's option, may have a Union Representative present. Such examination shall be in the presence of a Representative of the Employer.
- 12:02** An employee may request a copy of any specific documents on his/her personnel file. This provision shall not be unreasonably requested or denied.

Article 13 Performance Appraisals

- 13:01** Performance appraisals will be conducted annually, or more often as required by the Executive Director or designate and will form part of the employee's personnel file.
- 13:02** An employee will be given the opportunity to review the contents of the performance appraisal and to provide written comments within a reasonable period of time.

Article 14 Discipline

- 14:01** No employee shall be discharged or otherwise disciplined without just cause.
- 14:02** An employee shall have the right to Union representation at any meeting at which discipline is being taken. Where possible, advance notice of such meetings shall be given.
- 14:03** **Any discipline will be removed from an employee's personnel file, provided there has been no recurrence for a twelve (12) month period.**

Article 15 Grievance Procedure

- 15:01** "Grievance" means a dispute submitted in writing, regarding the application, interpretation or alleged violation of this Agreement.
- 15:02** It is agreed that an attempt should be made to resolve complaints or disagreements through discussion prior to a formal grievance being submitted. If this is not possible the following procedure shall apply:

Step 1

Within ten (10) calendar days of an employee becoming aware of the circumstances giving rise to a grievance, the employee must submit a formal written complaint to the Executive Director. The Executive Director shall issue a written decision in respect of the grievance within ten (10) calendar days. The Executive Director must meet with the employee to discuss the grievance and the employee shall have the right to have a Union Representative present.

Step 2

Where the matter is not satisfactorily resolved at Step 1, the employee may forward a written complaint to the President of the Board of Directors of the Employer within ten (10) calendar days of receipt of the decision at Step 1. The President of the Board of Directors shall conduct a meeting within thirty

(30) days of receipt of the grievance and shall issue its decision within ten (10) calendar days of the meeting.

Step 3

Where the matter is not satisfactorily resolved at Step 2 the matter may be referred to binding arbitration by the Union within ten (10) calendar days of the decision of the Committee.

- 15:03** It is agreed that the Union may submit a grievance on behalf of a group of employees or a Policy Grievance. The appropriate steps of the grievance procedure and time limits shall apply.
- 15:04** The time limits contained in this Article may be extended by mutual agreement of the Employer and the Union.
- 15:05** Any grievance not submitted or forwarded within the time limits as provided herein shall be deemed to have been abandoned and will not be arbitrable.
- 15:06** A grievance may be filed by the Employer, and the grievance procedure set out above will apply with any necessary modifications.

Article 16 Arbitration Procedure

- 16:01** Where a grievance is referred to Arbitration:
- (a) The Union shall, in writing to the Executive Director, state that the matter in dispute is to be proceeded with to Arbitration;
 - (b) It is agreed that disputes which are carried to the arbitration stage shall be referred to a single arbitrator. The parties agree that the following persons shall be called to arbitrate on a rotation basis and in order of their listing:

Michael Werier

Blair Graham, Q.C.

Diane Jones, Q.C.

Gavin Wood

If the arbitrator whose turn is indicated cannot act within a reasonable time, he/she shall advise the parties within fifteen (15) days of his/her appointment, the succeeding names will be approached in order until an arbitrator is reached who can sit within a reasonable time. Should all listed persons be unwilling or unable to serve when so approached, an unlisted person will be appointed by the Minister of Labour for Manitoba. Persons selected under this article or persons who when requested to serve are unable to do so, shall be rotated to the bottom of the list.

- (c) Without undue delay, following his/her appointment, the arbitrator shall commence hearings and shall hear evidence and argument submitted by or on behalf of the parties relevant to the matter submitted;
- (d) Without undue delay the arbitrator shall render his/her decision and reasons in writing to the Union and the Employer.
- (e) The decision of the arbitrator shall be final and binding on both parties.
- (f) The arbitrator shall not be vested with the power to change, modify or alter any terms of this Agreement; and
- (g) Each party shall bear equally the expenses of the arbitrator.

Article 17 Resignation

17:01 An employee may terminate his/her employment with the Employer with written notice based on his/her period of employment:

- (a) If he/she is employed less than one (1) year, one (1) week notice is required; or
- (b) If he/she is employed more than one (1) year, then two (2) weeks' notice is required.

Notice will be exclusive of vacation.

Article 18 Seniority, Lay-Off and Recall

18:01 Except as otherwise provided in this agreement, seniority shall be calculated based on paid hours accrued since last date of hire.

- (a) Seniority will continue to accrue if an employee is:
 - (i) On any period of paid leave of absence;
 - (ii) On maternity/parenting leave;
 - (iii) Assigned to temporarily relieve or replace an absent employee in an out of scope position;
 - (iv) On any period Compassionate Care Leave;
 - (v) On any period of E.I. sick leave up to seventeen (17) weeks.
- (b) Seniority will be retained but will not accrue if an employee:
 - (i) Is on approved unpaid leave of absence for up to two (2) years;
 - (ii) Is on an unpaid leave of absence due to injury or illness which may be compensable by WCB, MPI or LTD for a period of up to two (2) years from the date of the first absence from work related to the injury or illness;
 - (iii) Is laid off for less than eight (8) months.
- (c) Seniority will terminate if an employee:
 - (i) Resigns;
 - (ii) Is discharged for just cause and not reinstated under the grievance or arbitration procedure;
 - (iii) Is laid off and fails to report for duty as instructed as per Article 18:06;
 - (iv) Is laid off for more than eight (8) months;

- (v) Fails to report for work as scheduled at the end of an approved leave of absence, suspension, vacation, or income protection usage, without an explanation satisfactory to the Employer;
- (vi) Is promoted or transferred out of the bargaining unit.

- 18:02** In the event of a lay-off, employees shall be laid off in the reverse order of their seniority, provided that the employees retained are already qualified and suitable to perform the work to be done, without the requirement of training, other than an initial familiarization period. The familiarization period will be a trial period of four hundred fifty-five (455) hours of actual work, within the new position. An employee who is found to be unsuitable during this trial period will be placed on the lay-off list if no other openings exist.
- 18:03** If lay-off is necessary, the Employer shall advise the Union of the proposed reduction and the employee(s) affected prior to the lay-off notices(s) being issued. **The Employer shall also provide the Union with financial justification as to why the lay-offs are necessary.**
- 18:04** Except in circumstances beyond the sole control of the Employer, an employee shall receive written notice from the Employer informing him/her of the date which she/he is to be laid off at least two (2) weeks prior to the effective date of the lay-off. The notice shall give the reasons for the lay-off and the expected duration. If the employee has not been given the opportunity to work the days as provided in this article she/he shall be paid for the days for which work has not been made available.
- 18:05** Employees laid off shall be placed on the lay-off list according to their seniority with a copy of the lay-off list being provided to the Union. Laid off employees shall be called back to work to positions for which they are qualified beginning with the most senior employee on the lay-off list and descending from there. An employee who accepts a new position or classification other than the one from which they were laid off, and have not performed previously for the agency, will be placed on a trial period of four hundred fifty-five (455) hours of actual work within the new position. An

employee who is found to be unsuitable during this trial period will be returned to the lay-off list if not other openings exist.

- 18:06** (a) To be eligible for recall employees must file their names and current address with the Employer at the time of lay off and provide any updated changes thereafter.
- (b) Notice of recall to an employee who has been laid off shall be made by registered mail to the last known address of such employee, filed by the employee with the Employer.
- 18:07** New employees shall not be hired until those laid off employees who are already qualified and suitable for the positions have been recalled or have failed to respond to notice of recall within five (5) working days.
- 18:08** Laid off employees shall have first preference for temporary employment subject to the availability, present qualifications and suitability of such employees. Participation in temporary employment shall in no way negatively affect rights to recall to the employee's regular position.
- 18:09** There shall be no contracting out of bargaining unit work in a manner which would result in the lay-off of any present employee.
- 18:10** An employee will be removed from the lay-off list eight (8) months following lay-off.

Appendix "A" - Salary Schedule

At the discretion of the Employer, new or rehired employees may be paid a starting rate of pay which recognizes their previous directly related experience and/or education. This discretion will not be unreasonably used.

Employees will progress to the next step in the scale on their anniversary date.

An Employee who is on an unpaid leave of absence in excess for thirty (30) calendar days (from the last shift worked to the first shift worked following the leave of absence) will have his/her anniversary date adjusted by adding the number of days equal to the difference between the period of the leave (being the calendar days from the last shift worked to the first shift worked following the leave of absence) less thirty (30) days. - (1) any increase to monies allocated to bargaining unit employees' wages;
- (2) any general sustainable/ongoing funding increase - not otherwise allocated by the funder to a specific source for the Employer (i.e. the building, premises, infrastructure etc.) - in excess of \$600; or
- (3) a one-time grant or aggregate yearly charitable donations within 1 fiscal year of more than \$2,300, not otherwise allocated by the funder or donor to a specific source for the Employer (i.e. the building, premises, infrastructure etc.) .

The Employer will notify the Union of such increase no more than 30 (thirty) days following written confirmation of the funding increase and, if notice to bargain is

provided by either party as set out herein, negotiations will commence on the subject of wages only. Either party may give notice to bargain not more than sixty (60) days following the Employer's written notice to the Union of the increase.

Funding increases will not be allocated to employee wages unless the bargaining process above is completed by the parties.

Should there be no increase provided by the funders for wages, or a reduction in funding for wages by the funders, then wages will be maintained at their current levels.

The Employer will provide, on a one time without precedent basis, a service recognition payment payable to each member of the bargaining unit upon ratification of the **2019 to 2023** Agreement as follows: One point five (1.5%) percent of the employees' annual salary less applicable deductions.
